Foreword

My wife and I knew something was wrong with our world in 2017, but when we tried to talk to others about it we were labeled “conspiracy theorists” by friends and family alike. One person even used the term “stark raving lunatics”. Our support circle grew smaller every week and we felt alone. Then, in early 2018, we heard about a local group, led by a fearless Anon that went by the name “Mel Q”, that actually met and spoke of Q, Anons, and conspiracies. Our lives changed, our circle of support grew, and we didn’t feel so crazy or alone anymore.

Over the next several months, Mel Q explained our world to us as we watched conspiracies turn into realities. Her uncanny ability to tie together Q Drops with news events (decode) was amazing. So amazing, she was banned multiple times on social media for exposing the corruption that big tech and the MSM has vowed to protect.

For over four years now, we’ve trusted Mel Q to make sense of the world.

Have you finally recognized that something just isn’t right about the world you live in?

If you keep an open mind and read the blogs, it will start to make sense to you, too.

But there aren’t any Cliff Notes! You will actually have to put in the work, perform your own research, and reach your own conclusions. Fortunately, Mel Q provides lots of links to her source materials to make that relatively painless. Let your Great Awakening begin!

Preface

What is Q?

Q (17) is a White Hat (WH) intelligence operation that bypasses the mainstream media. Originally conducted in 2017 on anonymous chat sites like 4chan, then 8chan, and finally [8kun](#), the [Q drops](#) garnered massive attention because of their Socratic question format. Getting Anons (Frogs/Pepes/Digital-Soldiers) to research and find out for themselves what the mainstream media was hiding from the public. Anons soon discovered that there were hidden codes and multiple meanings in the drops which started what is known as a Q decode. This was simply one more way that the [Q drops](#) get around declass laws or issues. Anons started to publish their decodes and research findings all over social media, getting banned and shunned as a Q-Anon or conspiracy theorist, even though they were posting with sources. Decodes became valid in the Q community because of the timestamps and words in Q drops exactly matching those of President Trump (Q+) and other people in his administration. The mathematical probabilities of this consistently happening were just too impossible to argue.

I have been researching Q drops since 2018 and originally posting my findings on Twitter before being banned multiple times. Especially after August 2020 when President Trump retweeted one of my posts about Covid deaths being linked to comorbidities and the actual death count was more like 6%. Some of the research for these blogs and smaller posts also comes from my Telegram channel <https://t.me/littlemel>, along with my research group the 'Digger Pepes', as well as other Patriots contributing. My Telegram channel started in January 2021 when we were all banned from Twitter along with President Trump. Lots of news has unlocked the [Decode Keys](#) to these drops which I have collected and keep updated in spreadsheet. These posts are also heavily sourced to ward off any fake news or conspiracy labels.

I have finally compiled these posts into this book to make it easier for folks to share and understand. I feel decoding is an art form and it has become very intuitive for me after doing it for so many years and I have kept most of the original decodes intact for that reason. If you are newer to Q, reading the entire Telegram channel as well as viewing all the links located in the "[New To Q?](#)" link will help you to understand Q, the abbreviations, euphemisms and the drop interpretations in this book.

To say the Q drops are biblical is an understatement. We are actually in the great tribulation of Revelation. Discernment is your guide; all secrets will be revealed and quite a few are in this book. So, buckle up and welcome to the Great Awakening. ~ *Mel*

16 Year Plan to Destroy America

2008-2016 Barrack Obama, First 8 years, Goal: Weaken USA Globally

1. Install Rogue Operators in Government

Sacred bloodlines make up the pyramid of the Cabal/Illuminati and they are the main Puppet Masters. The Rothschilds, scam the world with a fake fiat central banking system using debt and usury. It is rumored that they own the Federal Reserve. This is a privately owned bank and yet is accepted in America as a normal government entity. They are also connected to the Vatican through long standing loan debts. The Rockefellers controls the oil and "pipelines". The Morgan's control the gold. These names make up the top 3 of the pyramid. Peter [P]oker Wallenberg and his brother Jacob [W]allenberg (No Name) are above them on the pyramid and the all-seeing eye at the top is Queen [E]lizabeth II.

The next part of the pyramid was the House of Saud including Prince Alwaleed bin Talal. The House of Saud, whose family originated in Jewish roots, was involved in major sex trafficking and connections through Big Tech. Their corrupt connections were cut in 2017 when Prince Muhammad Bin Salman took over the throne. Some Saudi royal members like Alwaleed were heavily involved. Dr. Khalid al-Mansour and Alwaleed were responsible for Barack Obama's Harvard education through "HUMA", Harvard University Muslim Alliance and his connections put him and Obama's Former Senior Advisor Valerie Jarrett in the White House.

George Soros and his organization Open Society connected through the Clinton Foundation, comes next with funding organizations responsible for supporting the Cabals agenda. He funds the International Consortium of Investigative Journalists (ICIJ) & Fake News. Connections such as all the Dominion/Smartmatic voting machines, Pharma/Vaccines, DLA Piper, Perkins Coie, Loop Capital, CrowdStrike, Fusion GPS, Microsoft, Red Cross, Red Org, BLM, Antifa, Big Tech/Silicon Valley, Big Oil, Muslim Brotherhood, MS13, ISIS, climate change funding and many others. He is responsible for Hillary Clinton's placement as Secretary of State.

This top part of the pyramid is also connected throughout the world. Starting in the UK with the Royal Family it then branches out through Europe and the United States & North America, Europe, Asia, Australia, South America and Africa. The Cabal > Deep State is also heavily embedded in UK, Israel, US, China, Russia, Ukraine, North Korea, Iran, Pakistan and other areas. These heavily embedded areas include connections to intelligence agencies in each of these regions, a few examples are the CIA, MOSSAD, MI6 and Russian Intelligence. A percentage of agencies are involved with using sexual blackmail to help the Cabal control governments around the world. They spy on everyone which means they have the dirt on everyone.

Q4799 - When does a Church become a playground? When does a Church become a business? When does a Church become political? When does a Church become corrupt? When does a Church become willfully blind? When does a Church become controlled?

The Illuminati Satanic cult and the NWO are also connected to the Vatican. The Vatican, like the City of London and the District of Columbia, are considered separate corporations. They have their own ambassadors and police. The Vatican and the Illuminati Cabal worship the devil. They have hidden a lot from the world in the Vatican archives. The Vatican controls the world through religion, the City of London controls it through currency, and DC controls the military forces. Their goal is to ultimately set up a New Jerusalem Temple of Lucifer with a one world government and a one world religion. The Freemasons are deeply embedded inside the church, especially through the World Council of Churches. The Catholic Church and The Freemasons will use a smoke screen of a long standing war between them to ward off anyone looking for current connections between the two, but it is just a facade.

D5 Last Resort and Solar CME

The Cabal > Deep State uses money and force for control. They utilize a network of spies and use blackmail to accomplish this. They have an armada of shipping container vessels that are equipped with Club-K's in the [D5](#) shipping containers themselves, which usually house four missiles inside each one. The missiles were obtained from North Korea during the Uranium-1 deal.

Their 'D5 Last Resort' plan includes launching these missiles at the sun to create a Solar Coronal Mass Ejection [CME](#) with the assistance of Elon Musk's SpaceX and Tesla's partnership with California Solar. The Cabal plans to use this D5 last resort plan if any of their darkest secrets regarding satanism, adrenochrome and human/drug/gun trafficking using the same armada of ships. They would rather destroy the world than let the truth be known.

Q100 - Who is the Queen of England? (Queen Elizabeth II) **How long in power?** (68 years) **With power comes corruption...** ...Wealth. Corruption. Secret society. Evil. Germany. Merkel. Migrants. **Why are migrants important?** Assets. **What are assets?** Define assets? **Why are migrants so important?** **What are assets?** **Why are migrants so important?** **What are assets?** (Assets are usually missing children picked up by the Cabal and groomed into whatever they need to be, like Mockingbird media or politician or Hollywood pop star) **Why are migrants so important?** (Migrants are used as assets, no one will miss them) **Operations. Satan. Who follows?** (The Cabal) **What political leaders worship Satan?** (Hillary and Bill Clinton, John Podesta) **What does an upside down cross represent?** (Baal. Satan. Molech.) **Who wears openly?** (Chelsea Clinton) **Why?** (She worships Satan) **Who is she connected to?** (Hillary & Bill Clinton) **Why is this relevant?** (She was groomed into it) **Spirit cooking. What does Spirit Cooking represent?** (Satanic Rituals and Worship, Child Sacrifice) **Cult. What is a cult?** (A group of people whose religious practices are regarded by others as strange or sinister) **Who is worshiped?** (Baal. Satan. Molech.) **Why is this relevant?** (Human sacrifices are used to increase power) **Snow White** (CIA Spy Operations and Poison Apple Gravity) **Godfather III** (Vatican corruption involved) **Speed. Q1929 - How the intelligence apparatus (CIA/Mossad) , State Dept, and Dept of "JUSTICE" of the United States, in joint effort w/ our (x) (Queen Elizabeth II) primary foreign allies + other covert assets, as directed by HUSSEIN [WH] in coordination w/ HRC, colluded and conspired to RIG THE PRESIDENTIAL ELECTION OF 2016 in an effort to install HRC, frame POTUS (PROJECTION!), (Obama using Warheads to coerce compliance using ship CME/missile system, including removing President Trump) create emergency contingencies re: installation of SAFEGUARDS and FIREWALLS(create emergency contingencies to protect Wallenbergs' and the Queen) to PREVENT EXPOSURE OR CONTINUATION OF PRESIDENCY SHOULD COUNTER FAIL TO ENSURE OPERATORS, ACTORS, AGENTS OF POWER, PAST & PRESENT,(the Cabal >Deep State> CIA/Mossad must remain in control) REMAIN IN CONTROL, AND USE SOURCES/COVERT ASSETS OF THE FAKE NEWS MEDIA TO CARRY OUT X-FRAME(Queens plan to frame President Trump) BARRAGE OF STRATEGIC COORDINATED [GUIDED](guided missiles) ATTACKS DESIGNED TO DIVIDE, COVER/SHELTER, JUSTIFY IMPEACHMENT/REMOVAL IN EFFORT TO REGAIN CONTROL AND PREVENT PUBLIC AWARENESS OF ILLEGAL, CRIMINAL, TREASONOUS ACTS

Key ('Key'stone is the Royal Family/Queen) areas to control the U.S. are California and New York. Spies are placed accordingly through CCP & CIA/Mossad.

Q4935 - hunter-biden-china-joint-venture-key-contacts "Key (Queen Elizabeth II) domestic contacts for phase one target projects." Harris, D-Calif. Senate Minority Leader Chuck Schumer, D-N.Y. Sen. Amy Klobuchar, D-Minn. Sen. Dianne Feinstein, D-Calif. Sen. Kirsten Gillibrand, D-N.Y. Gov. Andrew Cuomo, D-N.Y Mayor Bill de Blasio, D-N.Y.C former Virginia Gov. Terry McCaulliffe, among others. Pandora's 'political elite' box? Q
###

The CIA/MOSSAD use "Madams" like Alex Adam, Heidi Fleiss, Allison Mack and Rachel "Ray" Chandler to gather assets and groom victims for sexual blackmail. For example, Ray Chandler was used at locations like the Standard Hotel and Epstein's Island. She is connected to the Rothschilds through her Hollywood friends like Nicky Hilton. She has many connections to Hollywood, Royals and Government leaders as well as Satanic connections like "spirit cooker" Marina Abramovic who was outlined in the Podesta email leak. Madams like her use blackmail to secure power around the world for CIA/MOSSAD with evidence, filmed or otherwise, of powerful individuals doing unconscionable things. Already shown by Allison Mack's involvement with NXIVM, she was the Madam for that cult and groomed victims in much the same way as sex slaves and Ray Chandler = Allison MACK x 100. Mack was also connected to the Rothschilds through the Bronfman family. Britney Spears may have been a victim of their grooming and her recent Instagram posts imply she may tell their secrets. They openly flaunt satanic symbolism in art, hand signals, jewelry and many other ways thinking no one will ever figure out their secrets, but this symbolism will be their downfall.

