

COMPREHENSIVE MENTAL &  
BEHAVIORAL HEALTH SERVICES  
FOR CHILDREN & FAMILIES

## PURPOSE STATEMENT

**At KidsTLC, our purpose is simple yet powerful:** to surround children and families with **care, community, and connection** meeting them where they are, when they need it most.

Leading the way in mental and behavioral health services, trauma-informed care, and autism support, we work to prevent crisis, restore hope, and empower every individual.

# OUR PROGRAMS

## Outpatient Services

The Lotus Clinics of KidsTLC offer specialized outpatient therapies to support children and families facing mental and behavioral health challenges. Our range of services includes:

- Outpatient Therapy
- Intensive Outpatient Program (IOP)
- Medication Management

***The Lotus Clinics served 1,050 clients last year, providing over 13,000 hours of services.***

## Integrative Autism Services

The Trellis Center provides comprehensive autism supports and focused therapies for children with a variety of communication, social, motor, and sensory needs. Our range of services includes:

- Comprehensive Applied Behavior Analysis
- Speech & Language Therapy
- Occupational Therapy

***Last year, the Trellis Center served 58 children, delivering 27,000+ service hours.***

## Psychiatric Residential Treatment

Our residential program offers 24/7 therapeutic care for children with complex mental and behavioral health needs. Kids receive individualized treatment plans in a structured, supportive setting designed to foster connection, growth and stability.

***KidsTLC's Psychiatric Residential Treatment Facility served over 200 children last year.***

## Respite Services

Respite care gives families a short-term break while providing children with structured, supportive care in a safe environment. This service supports family well-being and helps prevent caregiver burnout.

***Last year, Thrive served 67 clients, providing 397 days of respite care.***
