

PROFESSIONAL TRAINING FOR ENGINEER OLIM

A PROGRAM FOR PROFESSIONAL GROWTH AND INTEGRATION INTO ISRAEL'S ENGINEERING JOB MARKET

This program is a joint initiative of The Jewish Agency for Israel, the Ministry of Aliyah and Integration, the Ministry of Agriculture, the organization "Engineers and Immigrant Architects," and other ministries and industrial organizations of Israel.

Why Join the Program?

Do you have an engineering education and wish to successfully integrate into Israel's job market?

This program is designed specifically for you!

As part of the program, you will receive advanced training, assistance with the registration and licensing process for engineering professions, personalized guidance, and job placement support in leading engineering companies.

What Does the Program Offer?

- ✓ Subsidized Housing at the Jewish Agency Absorption Center "Nurit" in Beer Sheva
- ✓ Hebrew Language and Professional Terminology Course – approximately 6 months.
- ✓ Professional Training and Skills Development – a specialized Building Systems course covering advanced software, workplace processes in Israel, Hebrew technical terminology, and necessary engineering tools – approximately 2 months.
- ✓ Licensing Assistance – document preparation and support in obtaining a license from the Ministry of Labor.
- ✓ Job Placement Support – connections with top companies, site visits, and assistance in job searching.

Who Can Apply?

- ✓ Eligible for Aliyah from any country.
- ✓ Holders of a higher engineering degree.
- ✓ Age up to 55 years.
- ✓ Basic computer skills.
- ✓ Basic English proficiency.
- ✓ Logical thinking and mathematical knowledge.
- ✓ Passing the entrance test of the "Engineers and Architects - Immigrants" organization.
- ✓ High motivation for learning and professional growth.

Program Participation Requirements:

- ✓ Mandatory attendance – at least 80% of classes.
- ✓ Completion of assignments and homework.
- ✓ Final project – minimum passing grade of 80.

Program commencement depends on a minimum of 12 and a maximum of 25 participants.

Program Format and Timeline:

- ✓ Aliyah to Israel: till 15.05.2026
- ✓ Program Start: May 2026
- ✓ Hebrew Studies and Professional Terminology: Approximately 6 months (May - November 2026)
- ✓ Professional Training: Approximately 2 months (December 2026 - February 2027)
- ✓ Employment Assistance: March 2027

Accommodation & Costs at the Jewish Agency Absorption Center in Beet Sheva (subsidized Housing)

At the Nurit Absorption Center, there are apartments with 1, 2, and 3 rooms.

Housing allocation is based on the size and composition of the family, subject to apartment availability and the needs of the center.

- ✓ 1-room apartment – intended for two roommates or a couple without children – 700 NIS per month, excluding utilities.
- ✓ 2-room apartment – 1,400 NIS per month, excluding utilities.
- ✓ 3-room apartment – 1,600 NIS per month, excluding utilities.

Why Choose Us?

- ✓ Expertise & Experience – Training provided by the leading "Engineers and Architects - Immigrants" organization.
- ✓ Comprehensive Approach – Combining education, housing, professional development, and career support.
- ✓ Personalized Guidance – Assistance at every step, up to job placement.
- ✓ Official Recognition – Program approved and funded by key government institutions: The Jewish Agency, Ministry of Aliyah and Integration, and Ministry of Education.

Program Regulations:

- ✓ The program is heavily funded, and participants must complete it from start to finish. Early withdrawal without valid reason will result in a 5,000 NIS fine.
- ✓ Applications from former new immigrants or those who previously made Aliyah will be reviewed individually.
- ✓ Benefits and discounts apply only during the program period.
- ✓ The schedule is subject to change, with updates provided to Jewish Agency representatives