Q9 - ...D's (Deep State) can't lose control over the black population.(satanic Hollywood/music industry) At some point the great awakening will occur whereby these false local / national

black leaders are corrupt and paid off to help keep the black pop(satanic Hollywood/music industry) **poor and in need. D's (Democrats) formed the confederate states against freeing slaves. D's (Democrats) formed the KKK. HRC's mentor is who?** (Senator Robert Byrd) **What happens if the truth about Haiti is released?** (They lose control. The world wakes up to their trafficking scheme) **Do D's(Democrats) lose majority of the vote? Through the looking glass. They rely on the MSM to keep the narrative going but tech is entrenching on their controls. They missed this in 2016 and desperately attempting to censor now due to CIA cash infusions. This will fail.**

Q19 - ...What happens if D's (Deep State) lose the slave grip on the black pop (satanic Hollywood/music industry)? **Why do D's, through the funding of the CIA, prop up and install Hollywood/media assets?** (control) **Does this fall within Operation Mockingbird?** (yes, asset placement) **What were the historical advantages D's (Deep State) gained by having MSM and famous people peddling narrative?** (control human population) **Who exposed the pedo network within H wood? You can't answer the above but will laugh once disclose details. The network which controls this false narrative which in turns keeps the black pop** (satanic Hollywood/music industry) **under control is being dismantled...**

This lines up with the CIA/MOSSAD honey pots like Rep Adam Schiff's Standard Hotel, where he and his friend's rape and murder children. Others are Epstein's Pedo Island with help from Ghislaine Maxwell, the 3 Adrenochrome [HUMA Ghosts Ships](#) of child sacrifice & Hugh Hefner's playboy scheme, all to control Hollywood, Politicians and World Leaders to stay in power. This is one reason our government is the way it is now, corrupt and blackmailed beyond repair.

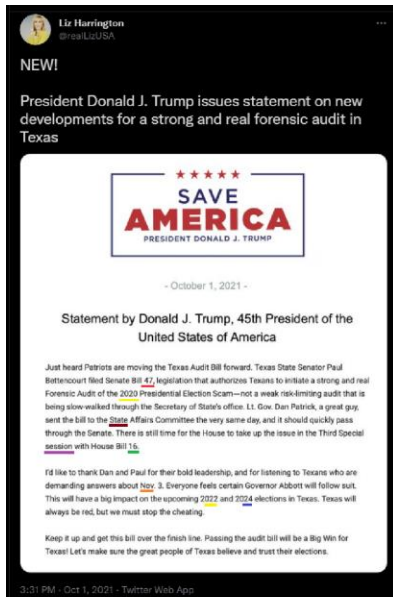

Q160 - You guys are missing the importance of Hugh Hefner! Think of it this way. >Hugh invites over celeb/politician >Hugh offers them "something younger" >Hugh offers them a "safe space" to do it in >Hugh tapes encounter >Sends tape to CIA >CIA has person by the balls for LIFE. This is MAJORLY IMPORTANT to what has been keeping people in control for so long!

CIA/MOSSAD agents Jeffrey Epstein and Ghislaine Maxwell committed many of these crimes on Little St James Island. The DOJ has evidence of it and it may even be part of Declas, many exhibits detail what FBI/DOJ/SDNY knew about the duo. Maxwell is also going through court proceedings to allow her evidence to become public as well. Once released this would allow for another Executive Order, 13818 Blocking the Property of Persons Involved in Serious Human Rights Abuse or Corruption, to apply. Any Government official or person acting for or on behalf of such official, found to be responsible for or complicit in or to have directly engaged in, serious human rights abuse, their funds will basically be blocked and ultimately seized and forfeited.

The Deep State has a history of "painting the roses red". They make lots of mistakes and need to "fix things" when they leak out. All the laptops, like Hunter Biden's and Anthony Weiner's, have massive amounts of evidence of their heinous crimes against children and treason. NYPD officers were murdered because they saw this evidence on Weiner's laptop. The Deep State also has control of Southern District of New York (SDNY) which explains why they are always going

after Trump and always able to control the justice system from that area with their ship missile system.

State Secrets Privilege, States v. Reynolds decision in the Supreme Court, is how the Military Intelligence Complex hides from other branches of the government, including Presidents. The Deep State is running amok in our government by funneling money into special access programs. They spy on everyone, which allows for blackmail. Similar laws are used in other countries as well and they can get away with anything by applying the law. Bush Sr, GW Bush, and Truman had a hand in setting it up this way. It's another reason 9/11 was created, so they could set up more laws like the Patriot Act as a power grab. George Soros, who is a Rothschild's Cabal puppet, has his money tied into the democrats and media. This fact and States Secrets Privilege, is how the Cabal stays in control of our government.

CHAIRMAN OF THE COUNCIL OF THE INSPECTOR GENERALS ON INTEGRITY AND EFFICIENCY [BACKGROUND] IMPORTANT?
"Prior to joining NSA, Mr. Storch served in several positions at the Department of Justice's OIG, including as Senior Counsel to the IG and Acting Deputy IG prior to his 2015 appointment as Deputy IG. He also served as chairman of the Council of the Inspectors General on Integrity and Efficiency (CIGIE) Whistleblower Ombudsman Working Group. The Whistleblower Ombudsperson program he helped establish is widely seen as a leader in the field."

NSA been pushed since the beginning?
Logical thinking.
The "Experts"
But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP
But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP [team of less than 20 typically] & wait 2-4 years [take a gamble]
But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP because unlike the CLINTON EMAIL CORRUPT CASE [as demonstrated by the FBI/DOJ people FIRED/REMOVED] this will be conducted faithfully and honestly [like MUELLER]
But... HUBER has not 'directly' interviewed several witnesses therefore the appointment of HUBER by SESSIONS [and therefore the IG] is not genuine
But... SESSIONS & HUBER are following standard DOJ open/ongoing investigation policy by not discussing [making public] so therefore nothing must be happening [FIRE SESSIONS!]
But... HUBER [ability to prosecute + empanel a grand jury outside of DC [90%+ voted HRC (2016)], who already began the investigation(s) late last year w/ assigned team of 470 investigators (attorneys) + IG + legal jurisdiction across all 50 states, is not a 'special counsel' so therefore nothing is being done
But... POTUS is attacking SESSIONS via TWITTER so therefore he is not working on behalf of the people's interest (or POTUS) [D's/LEFT LOVE/TRUST SESSIONS!]
But... interestingly, if nothing is being done behind the scenes, why are so many FBI & DOJ senior officials being FIRED and/or REMOVED from their respective positions of power? Who is AG? Who must sign off on each removal? DOJ in charge of FBI?
But... interestingly, if nothing is being done behind the scenes, why are there 50,000+ sealed indictments across the US [what % = USA v. X?]? Coincidence vs. HUBER start?
But... interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_POTUS did the SPEAKER OF THE HOUSE indicate wanting to leave politics?
But... interestingly, if nothing is being done behind the scenes, why are human trafficking arrests SURGING?
Nothing to See Here.
Q

How about a nice game of chess?

(D5 is a chess move and also part of a last resort plan by the Cabal>Deep State to use a ship missile system to keep what they have; it also has the ability to create a Coronal Mass Ejection CME from the sun to create a mass extinction event. Wallenberg used to push Covid/vaccines, Democrat wish lists, cover Joe Bidens mistakes, vote by mail scam and it was used to weaken the election, but with President Trump taking over it will eliminate any strategic positions the Cabal> Deep State held. There is also a life size chess board on Richard Branson's Necker Island)

IG Horowitz ("Justice" Dept) speech – 'whistleblowers'

(The signaling method, a phone, used to launch a missile from the ship missile system, to deter anyone speaking out against the Cabal>Deep State. SecureDrop, hosted by Apache, was an open-source whistleblower program that allows the media to install and accept testimony from anonymous sources. The CIA was actually in charge of the program so this helped them to weed out and eliminate whistleblowers like John Perry Barlow, an internet free speech pioneer.)

(The Uranium One deal allowed for the Cabal to build an armada of ships with miniature depleted uranium nuclear missile capabilities using Club K shipping containers. These are also equipped with Direct Energy Weapons DEWs and fitted on container ships around the world.)

Iran, Russia and North Korea get 20% of US Uranium in connection with Gulfstream, Crescent Petroleum and Rosetec/Rosoboronexport, which they also used to produce Club K missile systems. Also connected through Project Pelican and Gulfstream's Port Canaveral completed in 2018 which allows them a 35-year cargo container terminal lease. This allowed them to have their armada of ships with shipping container missiles systems based in the US as their "military" presence.)

Federal prosecutor in N. District of NY [background] important?

(The Southern and Northern District of New York SDNY/NDNY are a strategic position for the Deep State. Holding all of the AG's and Judges in that area helps them control the Judicial system. It also happened to be the jurisdiction for all the important evidence like the Weiner laptop, Clinton Foundation case, Epstein evidence collection and Ukraine. These were all buried or made to disappear, any attempt to remove Judges or AG's results in the use of the ship missile system.)

CHAIRMAN OF THE COUNCIL OF THE INSPECTOR GENERALS ON INTEGRITY AND EFFICIENCY [BACKGROUND] IMPORTANT?

(Adam Schiff, CHAIRMAN of the House Intel Comm and has foot soldiers to help keep the Cabal>Deep State in control. He was caught leaking classified information in order to damage President Trump. Former acting Director of Intelligence Richard Grenell called Adam Schiff out for leaking classified information and for not coordinating on DNI reforms. He has been repeatedly asked to do the latter for years. President Trump said he should be investigated for leaking intelligence. He was caught lying to the press about having Russia/Trump evidence which was soon proved wrong when the actual documents were released with no such evidence. President Trump purposefully left Schiff out of the Abu Bakr al Baghdad operation because Washington is a "leaking machine". Schiff often compromised integrity and has proven to be a bad faith actor, all for partisan politics. He lied about the Ukraine phone call. The President read the transcript out loud for all to hear and Schiff still lied about it reading his own "parody" of a transcript which the public believed to be real.

Prior to joining NSA, Adam Schiff used the missile ship system to deter whistleblowers from coming forward, using phones to control missile launches to make sure any attempts at whistleblowing did not come to light.)

"Earlier in his career, Mr. Storch also worked as a federal prosecutor in the Northern District of New York, most recently serving as the Deputy Criminal Chief and Counsel to the U.S. Attorney. He was also posted overseas for two years as a Department of Justice Resident Legal Advisor in Ukraine."

(Any Northern or Southern District of New York AG's or Judges not serving the Deep State will be kept in line with the ship missile system. The same applied for Ukraine. Any politician's or leaders will comply due to the ship missile system.)

Red Cross, Foreign Aid and funding through the Paris Accords supported their human/weapons/drug trafficking schemes. According to foreignassistance.gov; Bill and Melinda Gates Care and supported Save The Children have funds coming from the U.S. Department of State; Bureau of Population, Refugees, and Migration. Jeff Bezos Amazon, Red Cross and China's World Health Organization have funds coming from the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. These are just a few of the organizations that US Taxpayers fund through Foreign Aid programs. It also goes to unknown or unverified vendors to Pakistan, Afghanistan, Africa, Haiti, Israel, North Korea, Kazakhstan, Kyrgyzstan, Tajikistan, Vietnam, India and China, the bulk of which comes through the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. The Paris Accords is just one more way to get taxpayer money through their GCF fund, which funnels money to places like North Korea, even they claim US humanitarian aid is sinister scheme. The Red Cross's Gail McGovern's has a history of corruption with Hillary Clinton , The Red Cross also has a history of connections to the Rothschilds and Wallenbergs. These slush funds help to pay for their Deep State Shadow Government.

How might this benefit 'possible' ongoing investigations across inter-intra federal agencies?

(Knowing all available information ahead of time allows for counter moves to be planned)

HUBER >> HOROWITZ >> STORCH

(Jeff Huber of Google >> Direct Line via phone >> Adam Schiff)

US ATTORNEY (PROSECUTOR) >> DOJ/FBI INSPECTOR GENERAL (INVESTIGATOR) >> SIGNALS INTELLIGENCE (SIGINT) AND INFORMATION ASSURANCE (IA) PRODUCTS AND SERVICES

(Adam Schiff's foot soldiers use the threat of signaling the ship missile system to assure information, products and services are obtained.)

<https://www.justice.gov/usao-ut/pr/attorney-general-jeff-sessions-appoints-utah-us-attorney-john-w-huber-leadership-position>

(My Telegram sessions advise public of their ship missiles system and Jeff Huber's role in the scheme with direct oversight from Adam Schiff)

NSA been pushed since the beginning.

