Subject: RE: July 26th TOH presentation at SGWG

This is the myChart screen shot that I was looking for....

Preferred name is an open text field. Gender identity is a drop down (with the same discrete choices that I showed):

Details About Me

Information entered here may be visible to anyone with access to this legal medical record.

Preferred First Name

Preferred First Name is the name by which you want to be addressed. This name can differ from your driver's license or birth certificate.

Gender Identity 

If their option is not listed, they can call, and we can free-text their choice via a smart form within Epic.

Sexual Orientation and Gender Identity SmartForm

Inform the patient that anything entered here will be visible to anyone with access to this legal medical record.
