# Process

- Infoway proposes the dispositions prior to WG calls
  - Block votes items that are straightforward, around 20-25 per vote
    - Block votes will be sent out a week in advance (19th for the call on the 26th)
    - Items can be pulled from the block vote for discussion on a call
  - Each call will also have discussion of the items that need feedback
    - Specific items for discussion will be on the agenda that will be released on the Monday before the call
    - We will be organizing each call by theme to ensure the proper stakeholders know which calls they need to attend
  - Consensus and Voting

# Item Resolution Process

1. Discuss the item(s)
    - Discuss the proposed disposition (if applicable)
    - Decide if any changes are needed
  2. If you are present on the call - you have the right to vote
    - This Release: Persuasive, Persuasive with modification, Not Persuasive with mod
    - Nex/Future Release: Considered for future use
    - Call for a member to **Move** the approval
    - Call for a member to **Second** the approval
    - Find members who object or abstain from the vote
- Let's try it out ...

# Typos