(NSA won't be pushed anymore, it's time to push back)

Logical thinking.

The "Experts"

(NSA Wizards and Warriors)

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP [team of less than 20 typically] & wait 2-4 years [take a gamble]

(My Telegram will expose that Hillary Clinton and Adam Schiff controlled and surveilled the swamp via the ship missile system. They spied on the House, the Press and the Senate as well as the Intel Committees. They also spied on President Trump and Senator Cruz during their 2016 Presidential Campaigns. There were 2-4 ports open on Hillary Clinton's server which allowed remote access to the data anywhere in the world including the UK and China)

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP because unlike the CLINTON EMAIL CORRUPT CASE [as demonstrated by the FBI/DOJ people FIRED/REMOVED] this will be conducted faithfully and honestly [like MUELLER]

(My Telegram will expose that Adam Schiff gave Hillary Clinton access to the Special Access Programs SAPs which led to her email scandal. Schiff and Clinton used the ship missile system threat to make sure it was conducted properly.

Leaked intel was received by China via Hillary Clinton's private bathroom server. Clinton used a personal email and computer to conduct official government business which goes against government policy. It was set up with limited security hardening which made it vulnerable to intrusion and theft as early as March 2013. She used non-government IT staff to maintain it which also goes against government policy. Germany and South Korea also had access to the server.

Hillary Clinton purposely used outside servers and a Shadow IT, Bryan Pagliano and possibly others, who did not have clearances to leak Special Access Programs SAPs information out. Using her personal email allowed her to avoid any FOIA requests since she wasn't using an official government email. Obama knew about the servers and condoned it. SAPs are the most clandestine activities and are designated above Top Secret. Many emails had "born classified" information on them, meaning classified from the start. IG reports showed some emails on the servers were there as early as 2009. The IG report was modified and redacted by Rod Rosenstein which left out additional classified information. President Trump's attempts to declassify original unredacted reports were met with the Cabal > Deep State threat of ship missile systems and could not be released.

When asked to produce the email evidence, Hillary Clinton deleted approximately 30,000 of the 60,000 emails and her servers were wiped clean, showing intent to deceive.

The classified information leaked did irreparable damage to national security since some contained information on the Drone program and had the names of CIA, NSA and other intelligence officers in them. This led to the Tarmac meeting between Former President Bill Clinton and AG Loretta Lynch that I mentioned above. In exchange for Hillary's exoneration, Lynch would get a seat on the Supreme Court. AG Lynch held up her end of the bargain, but Hillary didn't win in 2016 so she couldn't fulfill her promise to AG Lynch. The Comey FBI report, altered by Peter Strzok, downplayed the incident from "gross negligence" to "extremely careless", helping to cover up her crimes.

Clinton was also allowing political access for donations to her Clinton Foundation CF, known as “pay for play”. CF has also been accused of money laundering in the past. Romanian Marcel-Lehel Lazar aka Guccifer was able to hack into Sidney Blumenthal’s AOL account that showed correspondence to Hillary Clinton as early as March 2013.

The State Department was used for spying for Clinton. According to Wikileaks, diplomatic cables were released in 2010 outlining the spying on foreign diplomats including the UN. This information was also stored on her bathroom server.

But... HUBER has not ‘directly’ interviewed several witnesses therefore the appointment of HUBER by SESSIONS [and therefore the IG] is not genuine

(There are many witnesses to the ship trafficking scheme that will come forward now because the threat by Schiff’s foot soldiers is no longer genuine. Securing most of the ship missiles systems from the Cabal>Deep State meant everything. This will bring severe pain to DC. You are witnessing, firsthand, the demise of the Old Guard. They can no longer hunt and are now the hunted.)

But... SESSIONS & HUBER are following standard DOJ open/ongoing investigation policy by not discussing [making public] so therefore nothing must be happening [FIRE SESSIONS!]

(Permission given to report on Huber and the human trafficking ship scheme despite the threat of ship missile system)

But... HUBER [ability to prosecute + empanel a grand jury outside of DC [90%+ voted HRC (2016)], who already began the investigation(s) late last year w/ assigned team of 470 investigators (attorneys) + IG + legal jurisdiction across all 50 states, is not a ‘special counsel’ so therefore nothing is being done

(There were 470 provisions in laws passed before 1976 that gave President’s emergency powers in the National Emergencies Act NEA. These emergency powers were already in effect last year against Schiff’s foot soldiers who recently lost 90% of their ship missile armada in ongoing military operations)

But... POTUS is attacking SESSIONS via TWITTER so therefore he is not working on behalf of the people’s interest (or POTUS’) [D’s/LEFT LOVE/TRUST SESSIONS!]

(President Trump attacking me via Twitter was optics, my Telegram sessions are absolutely working for the people’s interest and Trump loves to troll the Deep State, trust my Telegram sessions)

But... interestingly, if nothing is being done behind the scenes, why are so many FBI & DOJ senior officials being FIRED and/or REMOVED from their respective positions of power? Who is AG? Who must sign off on each removal? DOJ in charge of FBI?

(Military operations under President Trumps leadership removed 90% of their ship missile systems which means the Cabal>Deep State has lost its power)

****President Trump is the Commander in Chief of the US Military. In the event of a terrorist attack or natural disaster, the Insurrection Act allows the President to use the US Military as a police force. To ratify the powers of this Act, the President must first publish a proclamation order for insurgents to disperse. On Jan 6, 2021 President Trump released a video statement telling Capital protesters to stay peaceful. No violence. And to go home. He then tweeted a similar message a half hour later.**

We now know that Antifa and Black Lives Matters were the true insurgents that stormed the Capital building Jan 6. President Trump was actually telling these insurgents to disperse.)

But... interestingly, if nothing is being done behind the scenes, why are there 50,000+ sealed indictments across the US [what % = USA v. X]? Coincidence vs. HUBER start?

(But... interestingly, if nothing is being done behind the scenes, why are there 200,000+ sealed indictments across the US? The revealing of the UK's involvement with the ship human trafficking scheme, as well as Adam Schiff's exposure, is the start and opening of the indictments.)

But... interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_POTUS did the SPEAKER OF THE HOUSE indicate wanting to leave politics?

(But... interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_President Trump did Nancy Pelosi SPEAKER OF THE HOUSE indicate wanting to leave politics? No. But now she has mentioned she may leave.)

But... interestingly, if nothing is being done behind the scenes, why are human trafficking arrests SURGING?

(One example: Operation Libertaerra! Police rescue 430 human trafficking victims and identify 4,000 irregular migrants from 74 countries)

Nothing to See Here.

Q3518 - Donald Trump: How amazing, the State Health Director who verified copies of Obama's "birth certificate" died in a plane crash today. All others lived.

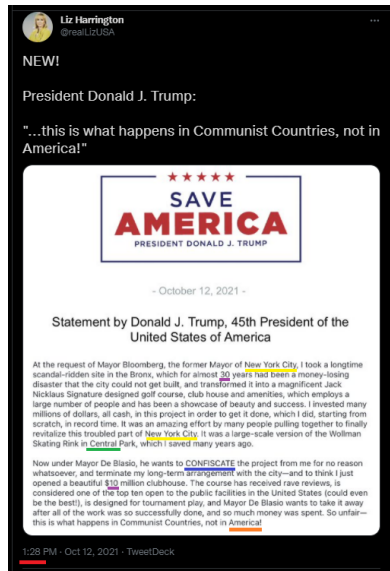

<https://twitter.com/FIGHTINGIRISH/status/1155155442978316288> Ask yourself a very simple Q - How did someone die from this type of accident? Severity of impact? Low? Do you believe in coincidences?
Q

On Dec 12, 2013 Loretta Fuddy died in a plane crash. She was the Hawaii Director of Health that inspected and verified Barrack Obama's birth certificate as valid. Nine people total were on board the Cessna aircraft. She was the only one to die. Two years prior, she allowed Obama access to the certified copies which she later verified as accurate and authentic.

Fuddy knew Obama's mother Ann Soetoro. They were in the same Muslim Sabud cult in Indonesia. This cult has 3 major locations, Indonesia, Chicago and Hawaii. In fact, Fuddy was one of the cult leaders since 2006. Ann Soetoros biographer even confirms in her book, *A Singular Woman: The Untold Story of Barack Obama's Mother*, that Fuddy was placed in the Hawaii Health Director position to "verify" his birth. "It also is a delicious fact that our Subud sister, Ms. Fuddy, just was appointed to her post in the Health Dept in Hawaii in time to be involved in the documentation of the fact that Obama was born there."

Obama was actually born Barry Soebarkah and that is what is on the birth certificate. The name change may have been done for adoption or spiritual reasons. The document presented by Fuddy has been verified as a fake by many who have examined the documents. One example is Lord Christopher Monckton who has done a thorough analysis on forgery pitch and found shifts that indicate fraud.

Was Ms. Fuddy's death a chance to cover up loose ends? Now there will be no possibility of someone coming forward to confess the truth on the matter.

How much money (CASH) was sent by the FED to Iraq (Iraq War)? (In 2003, \$12 Billion was sent in shrink wrapped \$100 bills on pallets to Iraq. It was sent from New York to Baghdad for Iraqi Ministries and US Contractors for disbursement, using C130 planes that delivered the cash once or twice a month. It comes out to 363 tons of cash. According to an official memo "Many of the funds appear to have been lost to corruption and waste ... thousands of 'ghost employees' were receiving pay cheques from Iraqi ministries under the CPA's control. Some of the funds could have enriched both criminals and insurgents fighting the United States." Totaling near \$20 Billion with little to no accountability.)

How much money (CASH) was Confiscated from the Iraq Central Bank? (\$1 Billion in cash, mostly \$100 shrink wrapped notes, was taken from the Central Bank. If it worked in IRAQ, why not replicate in IRAN? (Yes, in 2016, Obama did something similar.)

How much money (CASH) was sent to IRAN? (In 2016, the Obama administration paid \$1.3 Billion, supposedly to settle interest on a 1970's military sale dispute, 2 days later sending \$400 million in pallets of cash to Tehran. 13 separate payments of \$99,999,999.99 and the last payment of \$10 million. Payments were sent in multiple currencies like Euros, Swiss Francs and others and all in US taxpayer funds. All, After I post items I believe are important for a wider audience, I try to read many of your comments. I very much appreciate those who offer constructive criticism (I use your ideas and share them with others routinely).

Those who offer nothing more than smart ass nonsense (go somewhere else, you waste everyone's time).

That said, if you do nothing more than complain, you are missing the point. Regular American citizens throughout our history stepped up when the nation needed us. Our nation's forefathers are calling for us now to get involved in our country's system of government like never before. A citizen's personal and direct involvement, especially at the local level, is even more critical than ever before.

I cannot emphasize this ask anymore than what I have stated previously and right now.

Local Action = National Impact

Find your path and apply your skills, talents and leadership abilities in a constructive way and get involved in your communities like you have never been involved before. Our nation depends on everyone of us doing so, especially at this vital moment in US History.

Planned & coordinated [D/ F]. (Domestic and Foreign Assets/Agents planned, coordinated and infiltrated our government, media and corporate structure at all levels. They have committed Sedition and Treason against our Country, the Constitution and the people of the United States. The ability to prosecute those responsible will restore the American people's faith and credibility in our laws and justice system.)

This is not about politics.

Something far more sinister **[evil]** has been allowed to flourish through all parts of our society.

It has been camouflaged to appear as trusted.

It has been projected **[normalized]** by stars.

[CLAS 1-99]

One must only look to see.

[Symbolism will be their downfall] (Satanism has been allowed to flourish through all parts of society, it has been protected & safe guarded and hidden from the main public, but blatantly flaunted in movies, TV, books, music and symbols throughout our society, causing people to relax its stance about it's true meaning. Music and movie stars blatantly normalize it with set designs, hand gestures, costumes and lyrics or scripts. Some under the coercion or threat of the Cabal>Deep States ship missile system but blatantly accept Satan and evil as their reality. But these symbols will be their downfall, the public will learn the truth about how Satanism regularly practices in the sacrifice of children and the drinking of their blood, Adrenochrome. The amount of adrenaline in the product makes this a potent and addictive drug. The public will learn of their worldwide human trafficking schemes to mass harvest this blood and supply it to stars, politicians and leaders. This keeps them in line and controlled and therefore the population is controlled by their puppet system, but this won't happen anymore when the truth is learned. The people will NOT allow it and dismantle it quickly.)

