Status	Letter Ballot
Date of Last Update	2025/06/17
Person Assigned	David Clunie mailto:dclunie@dclunie.com
Submitter Name	Janet Keyes
Submission Date	2025/01/07
Correction Number CP-2488	
Log Summary: Replace DCM code for Margin with SCT code	
Name of Standard	
PS3.16	
Rationale for Correction:	
During the review of CP 2408 it was noticed that there are DCM and SCT codes for Margin/Margins/Marginal.	
SCT:112233002 "Marginal (qualifier value)" has Marginal, Border, Margin, and Verge as synonyms.	
Replace DCM:111037 with SCT:112233002 throughout.	
Harmonize meaning to singular noun form "Margin", since uses as a noun refer to singular margin of a lesion, even though there may be multiple characteristics of that margin.	
<i>[Ed.Note. Check the suggested replacement of the Japanese code meaning 辺縁 ("periphery") with 境界 ("boundary") is appropriate.]</i>	
<i>[Ed.Note. Update release of standard from yyyyX to past release when FT.]</i>	
Correction Wording:
