

**Purpose of this notice:**

Logitech announces the End of Sale of **Zone True Wireless** due to the end of manufacturing for this model. This notification is the official communication that **Zone True Wireless**, with its associated accessories and spare parts, will reach End of Sale globally, effective **March 31st, 2026**, or while supplies last. Please be advised that remaining availability directly from Logitech is limited, while Logitech’s authorized resellers are currently better positioned with product availability to support customer demand.

**Zone True Wireless**

---

**Remaining Availability - End Customers:**

Customers are advised to place last-time buy orders for **Zone True Wireless**, as soon as possible with your local reseller. Please work with your reseller or Logitech account manager to secure supply as needed. Availability is expected in-market up to the **end of March 2026**, but will vary by region and country.

**Warranty and Customer Support:**

**Zone True Wireless** comes with Logitech's 2-year hardware warranty as standard, and the product will continue to be supported by Logitech throughout the warranty period. In the event of any issues, business customers can contact <https://sync.logitech.com/hub/support> for technical support.

**Questions:**

In the event of questions related to this end of sale notification, please contact your reseller or Logitech account manager.