This is not another [4] year election. (No this is about taking humanity back from the clutches of evil and it's about saving the children of the world from a horrible fate.)

"Be on your guard; stand firm in the faith; be courageous; be strong."

You are not alone.

We stand together. (We are winning this fight because we have been standing together as one. As long as we keep doing that we are in full control and they will lose.)

Q

2. Leak Classified Intelligence and Military Secrets

According to Wikileaks, leaked intel was received by China via Hillary Clinton's private bathroom server. Clinton used a personal email and computer to conduct official government business, which goes against government policy. It was set up with limited security hardening which made it vulnerable to intrusion and theft as early as March 2013. She used non-government IT staff to maintain it, which also goes against government policy. Germany and South Korea had access to the server.

Pakistani nationals, the Awan's had access to the DNC servers from 2004 through 2016. The servers collected congressional information and stored it on servers in Pakistan.

3. Cut Military Funding

Budget Sequestration during the Obama administration seriously crippled the US Military, according to publicized statistics by the House Armed Services Committee published on March 22, 2018. The Air Force was short 2000 pilots, barracks were "mold-ridden", the average age of Air Force planes was over 27 years old, condemned hangers and contaminated water were just a few of the issues the military faced.

4. Weaken Command of Generals

During the Obama administration, the “don’t ask don’t tell” policy was repealed, transgenders were allowed in and women in combat was pushed. This created weakened commands in the US Military. A military report called The Marine found that units were less lethal, slower and more injury prone when transgenders were allowed. Females in combat cause a weakened state as well because men may be picking up the slack and foreign fighters are indifferent to women in combat, so more women die as a result. The possibility of shared bunks between genders increased which caused more issues for commanders. Overall, the policies created a less capable fighting force.

In 2017, President Trump imposed high tariffs on Chinese steel and aluminum imports. Steel has a 25% tariff and aluminum 10%. The US Trade Representative (USTR) started an investigation under Section 232 regarding US national security on the effects of Chinese steel and aluminum. Senator McCain strongly opposed the tariffs, claiming it would damage relations and hurt American workers.

Q883 - ...Was necessary. China produces 10x as much steel as US. What if war breaks out? Matter of national security, geopolitics ...to prevent war, peace through strength. + deliberate performance issues to impact military / infrastructure. We were sold out. You have so much more than you know. Q

Q855 - ...What if the steel used for military-grade projects was made-inferior by our enemies as a method to weaken? What if Hussein knew and authorized? Renegade. How many Marines volunteered to serve Hussein during his term? Why? What if his name we don’t say organized the deal? The US taxpayer subsidizes the WORLD. AMERICA has been sold to the highest bidder. AMERICA has been weakened on purpose. The depths of their TREASON is unimaginable. Pure EVIL. HELL on earth - HRC victory. Q

5. Kill NASA Space Supremacy and EMP Risk

NASA was cut and private CIA/MOSSAD Elon Musk’s Space X replaced it during the Obama administration. Space X has a poor performance history of engine failures and missing cargo. This lessened our missile technology shared with the US Military which weakened our national defenses. Civilian infrastructure became more vulnerable to electromagnetic pulse EMP as a result. NASA provided support for solar data from the Solar Optical Observing Network and Radio Solar Telescope Network. Without these programs EMP Risk became higher. Loss of power would have major implications to national security.

Musk receives millions in Government Subsidies so he can push the Cabal agenda, which is a nuclear missile club K and human/drugs/gun trafficking ship scheme paid for with Taxpayer funding and created through the Uranium One deal with Iran, Russia and North Korea. This Satanic Illuminati Cabal will use Musk’s Tesla/CalSolar/SpaceX connections to launch nuclear missiles from their armada of container ships to keep people in line and to keep control of

politics, world leaders and intelligence agencies. There is also a threat to launch them at the sun and create a catastrophic CME flare if anyone dares to bring the truth of their schemes to humanity. [Wave/Split](#)

6. Remove Good Guys from Government/Law

Valerie Jarrett, a Progressive/Marxist extremist, was used as a sniffer, according to Webster, “a dog that is trained to recognize and follow scents especially for the purpose of locating people or contraband (such as illicit drugs and explosives)”

Jarret is in charge of “the trigger” on the ship missile system, she uses a phone to direct message to John Brennan, regarding the warhead missile, Ship Placement and the marker to be killed using the ships. **Q1828**

She is Iranian, her father was a Soviet spy, and her father-in-law Vernon Jarrett was connected to Dr. Khalid al-Mansour representing the Saudi Royals. Vernon was also a political associate of the Communist Party USA and Obama mentor. Her Uncle and Grandfather were leftists and have Islamic connections.

The media no longer represents the will of the people.

7. Special Access Programs Selloff

Hillary Clinton purposely used outside servers and a Shadow IT Bryan Pagliano and possibly others who did not have clearances to leak out Special Access Programs SAPs information. Using her personal email allowed her to avoid any FOIA requests since she wasn't using an official government email. Obama knew about the servers and condoned it. SAPs are the most clandestine activities and are designated above Top Secret. Many emails had "born classified" information on them, meaning classified from the start. IG reports showed some emails on the servers were there as early as 2009. The IG report was modified and redacted by Rod Rosenstein which left out additional classified information. President Trump's attempt to declassify original unredacted report were met with the Cabal > Deep State threat of ship missile threats and could not be released.

When asked to produce the email evidence, Hillary Clinton deleted approximately 30,000 of the 60,000 emails and her servers were wiped clean, showing intent to deceive.

The classified information leaked did irreparable damage to national security since some contained information on the Drone program and had names of CIA, NSA and other intelligence officers in them. The Comey FBI report, altered by Peter Stzrok, on the matter downplayed the incident from "gross negligence" to "extremely careless", helping to cover up her crimes. Clinton was allowing political access for donations to her Clinton Foundation CF, known as "pay for play". CF has been accused of money laundering in the past. Romanian Marcel-Lehel Lazar aka Guccifer was able to hack into Sidney Blumenthal's AOL account that showed correspondence to Hillary Clinton as early as March 2013. There appears to be a history of allowing access to information.

The State Department was used for spying for Clinton. According to Wikileaks, diplomatic cables were released in 2010 outlining the spying on foreign diplomats including the UN. This information was also stored on her bathroom server.

8. Weaken NSA and Reveal Programs

In 2013 CIA/MOSSAD Edward Snowden purposely leaked NSA spy programs, DARPA/PRISM/IQT/KEYSCORE to weaken the NSA because the NSA had dirt on all the political corruption/human trafficking in DC, including the leaking of classified information to China from Hillary Clinton and the Obama administration. He fled to China and then ultimately Russia, to wait out the rest of the operation. The plan was for her to win the election so CIA Director John Brennan could bring Snowden home. They never thought she would lose, but President Trump won and CIA Director Gina Haspel replaced Brennan.

Snowden went to Russia and provided the NSA source code to Shadow Brokers located there. Shadow Brokers are Russian Intel. They leaked the actual code on a Twitter account called "theshadowbrokers". Kaspersky Lab, who also has KGB ties through owner Eugene Kaspersky, strengthened the NSA connection further after the incident. Kaspersky Lab was the security firm that "discovered" the Red October malware campaign in 2013. This is a multiyear cyber espionage campaign, created by Chinese and Russian operatives, that targets computers/phones in government agencies, embassies, nuclear research centers and the military.

Q2006 - 2nd Snowden. The US Department of Justice may charge a former NSA contractor with espionage after discovering top secret documents and enough highly sensitive data to fill 10,000 DVDs at his home in Maryland. Retired US Navy officer Harold Thomas Martin III, 51, has been dubbed 'the second Snowden' by the press. He worked for Booz Allen Hamilton, the same firm that employed the famous whistleblower who revealed global surveillance programs run by the US. Geo location

Whistleblowers: The signaling method, a phone, used to launch a missile from the ship missile system to deter anyone speaking out against the Cabal>Deep State. SecureDrop, hosted by Apache, was an open-source whistleblower program that allows the media to install and accept testimony from anonymous sources. The CIA was actually in charge of the program so this helped them to weed out and eliminate whistleblowers like John Perry Barlow, an internet free speech pioneer.

9. Target and Weaken Conservative Base

In 1996 the Telecommunications Act led the FCC to reduce regulations on cross ownership. Since then, 5 Corporations (AT&T, Xfinity, Disney, News Corp and National Amusements) own 90% of the media, including films, newspapers, magazines and books. All of these (except for National Amusements) is owned by BlackRock and Vanguard by majority shares. Vanguard shareholders include elite like the Orsini's, the Bush's, the DuPont's, the Morgan's, the Vanderbilt's, the Rockefeller's, the Rothschild's, the Wallenberg's and the British Royal Family. And Vanguard is the largest shareholder of BlackRock.

Control of the media means control of the population. Using propaganda to create and shape the narratives they want you to see, which at the moment is far left. This bias weakens the conservative base with constant attacks and lies from this left-wing media.

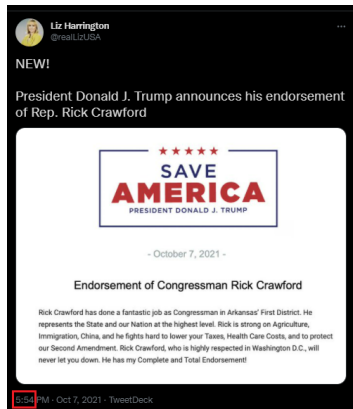

Our Deep State Shadow Government, under Wallenberg's direction, also conspired to create the 9/11 false flag terrorist attacks and killed thousands to start endless wars, spy on Americans, funnel money to their special projects, and destroy constitutional laws. Look here, not there. They also use tactics like political discrimination to keep us divided: race vs. race, gender vs. gender, sexual preference bias. Structural racism is the basis for Critical Race Theory CRT which is a type of systemic racism that explains all inequities between racial groups. Focusing on impartial justice that white Americans are responsible for keeping minorities down as well as natural rights deserved for these minorities. Redistribution of wealth, power and influence is the only way to repair these inequities. This has permeated through our military and school systems and causes more division than unity. Marxist in nature, it goes against the Constitutions neutral principles of equality. We are so busy fighting each other that we don't see what they are up to. The Ukraine, North Korea, Iran, Russia, China and Israel are main countries controlled by the Deep State. Keeping us at war keeps money in their pockets and the ability to control the world.

The IRS actually apologized for targeting conservatives in 2012. It was an election year, and they were flagging political groups for additional review to see if they violated their tax-exempt status using a “Be on the lookout” (BOLO) program that searched keywords like “Tea Party” and “Patriot” which pulled up more than 75% conservative accounts. Lois Lerner, the head of the tax-exempt IRS department that was targeting conservative groups did so from 2010 through 2013. She appeared to be acting under the suggestion of President Obama, although there was no direct request.

Cancel Culture is defined as “the deliberate de-platforming or ultimate unemployment of an individual for views fraudulently held to be outside an increasingly turbulent public square”. In other words, you will be excluded from society for not conforming to the extreme lefts beliefs of how society should be. It’s goal is to disassemble the First Amendment, which gives us the right to free speech.

The following people in this short list were canceled by the left for expressing conservatives views which is their right under the Constitution: Gina Carrano (Disney Star) was fired for comparing the current political climate to Nazi Germany, John Gibson (Tripwire) was fired for supporting prolife legislation in Texas, Nathan Sylvester (Idaho Police Officer) was fired for mocking NBA star LeBron James, Kieran Bhattacharya (UVA medical student) was banned from campus for questioning the definition of microaggressions in a panel discussion, Peter Vlaming (West Point High School French teacher) was fired for not using proper trans pronouns and Timothy Gordon (Garces Memorial High School teacher) was fired for calling Black Lives Matters a terrorist organization.

They have also been targeting President Trump for the past decade with audits. Lots of grey areas in the tax laws will keep him tied up in audits for quite a while. Resident Biden also plans to beef up the IRS, using \$80B in funds to increase the amount of IRS agents. People are understandably upset about the increase because of President Obama’s IRS scandal of targeting conservatives.

