International Labour Organization (ILO)	2024	Global youth employment trends; NEET; school-to-work
International Labour Organization (ILO)	2023	Active labour market programs (ALMPs); impact evaluation
International Labour Organization (ILO)	2023	Green economy; just transition; youth inclusion
International Labour Organization (ILO)	2023	Skills recognition; microcredentials; youth training
International Labour Organization (ILO)	2023	Youth employment policy mapping; comparative analysis

International Labour Organization (ILO)	2023	Rural youth; decent work; sustainable livelihoods
International Labour Organization (ILO)	2023	Apprenticeships; disadvantaged youth; skilled trades
International Labour Organization (ILO)	2022	Youth rights; decent work; labour standards
YouthForesight	2023	Internships; youth transition; quality work experience
International Labour Organization (ILO)	2023	Asia-Pacific youth labor markets; regional trends
International Labour Organization (ILO)	2022	Public employment services; digital technology; Asia-Pacific
YouthForesight	2023	Youth entrepreneurship; inclusion; Asia-Pacific
YouthForesight	2022	TVET financing; Asia; comparative analysis
YouthForesight	2019	Youth entrepreneurship; financial inclusion; ASEAN
ILO / African Development Bank	2023	Women and youth; AfDB programs; economic empowerment

International Labour Organization (ILO)	2023	Agri-food value chains; rural youth employment; Africa
YouthForesight	2021	Workplace learning; apprenticeships; Africa
YouthForesight	2020	Agriculture; youth; commercialisation; decent work
YouthForesight	2023	Informal businesses; alternative finance; entrepreneurship
YouthForesight	2022	Youth with disabilities; inclusive employment; Eastern/Southern Africa
International Labour Organization (ILO)	2023	Future of work; green jobs; youth foresight
YouthForesight	2023	Skills development; employment; youth empowerment
YouthForesight	2021	Female migrant youth; decent work; Cambodia-Thailand migration
International Labour Organization (ILO)	2022	Child labour elimination; supply chains; Malawi
YouthForesight	2022	Digital skills; agripreneurs; East Africa; youth

International Labour Organization (ILO)	2024	AI; future of work; labor market exposure; Philippines
International Labour Organization (ILO)	2023	Conflict-affected areas; BARMM; skills development
International Labour Organization (ILO)	2022	Decent work; youth labor market facts; Philippines
YouthForesight	2023	Out-of-school youth; Opportunity 2.0; skills training
YouthForesight	2023	Digital economy; youth; SIDS; Philippines
YouthForesight	2023	Skills development; employment; youth empowerment
International Labour Organization (ILO)	2023	Youth labor markets; school-to-work transition; Rwanda
International Labour Organization (ILO)	2022	Fragile states; youth employment; resilience
YouthForesight	2019	Rwanda youth employment overview; scoping
YouthForesight	2020	Youth preparation; productive employment; Rwanda

YouthForesight	2021	Horticulture; value chains; agri-employment; Rwanda
Youth Agri Hubs / R-YES	2022	Agricultural youth employment; R-YES program; Rwanda
YouthForesight	2020	Entrepreneurship mindset; firm performance; Rwanda

Key Findings / Scope

Overview of youth employment challenges in Cambodia; analysis of National Strategic Development Plan priorities; unemployment and migration trends

Summary of DEY Phase 2 (2020–2023) supporting 170,900 youth through skills training, entrepreneurship, and employment services; industry-driven competencies

Regional analysis covering the Philippines and Southeast Asia including Cambodia; impact of pandemic on youth employment; policy responses

Covers the 2018–2022 period; highlights skills development as top priority; school-to-work transitions; youth employment as strategic goal under Cambodia's NSDP

Assesses changes in employer demand and skills gaps during COVID-19 in Cambodia; youth workforce implications in garment and other sectors

First in a series from the ILO-CIDA PYEP project; reviews 20-year labor market trends; youth unemployment and participation rates vs. general workforce

Profiles NEET youth in the Philippines using LFS 2019–2020 data; analyzes TVET participation; identifies barriers to training; 16.9% NEET rate in January 2020

Analyses JobStart Philippines program pilot (2014–2015); 1 in 4 Filipinos aged 15–24 were NEET in 2013; program expanded nationwide by 2016 legislation

Evaluates ADB subprograms 1–3 (2015–2022); NEET rate fell to 12.9% by July 2022; youth unemployment reached 9.5% by end-2022; ~550,000 TVET graduates added

Reviews government programs (JobStart, SPES, TESDA) targeting youth; analyzes budgets 2016–2021; discusses COVID-19 disruptions and pending apprenticeship legislation
Comprehensive overview of Rwanda's youth labor market; inventory of available research; gender gaps in employment hours and unemployment; urban vs. rural dynamics
RCT comparing Huguka Dukore vocational training vs. GiveDirectly cash transfers for youth aged 18–25; cash outperforms training on most economic outcomes; medium-term resilience findings
Reviews existing YEPs and interventions in Rwanda; over 75% of youth are NEET; identifies supply-demand mismatch; covers NYP, VUP, Huguka Dukore, AK2 programs
Part of ILO 7-country SSA series; uses YouthSTATS data; covers employment-to-population ratios, NEET rates, gender gaps; discusses key policy frameworks 2017–2024
Final report of 5-year HDAK project (2016–2021): 40,097 youth trained in 25 districts; 68.1% found employment; 5,780 youth businesses created; TVET curriculum integration
ICR for Rwanda's Kirehe Community-Based Watershed Management Project (KYEOP); youth unemployment rose 50% (9%→13.4%) nationally 2017–2022; beneficiaries showed strong earnings gains
Examines youth labor market challenges; high share of young people outside labor force; 89% of employed in informal sector; structural barriers to formal employment for youth
Assesses large-scale YE initiatives in Malawi; youth unemployment estimated at 40.5% (ILOSTAT 2017); 70%+ youth self-employed in informal sector; maps public and private initiatives
Analyses IHS5 2019/20 data; maps NEET determinants by gender; discusses risks of early marriage; recommends policies to re-engage youth in education and employment post-COVID-19

