

**Purpose of this notice:**

Due to the end of manufacturing for this model, Logitech announces the phase out of the Logi Dock Flex product. This notification is the official communication that [Logi Dock Flex](#), with its associated spare parts and extended warranties, will reach End of Sale globally, effective **June 30th, 2026**, or while supplies last.

We wish to advise our partners and customers that the remaining supply of Logi Dock Flex is extremely limited, and availability will vary by region and by country. Part numbers with no remaining supply as of the date of this notice are highlighted in the table below. Please work with your Logitech representative to secure supply as needed.

**Logi Dock Flex**

**Remaining Availability - Distributors:**

Distributors are advised to place Last Time Orders for [Logi Dock Flex](#) as soon as possible, with a target Last Time Ship date from Logitech distribution centers before the end of June 2026. Availability of the remaining supply from distributors and resellers may vary by region and by country.

**Warranty and Customer Support:**

[Logi Dock Flex](#) comes with Logitech's standard 2-year hardware warranty, and the product will continue to be supported by Logitech throughout the warranty period. Customers who have purchased a 1- or 3-Year Extended Warranty option, or who have coverage under Logitech Select, will receive full warranty support up to the contracted term. See the [Logitech End of Support Policy for CollabOS Devices](#) for more detailed information.

**Questions:**

In the event of questions related to this end of sale notification, please contact your reseller or Logitech Account Manager.