(Social Media and Big Tech are under the control of CCP, CIA/MOSSAD. Lifelog was a project of the Defense Advanced Research Projects Agency (DARPA) of the U.S. Department of Defense (DOD) that captured the flow of one's personal experiences and interactions and makes them accessible using Artificial Intelligence (AI). The project was supposedly canceled at the same time that Facebook was created in 2004. DARPA>LifeLog>FB. And Facebook even employed DARPA employees. Factor in other Big Tech involved with DARPA like Google, Twitter and YouTube, all on an Amazon cloud contract and you have the makings of a massive surveillance system. Embed these unremovable programs on Apple and Android devices and the Deep State can capture anything, anywhere. Especially since the inception of the Patriot Act after 9/11 which allowed for this type of massive surveillance. And FISA taught us how much they love to spy and how easily they can do it. Some owners seem to have connections to China or the Deep State, like Facebook's Mark Zuckerberg's wife is a Chinese national, Google's founder Sergey Brin was married to 23andme's founder Anne Wojcicki whose sister is Susan Wojcicki (CEO of YouTube). Even when Facebook is being investigated by the SEC for insider trading, the SEC Acting Director of the Division of Enforcement is Melissa Hodgman which is Peter Strzok's wife.

Not only do they spy on everyone, but they also use Big Tech to censor everyone as well. It's also used as a propaganda tool like the CIA/MOSSAD Mainstream Media. These information warfare tools were used to "defeat disinformation", at least their idea of disinformation; in the election and other key topics like news of Hunter Bidens Laptop, that they deem necessary to control. It was also used to suppress legitimate news sites like Breitbart, The New York Post and many others. Use of "Fact Checkers" were used to severely moderate legitimate news about the 2020 Presidential election results/audits and while at the same time supporting their own narrative by allowing CIA/MOSSAD mainstream media the far-left news.

Sites like Facebook, Instagram, Snapchat, WeChat and Twitter are used for sex/human trafficking, while Big Tech claims immunity through Section 230. Twitter was even sued twice by underage victims that were trafficked through its website. Twitter knew about it and refused to remove the material and instead sent a response that the material did not violate any of their policies.

They are allowed to get away with these horrific acts, as well as ban citizens of the world including President Trump from free speech due to law loopholes like Section 230 of the Communications Decency Act which claims Big Tech is protected from these actions because they are not publishers.

Before leaving office President Trump signed an Executive Order on Preventing Online Censorship that basically made Big Tech a publisher, and he filed a major class action lawsuit which allows anyone that has been banned for censorship to join in. However, we still have the threat of the ship missile system that can delay such actions.)

This caused the CIA/Mossad assets to chatter on XBOX and Play Station logs about the exposure. This led to a scrub of Google about that information, and a Microsoft shutdown immediately after Q posted it. Facebook's Building 8 was not destroyed. It was just being restructured into an AR/VR lab. So, they say, it's really a bulk data collection area for the NSA/CIA that would be illegal inside the US so they are able to run it in China. [PART 1 OF 9]

Q

10. Relax Borders, Flood Illegals and Climate Change Hoax

The New World Order Cabal has their hands in America's destruction as well as a plan for world domination and depopulation. The George Soros Open Society Foundation, through the Southern Poverty Law Center (SPLC), funds MS-13 and creates border atrocities like kids in cages, separating parents from children. MS-13, ISIS/terrorists, drug cartel members and traffickers make up the bulk of caravans that come through the borders because of loopholes in laws. MS-13 is based mostly out of El Salvador, Mexico, Guatemala and Honduras. They have also come in from the middle east from places like Yemeni prisons. Hundreds have been convicted of murders or federal racketeering charges which would also indicate an alliance with a cabal.

They use the women and children to get in our southern border. Soros and the Democrats send MS-13 to strategic areas like sanctuary cities such as Chicago, New York and throughout the country. Immigration and Customs Enforcement indicate that MS-13 are murderers, human/drug/sex traffickers, and they practice Satanic sacrifices.

President Trump built a wall to protect our southern border with Mexico to stop trafficking of guns, drugs and humans and to stop gangs and terrorists. He had "tough on crime" policies and wanted to take down those international criminal organizations. Attorney General Sessions swore to aggressively support President Trump's plan to take on international criminal organizations, cartels and gangs. The caravans include MS-13, ISIS, terrorists, drug cartel members and traffickers, that come through the borders because of loopholes in laws. MS-13 is based mostly out of El Salvador, Honduras, Guatemala, and Mexico. Hundreds have been convicted of drugs and murders as well as federal racketeering charges.

President Trump has spent \$5.5 trillion dollars in funding for the southern border wall with Mexico. Infrastructure was included in the 2017 Tax Cuts and Reform Act for (FY2019) and the US Army Corp of Engineers built the wall. This was planned in advance using the Constitution and matters of National Security, to bypass any plan for open borders, the elimination of ICE, Border Patrol and defending illegals over Americans. Attorney General Sessions supports the need for a wall as it will create better border reinforcement and deportments will be

quicker. As of January 2021, 400 miles of border wall have been built and illegal crossings were down 87%.

President Trump says that immigration affects our Mexico border security. Chain migrations including terrorists and gangs, come in under failed immigration policies. These groups bring violence, murder, human trafficking, weapons and drugs into the country. We need a merit-based system where immigrants come into the country legally and close immigration law loopholes. Increase in fair immigration judges and decrease in backlogs will help it run more efficiently and support applicants that will respect our laws and institutions. President Trump mentioned that Sanctuary Cities (in areas like Denver or Philadelphia) that harbor illegal immigrants and limit local law enforcement in cooperating with Federal Immigration officials on matters, essentially omits Immigration and Customs Enforcement ICE from the process. He also ended Catch and Release which returned Illegal immigrants to their home countries and worked with Mexico to dismantle human smuggling rings.

Legal and illegal immigration will ultimately shift 26 congressional seats by 2022, pulling them away from mostly red states and redistributing them into blue states like California and New York. Red states with Democratic governors have slowly been taking in refugees to their states, allowing them to beef up their budgets as well as distribute immigrants throughout the country more evenly. Alabama, Arkansas, Georgia, Idaho, Indiana, Iowa, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, Oklahoma, South Carolina, Tennessee, Utah, West Virginia, Minnesota, Wisconsin and Rhode Island will all lose one seat. Ohio will lose 3 seats, Michigan and Pennsylvania will lose 2 seats. This shift will put a lot more political power into Democrat hands.

Under President Trump's administration, the Department of Homeland Security (DHS) blocked 4 million pounds of hard drugs coming in across the southern border with Mexico in 2017. In FY 2019, US Customs and Border Protection (CBP) seized 12,466 pounds of opioids and 3,688 pounds of fentanyl. It seized 10kg of heroin and the Department of Justice (DOJ) dismantled 3000 drug trafficking organizations including major drug indictments of the Chinese, India and Mexico. In 2019, 142,000 pounds of methamphetamine was seized. Since Biden took office the smuggling numbers have dramatically increased including the number of illegal immigrants. Reversal of Trumps policies, like Remain in Mexico, have caused recent polls to show discontent with the Biden administration.

Weather Modification is used to create the global warming narrative, and disasters are used to get emergency funding for their "projects". Storms are generated to hide missile attacks. Climate change is an illusion, caused by weather modification systems like the High Frequency Active Auroral Research Program (HAARP). Scientists created Geoengineering it to "combat" climate change by manipulating and removing carbon dioxide from the atmosphere. HAARP claims to be investigating the ionosphere. UAF's Brian Rogers and Dr. [BOB] McCoy, (Director, Geophysical Institute) transferred the powerful upper-atmosphere research facility from the military to the university.

Q3471- Bigger than most realize. [Be Ready], [BOB]

Al Gore, author of An Inconvenient Truth (about the severity of climate change and how dire the situation is) was wrong. He did, however, make a ton of money over the years continuing to poach the idea. He is also a hypocrite for using private jets to fly all over the world giving speeches about global warming.

The earth has been cooling and warming since records could be kept on it. This includes powerful storms, floods, droughts, heat waves and blizzards. All normal weather. Climate change has turned into another political divider, as long as we are divided we can't see the truth in front of us. The Elitist United Nations and their Agenda 21 are the main backers behind this climate change extremist agenda. If it is supported, it would give the UN authority over the entire world.

Climate activist Greta Thornburg is just another George Soros actor supported by "One Foundation", which is funded by Soros, Bill and Melinda Gates, Bono and a host of other celebrities. Her family has ties to the Freemasons and Bavarian Illuminati founder Adam Weisshaupt. Her propaganda is just one more avenue the UN is using to dupe the world on Climate Change.

Another Soros hoax is the Green New Deal. It calls for public funding for "green" items like expanding wind and solar, weatherizing buildings or reducing climate emissions. But woven inside the deal is the "peoples bailout" which includes democrat wish list items like healthcare for illegal immigrants, \$15 minimum wage, government regulation of private companies to ensure "worker representation", and improved union group bargaining. As an added bonus every citizen gets a cash stimulus payment if they accept the deal.

NASA and NOAA were caught deliberately falsifying historical temperature data to support this climate narrative. They have been making the data in the past show much colder temperatures and data in the present much warmer temperatures. NOAA's US Historical Climatology Network USHCN was updating computer models with fabricated temperature data.

A petition was created about the climate change hoax . 31,479 United State scientists, 9,029 of which are PhDs, have signed it so far. The summary of the petition states "The purpose of the Petition Project is to demonstrate that the claim of "settled science" and an overwhelming "consensus" in favor of the hypothesis of human-caused global warming and consequent climatological damage is wrong. No such consensus or settled science exists. As indicated by the petition text and signatory list, a very large number of American scientists reject this hypothesis."

11. Fund Terrorism (MS13 and ISIS)

Hillary Clinton's Former Deputy Chief of Staff Huma Abedin has Muslim Brotherhood and Al Qaeda ties. She grew up in Saudi Arabia and went to two Wahhabist colleges which are known

for terrorism. Her parents and family members are connected to the Muslim Brotherhood. She was a liaison between Clinton Foundation donors and “pay for play” schemes. In 2012 when Senator Michelle Bachman brought up the issue of her connections to the Muslim Brotherhood before the Members of the House Permanent Select Committee on Intelligence and the House Judiciary Committee, Senator John McCain vehemently defended Abedin and the issue quickly cooled. John McCain, Barack Obama, Hillary Clinton, Britain UK, Saudi Arabia and Qatar are responsible for creating ISIS. Saudi Arabian Ministry of Interior documents from 2012 prove they funded and helped create ISIS in the region with assistance from Senator McCain and President Obama. Saudi Arabia was also funding Israeli Mossad against Iran and Osama bin Laden Al Qaeda. McCain was meeting with ISIS leader Abu Bakr al-Baghdadi in Syria as early as 2013 evidenced by a photograph taken at the time. Clinton secretly had the weapons transferred to ISIS and Al Qaeda from Libya to Syria. The US Ambassador to Libya, Christopher Stevens was also assisting. Qatar is funding Rep Ilhan Omar in Michigan and she is working with US Intelligence connected to the US Congress assessing information for Iran.

John McCain's, The McCain Institute is funded by Cabal, elites like George Soros’ Open Society Foundation, The Eranda Rothschild Foundation – Sir Evelyn and Lynn Forester de Rothschild and Jacob Wallenberg’s-Wallenberg Foundations AB. Hillary Clinton’s Clinton Foundation is funded by the Australia through AUSAID, Commonwealth of Australia, Kingdom of Saudi Arabia and The Rockefeller Foundation.

Antifa, meaning Anti-Fascist, actually practices the opposite. Antifa, was modeled after the National Socialist German Workers’ Party (aka the Nazi Party). It operates in much the same way, with the biggest difference being the Nazis embraced German Nationalism where as Antifa wants all US borders dissolved. Both fully support Marxism as a replacement for a Constitutional Republic. The US Department of Homeland Security DHS designated Antifa as a terrorist organization.

Antifa (with Nazi origins) and BLM (with Muslim Brotherhood, connections) are both funded by George Soros through his Open Society Foundation and the Alliance for Global Justice, or AfGJ. BLM’s website is connected to ActBlue through its donation link, which is 100% funded by Democrats included “Biden for President” as a top donor. They are used as an army to incite violence and political upheaval. They are highly organized using encrypted social media like the Signal app to communicate and the mainstream media to play on the sympathies of unsuspecting world citizens. They will be bused into key locations. Weapons like sticks, Molotov cocktails and pallets of bricks will be there waiting for them ahead of time so they can cause as much destruction and chaos as possible. Locations like Trump rallies, DC/London/Paris events, and Portland CHAZ are used to make political statements about racial injustices and social division, while at the same time destroying businesses and property in the name of “justice”. As long as the world is divided, the Cabal’s plan to absorb America and other countries into a one world government continues. Once enough of us are awake to this con, we can defeat the Cabal together.

