Alternative Products:

In the event that the recommended replacement headset [Zone Wireless 2](#) does not meet customer needs, customers may wish to evaluate alternative wireless headset models: [Zone 305](#), launched in June 2024, or [Zone Vibe Wireless](#). More information on both products can be found via the Logitech website.

Remaining Availability - End Customers:

Customers are advised to place last-time buy orders for Zone Wireless and Zone Wireless Plus Headset as soon as possible with your local reseller. Please work with your Logitech account manager to secure supply as needed. Availability is expected in-market up to the end of March 2025, but will vary by region and by country.

Warranty and Customer Support:

Zone Wireless and Zone Wireless Plus Headset comes with Logitech's standard 2-year hardware warranty, and the product will continue to be supported by Logitech's customer support team throughout the warranty period. In the event of any issues, business customers can contact www.logitech.com/prosupport in the normal way.

Zone Wireless and Zone Wireless Plus headsets are not covered by Logitech's Extended Warranty or Select programs, therefore warranty support will be provided in line with the standard 2-year hardware warranty period.

Questions:

In the event of questions related to this end of sale notification, please contact your Logitech account manager.
