**Replacement / Alternative Products:**

Logitech recommends [MeetUp 2](#) with optional [Active USB Cable](#) for BYOD deployments as an alternative to Logi Dock Focus Room Kit where this has been deployed in small focus rooms, phone booths or in executive offices.

Please note that [Logitech Brio](#), the webcam included in the Logi Dock Focus Room Kit, will continue to be available for purchase as a stand-alone, high performance 4K Windows Hello capable webcam.

**Product Comparison:**

The table below provides an overview of key features of [MeetUp 2](#) for consideration. Please refer to the Logitech website for more details.

Mexico	960-001690	
China	960-001682	952-000196
Japan	960-001683	952-000197

**Remaining Availability - End Customers:**

Customers are advised to place last-time buy orders for [Logi Dock Focus Room Kit](#), Teams or UC versions, as soon as possible with your local reseller. Please work with your Logitech account manager to secure supply as needed. Availability is expected in-market up to the end of December 2025, but will vary by region and country.

**Warranty and Customer Support:**

Logi Dock Focus Room Kit comes with Logitech's 2-year hardware warranty as standard, and the product will continue to be supported by Logitech throughout the warranty period. Customers who have purchased a 1- or 3-Year Extended Warranty option, or who have coverage under Logitech Select, will receive full warranty support up to the contracted term. In the event of any issues, business customers can contact <https://sync.logitech.com/hub/support> for technical support.

**Questions:**

In the event of questions related to this end of sale notification, please contact your reseller or Logitech account manager.