MS-13 gang members are hired as hit men. The Mexican Sinaloa Federation Cartel has members working as foot soldiers in the US. One group operates in Los Angeles, CA and another is in St Paul Minnesota. They also have large presences in New York, Southern California, Washington DC, Northern Virginia. They are reportedly in 46 states with around 50,000 members and are also international. MS-13 is considered a Tier 1 level threat in Texas which is the highest threat level. The gang is so dangerous that their motto is “kill, rape, control”. They made El Salvador the murder capital of the world. Beheadings with machetes are used often by the gangs as well as stabbings and shootings. There is evidence of former military training through their native countries and links to terrorist groups like Al-Qaeda.

Funding for MS-13 comes from Bill and Melinda Gates through their Care foundation, which funds Casa del Migrante and gives the MS-13 and Caravan supplies along the migration route to the US border. The George Soros Open Society Foundation is connected through Southern Poverty Law Center SPLC.

In 2021, President Biden canceled border wall construction that used military funds. This also cancelled any overseas projects like schools, partner nation projects and National Guard equipment. The money will now be reverted back to other military projects. Biden felt Trump was misusing the funds by shortchanging our military and security and diverting attention away from human traffickers. However, President Trump built up a very strong and robust military during his administration and an excellent record on busting up human trafficking which included an executive order on the issue. All this while Biden is faced with a National Emergency from Governor Doug Ducey of Arizona and a lawsuit from Arizona’s Attorney General Mark Brnovich regarding Biden’s reversal of Trump’s policies at the border creating the border crisis. In February 2021, Resident Joe Biden signed 3 Executive Orders EO reversing President Trump’s policies. He ended the “zero tolerance” on prosecuting illegal border crossings and to see unification of children and parents at the border. He signed one that reviewed all Trump-era immigration policies. Vice Resident Kamala Harris was appointed Border Czar by Biden. In September of 2021, Resident Joe Biden’s administration’s policies created a 17,000+ Haitian immigrant border influx in del Rio Tx, a back log for people waiting to get into the country. This was due to Covid 19 vaccine mandates and relaxed immigration policies.

The Homeland Security Director and Vice President Kamala Harris are advising the media that the border is closed, which is not the case. It is still open and illegal immigrants are flooding in. Border Patrol has been ordered to stand down and allow this. Over 17,000 illegal immigrants were remove from under the Del Rio bridge and 10-12,000 have been released and will stay in the US. The others are being processed and may be released to stay in the US as well. A deliberate invasion is being orchestrated here. Fox News was prevented from showing drone footage of the immigrant camp under the bridge, which made Biden look bad. Only then did he allow Border Patrol to stop the flood of immigrants coming in through the Rio Grande. Border Patrol was using men on horseback to disperse the crowds and the horse reigns were mistakenly viewed as horse whips. This caused a social media meltdown. The Border Patrol agents were removed from duty by Biden, leaving the border even more exposed. Biden continued to use the horse incident to inflame the situation against Border Patrol. BP now faces termination for

refusing the Covid-19 vaccine by November, allowing illegals to flow in through the border with no mandate for vaccinations on them. They are not even tested for Covid.

As of Sept 2021, Welcome Us is now coordinating Afghan refugees into the US. The George Soros Open Society is funding Welcome Us (WU). Co-Chairs of WU include Globalists Barack Obama, George W Bush, Michelle Obama, Laura Bush, Bill Clinton and Hillary Clinton. Other sponsors include the New York Times, Rockefeller Brothers Fund, Microsoft, the US Chamber of Commerce Foundation and others. We have an overtaxed immigration system as is, but these migrants increase the Democrat voter base and 63% of non-citizens are already on our overburdened welfare system. This may lead to a collapse of the existing government welfare system and allow for a national social system where a redistribution of wealth would support it. Whoever gets elected controls the borders

12. Nuclearize North Korea and Iran

2008 – 2012: Hillary Clinton fails to reveal to Hillary's State Department a foreign donation of two million shares of stock from a foreign executive.

August 2009 – The FBI has an investigation going on a Russian bribery plot concerning Rosatom and Uranium One, which included kickbacks and money laundering. The DOJ held off on an indictment until after the Committee on Foreign Investment in the United States (CFIUS) deal was made, making it less known to the public.

May 14, 2010 – Bill Clinton gave a speech in Moscow and received \$500,000. Then he tried to meet with a Russian nuclear official during the uranium decision, after getting permission from the State Department (i.e., Hillary Clinton), but due to missed communications he only met with President Putin instead in June.

October 22, 2010 – Uranium One deal approved. The Obama administration and Committee on Foreign Investment in the United States CFIUS went through with the deal even though the FBI had collected evidence that corruption was rampant in the Russian nuclear industry. Using a confidential witness to spy and gather information, Moscow compromised an American trucking firm with kickbacks and bribes. It was essentially kept quiet until the deal could be completed. President Obama's deal approved the sale to Rosatom giving Moscow more than 20% control of the United States uranium supply.

June 2010 – 2013: Clinton Foundation receives secret donations during 3 years of Uranium One deal using the Uranium One's chairman family foundation totaling \$2.35 million. These donations were undisclosed by Secretary Clinton.

2016-The US State Department sends pallets of cash to Iran totaling \$400 million in exchange for hostages, claiming Iran couldn't accept checks or wires. Yet 2 days later the US Treasury wired 13 additional payments totaling \$1,299,999,999.

2018- President Trump removed Jacob Wallenberg's control in North Korea (NK), meaning no more nuclear capabilities or trafficking enrichment via President Obama, Clinton Foundation and Russian Intelligence/Military Industrial Complex 2010 Uranium One deal. Iran, Russia and North Korea get 20% of US Uranium in connection with Gultainer, Crescent Petroleum and Rosetec/Rosoboronexport, which they also used to produce Club K missile systems. Also connected through Project Pelican and Gultainer's Port Canaveral completed in 2018 which allows them a 35-year cargo container terminal lease. This allowed them to have their armada of ships with shipping container missiles systems based in the US as their "military" presence.

Q29 NK is not being run by Kim, he's an actor in the play.

Q41 What a coincidence the mountain that housed NK's nuclear weapons and testing collapsed. Unbelievable timing. I wonder if critically important materials as well as scientists aka the bomb makers were inside when it happened. Shocking no global news agency suspects we had nothing to do with it.

Q1609 POTUS save the world from NK.

Red Cross, Foreign Aid and funding through the Paris Accords supported their human/weapons/drug trafficking schemes. According to foreignassistance.gov; Bill and Melinda Gates Care and Save The Children have funds coming from the U.S. Department of State; Bureau of Population, Refugees, and Migration. Jeff Bezos Amazon, Red Cross and China's World Health Organization have funds coming from the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. These are just a few of the organizations that US Taxpayers fund through Foreign Aid programs. It also goes to unknown or unverified vendors in Pakistan, Afghanistan, Africa, Haiti, Israel, North Korea, Kazakhstan, Kyrgyzstan, Tajikistan, Vietnam, India and China, the bulk of which comes through the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. The Paris Accords is just one more way to get taxpayer money through their GCF fund, which funnels money to places like North Korea. Even they claim US humanitarian aid is a sinister scheme. The Red Cross's Gail McGovern's has a history of corruption with Hillary Clinton. The Red Cross has a history of connections to the Rothschilds and Wallenbergs. These slush funds help to pay for their Deep State Shadow Government.

13. Stage Supreme Court

An excerpt from my Crossfire Hurricane post at the end:

Q1150 - Think timing. LL (Loretta Lynch) remains AG (Attorney General for) HRC (Hillary Clinton). HRC appoints new AS (Justice Anthony Scalia) replacement (Justice Sonia Sotomayor). RBG (Justice Ginsberg) steps down. LL (Loretta Lynch) steps up. New AG (Attorney General) 'The Plan'. Q

Q2088 - ...They always thought if charges were brought [v. them] they would ultimately be safe [SC control] (Supreme Court). [AS] (Justice Anthony Scalia) out [HRC] (Hillary Clinton) appointment(s) >> End of all ends. Final. Did Anthony Kennedy have a choice? Was this the original plan according to HRC election win? What evidence was he shown? RBG replacement [lifetime appointment - age]?...

CIA Director John Brennan and Peter Strzok used an Intelligence Community Assessment (ICA) with the Dossier added to it while Strzok's wife, Melissa Hodgman, was hiding Hillary's email evidence. Hiding Hillary's evidence was also the reason for former President Bill Clinton and Attorney General Loretta Lynch's Tarmac meeting in June of 2016. As an exchange, Lynch was promised a Supreme Court appointment once Justice Ginsberg stepped down. They always thought they would be safe having their nuclear missile ship armada to protect them. They murdered Anthony Scalia in Feb 2016 to maintain control of the Supreme Court and Bill Clinton promised AG Loretta Lynch on the Tarmac in June of 2016 a position on the Supreme Court. In return Lynch was supposed to look the other way at any of Hillary's email/server evidence which she did. Hillary then appointed Justice Sonia Sotomayor to replace Scalia and advised Lynch the plan is for her to replace Justice Ruth Bader Ginsberg. Justice Anthony Kennedy was shown

evidence of this and was forced to step down under threat of missiles/death.) RBG is also a multiple meaning of the Royal Family/The Queen, so she oversaw 'The Plan'.

2016-2024 Hillary Clinton, Second 8 years, Goal: Destroy USA, Rise New World Order NOW- Joe Biden continuing their plan.

****Because of Hillary Clinton's 2016 Loss to President Trump the following events were adjusted but some are still playing out because of the altered timeline.

14. World War III/Real and Orchestrated

Joe Biden's disgraced withdrawal from Afghanistan in August of 2021, is a clear sign that the Democrats have and will continue to weaken our military. He surrendered the war to the Taliban and gave them \$85B in military equipment including vehicles, planes, helicopters, small arms and various combat equipment. He refused to apologize and a week later ended up killing 10 civilians (including 7 children) in a drone strike meant for ISIS-K in retaliation for killing 13 US service members and 168 Afghans. Biden also left American citizens and Afghan allies behind.

It has invited unwanted aggressions from China and put pressure on Taiwan. In Oct of 2021, tensions between China and Taiwan are the worst in 40 years. Joe Biden continues to side with China and their "One China" policy, which declares Taiwan will once again be part of China in the future whereas Taiwan considers itself sovereign. No shots have been fired but China has increased aircraft in the area by 150, a move which Taiwan considers, hostile. Most allied countries in the area are urging both countries to talk to find a resolution but China continues to be aggressive with its military presence in the area.

US special operations are training small ground forces in Taiwan, and have been for at least a year, indicating President Trump may have set that up. The Marines have also been collaborating with maritime forces for small boat training. The training may reflect the Pentagons concern that Taiwan is not ready for a Chinese invasion.

China appears to be the main threat, but Russia and Iran are also becoming an issues. Russia has been interfering with Ukraine and Syria which could escalate further. And Iran has been meddling with Iraq and Syria. Tensions could escalate into a large scale Cold War but things are tempered for the moment.

Adm. Charles Richard (US Strategic Command) claims that there is a real possibility of a nuclear threat by Russia and China as things escalate. The threat is still low, but we must rethink the risks and our planning and execution. Both countries are taking advantage of cyber threats and the pandemic that could lead to a power crisis or conflict. The US must actively keep their aggression in check or risk embarrassment or worse from our adversaries.

The 2022 Russia-Ukraine war is being used two-fold. It is another situation they can use to create a World War 3 scenario, and it's covering up the Cabal/DeepState's trafficking, corruption connections and Covid-19 Biolabs. Hunter Biden, Barack Obama and the US Government have been exposed as contributing funding to the biolabs. The labs themselves were working with Wuhan labs and purposefully tampering with bat corona-viruses. Coincidentally, one is in Shpyl'chyna Ukraine, West of Khazaria where Ashkenazi's (**Nazi's**) originate from and the real reason for Vladimir Putin's invasion which is to remove the corruption, trafficking and the Nazi's that are still rooted in that area. There is also another pipeline there called the "Brotherhood Pipeline" owned by Gazprom, which might be used to smuggle adrenochrome in by using a "pigging" method where a specialized container is floated down the pipeline and later collected at valve points.

