

Purpose of this notice:

Following the implementation of the [Common Charger Directive](#) in the European Union, Logitech wishes to inform customers that [ConferenceCam Connect](#) will no longer be available to purchase in Europe\* effective March 31st, 2025, or while supplies last. Please note that remaining availability will vary by region and by country.

In parallel, due to low demand and expiry of relevant product certifications at the end of 2024, ConferenceCam Connect will phase out in China at the same time.

ConferenceCam Connect

*\*Europe including non-EU countries Norway, Switzerland and UK.*

Product Details:

Product Name	Version & Model Number	End of Sale Part Numbers	Affected Regions
ConferenceCam Connect	Model number V-U0029	960-001034	European Union, Norway, Switzerland, United Kingdom
		960-001036	China

Replacement Products:

No direct replacement is planned for ConferenceCam Connect.

Alternative Products:

Customers may wish to consider alternative all-in-one huddle room cameras in Logitech’s B2B portfolio, including [MeetUp](#), the newly launched [MeetUp 2](#), or [Rally Bar Huddle](#).

**Remaining Availability - End Customers:**

Please place any last-time buy orders for ConferenceCam Connect as soon as possible with your local reseller. Availability is expected up to the end of March 2025, but will vary by region and by country.

**Warranty and Customer Support:**

ConferenceCam Connect comes with a standard 3-year hardware warranty, and the product will continue to be supported by Logitech's customer support team throughout the warranty period. In the event of any issues, customers may contact [www.logitech.com/prosupport](https://www.logitech.com/prosupport) in the normal way.

**Questions:**

In the event of questions related to this phase out notification, please contact your Logitech account manager.
