4. Establishing pan-Canadian GSSO Data Standards: Next steps for engagement of individuals with lived experience – Shannon O'Connor, CIHI

Recommendations from group for engagement:

- Queering Cancer
- Employer EDI Support Groups
- Engage with folks with broad and deep lived experience, researchers
- TransChair @ UVIC has very good subscriber base
- Canadian Blood Services also has a good list
- CHER and other equity groups

Question: how open will you be to making change?

- Not starting from scratch, but will be open to change.
- Break it down into pieces / themes
- Imperfect standard – is contextualized and incorporates imperfect standard
- Connect with community-based organizations
- Get professional facilitator that is part of the community
- Use different modalities (i.e. sending documents)
- Provide honouraria to people for their time
- See how to connect with community health organizations