Joe Biden's corruption was exposed in 2019 when a video of him bragging about bribing officials in Ukraine surfaced. Former prosecutor Viktor Shokin was fired because he was in charge of Hunter Biden's money laundering operations in the area. The CIA/MOSSAD mainstream media ignored it and quickly covered this up with fake fact checks and Joe Biden went on to win the "rigged" 2020 US election.

15. Population Control and Pocket Billions

Our Deep State government is in league with the Chinese Communist Party CCP, who has those same world leaders on puppet strings. They purposely released Covid-19 from the Wuhan Lab in Wuhan, China in 2020. Peter Daszak, Anthony Fauci, Ralph Baric and Zhengli-Li Shi all conspired to create, release and monetize Covid-19 as early as February 2016 using already patented vaccines. The federal government is also involved in owning these patents. Their gain of function research was funded by the NIAID, EcoHealth and the NIH to the University of North Carolina at Chapel Hill and Wuhan Institute of Virology. The Bill and Melinda Gates Foundation contributes to the NIH and NIAID for vaccine research and Gates has been on record for a depopulation plan.

Dr. Peter Breggin a world renowned psychiatrist says Anthony Fauci, Bill Gates and World Economic Forum founder Klaus Schwab created Covid-19 and deadly vaccines to support a "new world order" agenda. He wants people to stop being scared and to start getting angry, stand up for your rights and for liberty. He says to stop trying to figure out why they would do such an evil thing and just start to fight it.

Bill Gates has given depopulation speeches such as his 2010 Ted Talks where he describes if they do a really great job, vaccines will lower the population by 10 or 15 percent. In 2015, before Covid-19, Gates held an event in anticipation of a pandemic, where he implied they were working on a pandemic and vaccine to go with it. Gates explained, "You get the vaccine. If it doesn't kill you, you get COVID and get very sick,". Dr Breggin also discovered a 2015 paper that showed NIAID funding to the Chinese Wuhan lab, which is even more evidence of a CCP pandemic plan. They know these vaccines only work short term, long enough for the mutations to appear.

WEF's Klaus Schwab website contains a 2016 plan that is 65 pages and lays out the pandemic. It includes Fauci's and Gates' work with CEPI and the World Health Organization, which is controlled by the United Nations, and it describes the vaccine plans and how the WHO will take over once the vaccines are out.

Dr. Breggin feels if we fight back now we can turn this around. Not a violent fight, but get involved, be vocal. Stop complying and take brave risks

16. Eliminate Final Good Guys in Government

Clinton's plan was to eliminate the rest of the good guys in government, but since she lost the plan was delayed and now Resident Biden is fulfilling her plan. The following were let go or asked to resign within the first week of Biden's Residency; Michael Ellis (a National Security Agency's top lawyer); Charles Cowan Jr. (Senior Executive at the Office of Administration at the Department of Housing and Urban Development); Surgeon General Jerome M. Adams; Michael Pack (head of Voice of America VOA); Andrew Saul (Social Security commissioner); and Peter Robb (National Labor Relations Board's general counsel).

17. Kill Economy and Enslave Public

The Deep State leaked Covid-19 with the intention of creating a pandemic money-making depopulation scheme using the virus and vaccines. Operation Warp Speed showed that the vaccines were suspiciously available very quickly by Pfizer and Moderna (for which they receive royalties). It's a \$100 billion dollar market. They, with the help of Dr. Deborah Birx, conspired with the CIA/MOSSAD Media to push down real, safe treatments like Ivermectin and Hydroxychloroquine HCQ so that they, Big Pharma, the Deep State and Cabal could reap the benefits. Gates and Dr. Birx even have connections to the Institute for Health Metrics and Evaluation (IHME) and Imperial College in London, which both produced incorrect CV-19 data. With the media's help, they pushed governments and the population into lockdown which caused worldwide economic devastation.

If we all used HCQ or Ivermectin as a preventive for a few weeks, we could get rid of the pandemic completely. But there is no profit in that. They want depopulation and control with a "one world government with less than 500M people in the world" as stated in the Cabal's Georgia Guidestones creed. To complete this task, they need to erode our rights and tear down our resolve with forced vaccination mandates, contact tracing, and quarantine camps which the

Centers for Disease Control CDC and The World Health Organization have their corrupt hands in as well as government collaboration to enforce these restrictions. This creates further division by pitting the vaxxed against the unvaxxed and creating a fear of “doing the right thing”. If the world is scared and following these “rules”, then they can achieve their goals of depopulation and control.

Fauci, Soros and Gates also have these similar pandemic/vaccine scheme connections to Ebola and Aids and seem very focused on places like Africa, which is in dire need of humanitarian aid and where the Cabal has been known to traffick weapons/humans. It is also rumored that these bioweapons are used by CIA/MOSSAD to control and coerce individuals for compliance.

Starting January 23, 2020, the city of Wuhan was on lockdown for 76 days until April 8, 2020 because of Covid-19. But the country of China was only on lockdown for 16 days, reopening February 10, 2020. The United States started a nationwide lockdown March 23, 2020 and some states like New York were locked down until June 27, 2020. California didn't reopen until August 28 2020. How is it possible the source country of the virus was only on lockdown for 16 days? That in itself is suspicious.

Q4335 'Quarantine' is when you restrict the movement of sick people. 'Tyranny' is when you restrict the movement of healthy people. Q

The Deep State Democrats handled Covid-19 and the sick and elderly in nursing homes and assisted living facilities in a murderous way. One example is New York. In March of 2020, Governor Cuomo and Mayor de Blasio set up several multi-million-dollar field hospitals and President Trump sent out the USNS Comfort to assist with Non Covid-19 patients to allow more local resources to be used. He also sent out an unprecedented level of ventilators, PPE and equipment to New York. They barely used them. Instead, they sent the overflow of Covid-19 patients to nursing homes that were forced to comply with regulations that made them take the patients in. This caused Covid-19 to run rampant through these facilities, causing thousands of unnecessary deaths. Governor Cuomo also claimed to give those facilities ventilators, PPE and equipment, but the facilities have denied this. Similar situations also occurred in many other Democratic states like New Jersey, Ohio, Pennsylvania, Minnesota, Connecticut and many others. Out of 43 states reporting such information 42% of Covid-19 deaths have happened in nursing homes and assisted living facilities. They knowingly pushed CV-19 patients into these facilities to inflate death rate numbers and add to their depopulation plan. This should be reclassified as murder!

In September 5, 2021, the CDC reported that deaths with comorbidities is 95% with an average of 4 additional conditions per death. So, it's actually 5% that die that have only Covid-19. Comorbidities are additional illnesses that contribute to the death. Table 3 on the CDC website under 'Comorbidities and other conditions' outlines the types of illnesses that contributed such as Influenza, Pneumonia, Respiratory Distress Syndrome/Failure/Arrest, Hypertension and Heart Diseases all of which are in the top categories as additional cause of death. The CDC Director

admits that the Covid-19 cases were overcounted. Hospitals are labeling deaths like heart attacks and cancer as Covid-19 and the mainstream media helped to push the inaccuracy.

President Trump announced Operation Warp Speed in May of 2020. This was an expedited process to produce vaccines quickly for Covid-19. He put vaccine expert Mancef Slaouli of Glaxo Smith Kline in charge along with General Gus Perna of the US Army. This was in hopes to produce a vaccine by the end of the year, and it bypassed Dr. Fauci's ability to delay any vaccine production efforts which he has a history of doing. The early vaccine allowed President Trump to reopen the country quickly which they were able to do. He also supported therapeutics early on like Hydroxychloroquine (HCQ), an antimalarial drug along with Azithromycin (AZM) and Zinc which the mainstream media balked at. As of January 2021, The American Journal of Medicine now recommends it as a treatment for Covid-19. Ivermectin is another promising treatment for Covid-19. Cases in India are heading way down because they chose to treat with Ivermectin and HCQ. Hundreds of studies on both have shown that they are both effective as a treatment and prophylaxis against Covid-19.

As of September 2021, there are currently four Covid-19 vaccines available; AstraZeneca, Johnson and Johnson, mRNA Moderna and mRNA Pfizer-BioNTech. Both the mRNA vaccines by Pfizer and Moderna can cause side effects like acute Central Nervous System (CNS) demyelination, including Multiple Sclerosis (MS) in 24–64 year-olds. Functional Neurological Disorder (FND) in women in their 30s. Guillain-Barre autoimmune paralysis in ages 43-70. They induce prion-based disease which cause neurodegenerative disorders like Dementia and ALS, which makes it a bioweapon. People who receive the vaccine will also shed these spike proteins infecting people who are unvaccinated.

The AstraZeneca vaccine is causing dangerous blood clots with low platelets in ages ranging from teens to mid-60's. Like the mRNA's, it also causes Guillain-Barre syndrome in ages 43–70 year-olds. The Johnson and Johnson vaccine has a similar issue with blood clots, especially for people under 65, which can cause Cerebral Venous Sinus Thrombosis (CVST). They had removed it from the market in April 2020 for 11 days and it had new warnings added once it returned. The Vaccine Adverse Event Reporting System (VAERS) database contains all of the unverified information on vaccine injuries and deaths. As of September 3, 2021 there have been 14,701 deaths from the Covid-19 vaccines. The current average since July 24, 2021 when 11,405 deaths were reported, comes out to 3,296 or 70 deaths per day. A total of approximately 675,000 cases of vaccine injury have been reported to the database.

Nobel Prize winner Prof. Luc Montagnier claims the vaccines are creating the variants and other epidemiologists are aware of it but remain silent. Antibody-Dependent Enhancement ADE, are the antibodies created by the Covid-19 vaccine that force the virus to find another solution which it does by creating the variants. Scientific trends outline the curve of vaccination to the curve of deaths. He has received support from a long list of medical doctors in the European Medicines Agency.

There is no way to get herd immunity from Covid-19 vaccines. Vaccine immunity does not last long. The CDC admits vaccinated people are still getting Covid in large numbers because the effectiveness has significantly dropped. Herd immunity is working in patients that have had Covid-19 and are exposed to the Delta Variant. So, the CDC's and Fauci's claim that vaccines would help us reach herd immunity is false. Covid vaccines are "leayear-olds.ky" which cause live virus to escape and to live inside a vaccinated person which mutates over time. This, along with animals being able to infect us, ends up making viruses stronger and we will just keep infecting each other. The CDC will continue to push this fear, so everyone becomes even sicker over anxiety, depression and anger about the situation.

This ties back to Wallenberg, who is connected to BlackRock and Vanguard, who have high shares in Johnson and Johnson, Moderna, and Pfizer. The Communist Chinese are connected to the WHO and NIH and are pushing them for the Cabal.

Virologica Sinica published gain of function research in February 2022 that China's Wuhan Laboratory was experimenting with the Monkeypox virus in August of 2021. It allowed for PCR testing of the virus and it used a method that researchers highlighted as creating a "contagious pathogen". In a strikingly similar fashion to World Economic Foundation's Event 201 and Covid-19, there was a biosecurity pandemic simulation for Monkeypox held in 2021 predicting the outbreak in May of 2022. The Munich Security Conference and Nuclear Threat Initiative (NTI) are responsible for the simulation. Ted Turner is on the NTI board, his company Turner Broadcasting is under AT&T which is one of the 5 main corporations that control all of the CIA/MOSSAD mainstream media, Vanguard and BlackRock are their biggest stockholders. Monkeypox is the new Covid-19.

18. Revise Constitution

The National Archives: "The Constitution of the United States contains a preamble and seven articles that describe the way the government is structured and how it operates. The first three articles establish the three branches of government and their powers: Legislative (Congress), Executive (office of the President,) and Judicial (Federal court system). A system of checks and balances prevents any one of these separate powers from becoming dominant. Articles four through seven describe the relationship of the states to the Federal Government, establish the Constitution as the supreme law of the land, and define the amendment and ratification processes."

In order to make changes they must have control of the Presidency and Congress, Senate rules that allow a minority to stop radical legislation must be changed. The 'filibuster' must be removed so bills can be passed more easily with little opposition from the Senate minority. And Vice President Kamala Harris could break any tie in favor of the radical Democrats agenda. The Senate could then vote similarly to the way the House does. In theory it would make changing the Constitution possible. An amendment would require 2/3 vote by both houses and an additional ratification by 3/4 of the states.

