CAMPS For Kids

SHARING THE WONDERS OF CAMP.

EVERY KID DESERVES SUMMER CAMP

Camps For Kids partners with area camps to ensure that no Kansas City-area kid misses out due to financial hardship, physical challenges, or developmental disabilities.

CAMPS FOR KIDS MATCH CAMPAIGN

Camps For Kids partners with summer camps that serve underprivileged children and those with special needs, including medical, physical, and developmental challenges. At the heart of our mission is the Camps For Kids Match CAMPaign, a powerful initiative that runs each year from April 1 to July 31. During this time, we support participating camps in their fundraising efforts—and match every dollar raised, doubling the impact. These matched funds help sustain vital camp programs and provide much-needed financial assistance, giving more children the opportunity to experience the joy and growth that summer camp offers.

CAMP CHANGES LIVES

Camp is more than fun and games. It offers a life-changing experience where campers:

- Gain confidence
- Develop independence
- Make lifelong friends
- Find community
- Discover new activities
- Learn about nature
- Leave screens behind

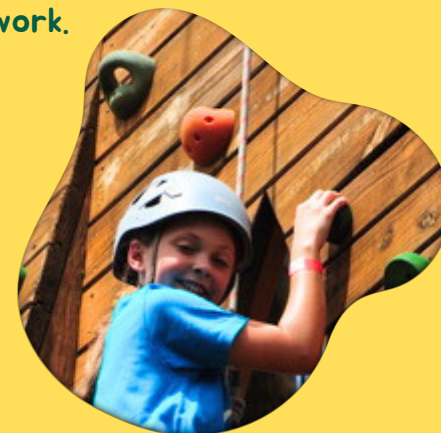

Every child deserves belonging. Our camps serve children facing some of life's greatest challenges and offer the rare gift of connection with peers who truly understand.

"I've learned that I can do things that I didn't think I could, and other people told me I couldn't."

FOSTER CARE CAMPERSHIPS

Camps For Kids works to ensure that KC kids in foster care have the chance to go to summer camp. Each year, we offer thousands of dollars in camperships (scholarships) to area foster care children to attend a camp in our network.

"Camp is one of the only places our kids will meet and connect with other peers who get it, no questions asked or explanations needed."