Comprehensive labor market profile; maps qualifications mismatch, NEET rates 2014–2020, education enrollment; COVID-19 impacts on service and industry sectors

Mixed-methods study of determinants of youth engagement in agribusiness in Malawi; youth unemployment at 27.5% (ages 15–24); recommends extension services and practical agribusiness training

Covers Ethiopia, Malawi, Niger, Nigeria, Tanzania, Uganda; analyses employment in informal and agricultural sectors; nonagricultural informal sector dynamics in rural/urban Africa

ILO flagship report on global employment and social trends; covers youth labor market conditions worldwide

Reviews progress and policy actions across G20 countries on youth employment in 2024; benchmarks national policies

ILO flagship biennial report; covers global youth unemployment and NEET trends; post-COVID-19 recovery; regional breakdowns

Synthesises evidence on effectiveness of ALMPs for youth; covers training, wage subsidies, public works, and employment services

Examines how youth can be included in the green transition agenda; decent jobs in low-carbon sectors

Analyses how microcredentials can support youth employability and lifelong learning; reviews global initiatives

Comparative analysis of youth employment policy patterns using two global datasets; identifies trends across regions and income groups

Focuses on rural youth employment challenges and opportunities; agriculture, green economy, and rural diversification
Examines barriers and opportunities for disadvantaged youth in apprenticeship programs in skilled trades globally
Practical guide for young workers on their rights at work; covers fundamental labour rights, safety, and fair treatment
Reviews the state of internships globally; quality standards, access gaps, and policy recommendations to scale decent internships
Regional overview of youth employment trends in Asia and the Pacific; sector analysis, NEET rates, school-to-work transitions
Reviews how technology (digital platforms, AI tools) is being used in public employment services across Asia-Pacific to support youth job-seekers
Examines inclusive entrepreneurship approaches for marginalised youth (women, rural, persons with disabilities) in Asia-Pacific
Comparative study of TVET financing mechanisms across six Asian countries; relevance for Cambodia and the Philippines
Outlook on youth entrepreneurship and financial inclusion barriers in ASEAN and SAARC regions; relevance for Cambodia and the Philippines
Documents AfDB-supported interventions to empower women and youth economically across Africa; relevant to Rwanda and Malawi

Presents the ILO JobAgri initiative to promote decent employment along agriculture and agri-food chains in Africa; applicable to Malawi and Rwanda
Synthesises evidence on workplace-based learning approaches and their effectiveness for youth employment outcomes in sub-Saharan Africa
Examines youth experiences in commercialised agriculture across Africa; working conditions, hazards, and opportunities; applies to Malawi and Rwanda
Policy paper on alternative financing mechanisms (mobile money, blended finance, community funds) to support youth entrepreneurship in the informal sector across SSA
Maps learning-to-earning pathways for youth with disabilities in Eastern and Southern Africa; relevant to Rwanda and Malawi contexts
Report from ILO's Global Accelerator Future Foresight Lab in Cambodia; focuses on emerging employment trends and opportunities for Cambodian youth
Documents outcomes of multi-country skills and employability programme covering Cambodia and the Philippines; covers TVET and work-readiness interventions
Examines decent work access for young Cambodian female migrant workers in Thailand's seafood sector; labor rights and recruitment practices
Documents progress and calls for further action on child labour elimination in Malawian supply chains; implications for youth employment policy
Assesses digital readiness of young agricultural entrepreneurs in East Africa including Malawi; identifies barriers to digital adoption and recommendations

Analyses Philippine labor market exposure to generative AI; identifies at-risk occupations and youth workers most affected; policy implications
Documents ILO support for youth employment and skills development in the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM); fragile context programming
Compiles key facts and trends on youth and decent work in the Philippines; covers employment rates, NEET, wages, and working conditions
Documents the Opportunity 2.0 program experience in the Philippines; targeting out-of-school youth with integrated employment and education services
Examines digital transformation impacts on youth livelihoods in small island states including the Philippines; gig economy, e-skills, and inclusion
Documents outcomes of multi-country skills and employability programme covering Cambodia and the Philippines; covers TVET and work-readiness interventions
ILO country brief on Rwanda's youth labour market; employment-to-population ratios, NEET, gender gaps, transition indicators; part of ILO/MCF series
Case studies on programming for youth employment in fragile and conflict-affected situations; includes Rwanda as a post-conflict context example
Scoping paper mapping the youth employment landscape in Rwanda; key challenges, existing interventions, and evidence gaps
Documents approaches to preparing Rwandan youth for productive employment; skills, work readiness, and linkages to private sector

Analyses Rwanda's horticulture sector value chain and identifies employment opportunities for youth; agribusiness entry points and constraints

Documents experience from the Rwanda Youth Employment in Agriculture (R-YES) programme; links agri-hubs to youth employment in rural areas

Investigates the relationship between entrepreneurial mindset and business activity at firm level in Rwanda; implications for youth enterprise support
