

Are you a student between **13-17 years-old**
passionate about global justice?

Are you curious to learn **how to drive social change via**
social media, writing, and public speaking?

Are you interested in **connecting with teen advocates**
around the world to protect children's rights?

AMPLIFYING VOICES OF CHILDREN DIGITALLY

From Brazil to Bangladesh to CANADA... World Vision is bringing an exciting program to equip young changemakers (13-17) with the skills and confidence to engage in advocate for global causes digitally.

Through 10 FREE weekly online training sessions, students will develop knowledge and skills on advocacy and campaigning, storytelling, public speaking, mobile journalism, blog writing, and child participation & rights.

ACVD advocates will visit the WVCANADA office for 1-2 in-person learning days and receive **15-20 volunteer hours** and a **program certification** upon completion.
