

Purpose of this notice:

Due to the planned end of manufacturing for this model, Logitech announces the phase-out of [Logi Dock](#) later this year. This notification is the official communication that [Logi Dock](#), UC & Teams models, with their associated accessories and spare parts, will reach End of Sale globally, effective **December 31st, 2025**, or while supplies last. Please note that remaining availability will vary by region and by country.

Logi Dock

Replacement Products:

A direct replacement product will not be available for Logi Dock. Logitech recommends the [MeetUp 2](#) with optional [Active USB Cable](#) for BYOD deployment as an alternative to Logi Dock, where this has been deployed in small focus rooms, phone booths, or in executive offices.

Remaining Availability - End Customers:

Customers are advised to place last-time buy orders for Logi Dock, Teams or UC versions, as soon as possible with your local reseller. Please work with your reseller or Logitech account manager to secure supply as needed. Availability is expected in-market up to the **end of December 2025**, but will vary by region and country.

Warranty and Customer Support:

Logi Dock comes with Logitech's 2-year hardware warranty as standard, and the product will continue to be supported by Logitech throughout the warranty period. Customers who have purchased 1- or 3-Year Extended Warranty options, or who have coverage under Logitech Select, will receive full warranty support up to the contracted term. In the event of any issues, business customers can contact <https://sync.logitech.com/hub/support> for technical support.

Questions:

In the event of questions related to this end of sale notification, please contact your reseller or Logitech account manager.