"An educated citizenry is a vital requisite for our survival as a free people." Thomas Jefferson

19. Ban Sale of Firearms/Repeal 2nd Amendment

The 2nd Amendment: "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms shall not be infringed." The Constitution

Again, Resident Biden is picking up where Hillary was supposed to be four years ago. In his first few months, he has already called on Democrats to go after the 2nd amendment. Sen. Feinstein and Rep Cicilline already put forth assault weapons bans in legislation. It would ban over 200 types of assault weapons but allow owners to keep what they already have. It would also include background checks on purchases, trades and gifts. They claim this is to prevent domestic terrorism.

Joe Biden will also team up with George Soros and his Open Society Foundation plus 12 other gun control groups, and go on tour to crime ridden cities to explain which best practices they should apply to reduce violence in their cities. There will be no pro-gun advocates joining the tour or giving any input.

Q120 - ...They think you are stupid. Puppets w/o power. They want your GUNS. Why? No power left...

Q3656 - ...Why do [D]'s want to abolish the 2ND AMENDMENT?

"A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed."

What did the Framers of the Constitution fear the most?

<http://www.archives.gov/founding-docs/declaration-transcript>

"—That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—"

Moving the Jefferson statue from City Hall — and erasing history — is a big mistake

By Andrew Stein

October 18, 2021 | 8:00am | Updated

On Monday, the Public Design Commission voted to remove the Thomas Jefferson statue from City Hall.

WHILE THE THOMAS JEFFERSON
Letters to the Editor — Oct. 22, 2021

From: Spent of 76 to 80 at Commission votes to send Thomas Jefferson statue from City Hall to end of year. Council chamber by end of year.

Letters to the Editor — Oct. 16, 2021

After Post reveals plan to send Thomas Jefferson from City Hall, hearing is set.

One of our nation's greatest sins was the unremovable sinning of slaves. That practice has left a legacy of racial disharmony and discrimination. Yet our unremovable past, for better or worse, is a prelude to the future. Learning from it can help achieve our common future.

Unfortunately, Mayor Eli de Blasio has sought to have a statue of Thomas Jefferson located from City Hall, where it has stood for 122 years, because he wants a first president owned statue. This accomplishes nothing and could actually do more harm than good. We can't forget, the statue was placed to make the decision to move the figure from its current location by park and brought to its current location.

Thomas Jefferson was an American statesman, lawyer, architect, musician, philosopher and Founding Father. He was an author of the Declaration of Independence. As a slave for Nobel Prize winner, President John Kennedy.

I look forward to the most extraordinary collection of letters of human knowledge. That has ever been.

Insurgency.

Insurgency is the organized use of subversion and violence to seize, nullify or challenge political control of a region. As such, it is primarily a political struggle, in which both sides use armed force to create space for their political, economic and influence activities to be effective. Insurgency is not always conducted by a single group with a centralized, military-style command structure, but may involve a complex matrix of different actors with various aims, loosely connected in dynamic and non-hierarchical networks. To be successful, insurgencies require charismatic leadership, supporters, recruits, supplies, safe havens and funding (often from illicit activities). They only need the active support of a few enabling individuals, but the passive acquiescence of a large proportion of the contested population will give a higher probability of success. This is best achieved when the political cause of the insurgency has strong appeal, manipulating religious, tribal or local identity to exploit common societal grievances or needs. Insurgents seek to gain control of populations through a combination of persuasion, subversion and coercion while using guerrilla tactics to offset the strengths of government security forces. Their intent is usually to protract the struggle, exhaust the government and win sufficient popular support to force capitulation or political accommodation. Consequently, insurgencies evolve through a series of stages, though the progression and outcome will be different in almost every case.

(Cities like Seattle, Portland, Chicago, New York, Atlanta, Philadelphia, Minneapolis, Detroit and Baltimore; to name just a few)

[D] controlled?

(Democrat or RINO controlled cities)

Define 'stand down' [safe haven] order.

(Liberal city politicians order police to “stand down”, allow rioters to “protest”. This allows their gun control agenda to take center stage. Another type of “false flag” in support of banning guns. Media will highlight the “protest” instead of the violence created with this type of attack on America.

20. Install Corrupt Supreme Court Justices

The Constitution only offers guidance on how the Supreme Court should be set up. It doesn't specify the number of Justices, only that there should be a Chief Justice. Exploiting this loophole would allow the Democrats to "pack" the court. There have been 9 justices since 1869.

The Democrats plan to introduce legislation that would increase the Supreme Court justices from 9 to 13. If passed, this would allow Resident Biden to pick 4 additional judges during his administration. Like most Presidents in the past, they are usually partisan picks, which would mean 4 additional liberal justices on the court, meaning more liberal victories.

21. Remove Electoral College and Install Popular Vote

The Constitutional balances of the Electoral College EC were put in place so no one party could over impose on the other. It was meant as a fair system. The Democrats would like to remove the EC and go with a popular vote. The EC allows for equal distribution of voting so no one state/county will outbalance another by compartmentalizing national elections. A popular vote would allow for highly populated areas to overrun the election and allow just a few major cities to control the outcome of elections.

22. Close US Military Bases Globally

Biden was pressured during his 2020 presidential candidacy to cut the military funding and get rid of the Space Force. There are also plans to close Guantanamo Bay Naval Base in Cuba where they have been holding 9/11 and Indonesian bombing trials for almost 2 decades. Instead of following President Trumps exit strategy for Afghanistan, Biden chose to close Bagram Air Base

first, which ultimately allowed for the Taliban to take over and Biden basically surrendering Afghanistan and \$85B in Military equipment and leaving US civilians behind. (see #14)

23. Destroy and Censor Opposing News Outlets

Conservatives and Alternative media have long been censored by social media platforms like Facebook, Twitter, Instagram as well as Google and YouTube. Resident Biden plans to continue that censorship under the guise of Covid 19 misinformation. Wanting to avoid “false narratives” they will work with Social Media to maintain proper flow on the internet. Spokesperson Jen Psaki claims they will also urge them to work even faster to take down what they consider “harmful posts”. At this time, they are only allowing 2 of their trusted physicians to speak out and have their content boosted. (see #9)

24. Open Borders

Allowing open borders allows for the “great replacement”. To fundamentally change the racial mix of America. As an incentive it invites the poorest on Earth into the country with promises of taxpayer funded programs for support. A constant stream of new Democrat voters. This is not even including the invited crime element being ushered in, intended to weaken America. (see #10)

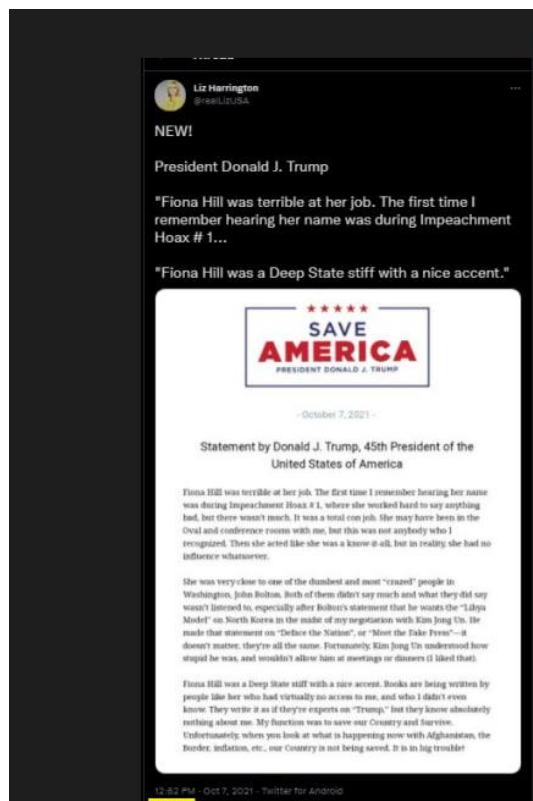

25. Limit and Remove Military Funding

Progressives have laid out a wish list that includes cutting \$200B yearly from the Pentagon. Ending the nuclear refurbishment for the nation and removing the Space Force. The Democrats want to defund the military once again during a time of high tensions between China, Russian and Iran. Over 60 Democrats signed a letter supporting the defunding of the military and in support of an amendment that would push through their agenda.

THEY NEVER THOUGHT SHE WOULD LOSE!

Trump and The 2016 Election Derailed Their Plans

- October 7, 2021 -

Statement by Donald J. Trump, 45th President of the United States of America

Fiona Hill was terrible at her job. The first time I remember hearing her name was during Impeachment Hoax # 1, where she worked hard to say anything bad, but there wasn't much. It was a total con job. She may have been in the Oval and conference rooms with me, but this was not anybody who I recognized. Then she acted like she was a know-it-all, but in reality she had no influence whatsoever.

She was very close to one of the dumbest and most "crazed" people in Washington, John Bolton. Both of them didn't say much and what they did say wasn't listened to, especially after Bolton's statement that he wants the "Libya Model" on North Korea in the midst of my negotiation with Kim Jong Un. He made that statement on "Deface the Nation", or "Meet the Fake Press" - it doesn't matter, they're all the same. Fortunately, Kim Jong Un understood how stupid he was, and wouldn't allow him at meetings or dinners (I liked that).

Fiona Hill was a Deep State stiff with a nice accent. Books are being written by people like her who had virtually no access to me, and who I didn't even know. They write it as if they're experts on "Trump," but they know absolutely nothing about me. My function was to save our Country and Survive. Unfortunately, when you look at what is happening now with Afghanistan, the Border, inflation, etc., our Country is not being saved. It is in big trouble!

Seth Rich.

The FBI released documents that may tie Former Secretary of State Hillary Clinton to the Seth Rich murder. July 2018 emails mentioning Special Council Robert Mueller and Clinton and both mentioning hiring a hit-man and Seth Rich.

According to testimony in 2016 from Silk Road Task Force member Ryan D White who was in charge at that time out of Baltimore MD. Shawn Bridges and Carl M Force IV (Former Deputy Attorney General Rod Rosenstein's Baltimore MD associates) were caught stealing Bit Coin during a Silk Road case in sent to jail. Rosenstein remained in contact with others involved that were never charged.

Former Deputy Attorney General Rod Rosenstein acquired the help of Drug Enforcement Agent DEA Joseph Rosati and Alcohol Tobacco and Firearms (ATF) agent Alan L Boroshok to retrieve the thumb drive that Seth Rich always carried with him which contained the DNC emails, in which Wikileaks ultimately posted. DEA Agent Joseph Rosati testifies that he hired the two MS13 agents Rafael Agular and Carmelo Marmeljo-Calixto, to rough up Seth Rich and retrieve the USB thumb drive. DEA Agent Rosati and former owner of Nexus Consulting Kevin C. Doherty met Agular and Calixtro and brought them to Seth Rich's location. The two MS13 members approached Rich on the night of July 10, 2016, and in a botched robbery of the USB thumb drive, they ended up shooting and eventually killing Seth

Rich. DEA Agent Rosati assisted the MS13 members in their escape 434 miles away to Myrtle Beach, SC where he ultimately shot them dead on July 11, 2016.

Ryan D White claims Rosenstein dealt with all of the loose ends with the Seth Rich case and would ultimately sign the illegal FISA warrants meant to take down President Trump in the Russia Spying collusion. This would allow Vice President Pence to take power and for Rosenstein to be named VP.

-Who was found dead (2) shortly after his murder? What affiliation did they have?

Both DNC Staffer Seth Rich and DNC IT Staffer Imran Awan had inside access to DNC servers. Imram Awan was part of an IT outfit known as the Awan Brothers who were 2 Pakistani Nationals working for the DNC and Chairman Debbie Wasserman Shultz using servers in Pakistan to maintain DNC information.

On July 10, 2016, at approximately 4am, Seth Rich was murdered near his Washington DC home. On July 11, 2016, MS13 Members Rafael Aguilar and Carmelo Marmeljo-Calixto are found murdered with multiple gunshot wounds, 434 miles away in Myrtle Beach. July 22, 2016, Wikileaks begins releasing DNC emails which detail Secretary of State Hillary Clinton and the DNC's effort to shut out Democrat Candidate Bernie Sanders who endorses Hillary Clinton 2 days after Rich's murder. DNC Chairman Debbie Wasserman Shultz resigns over the scandal. July 25, 2016, Imran Awan is arrested for bank fraud charges and cannot leave the country. Both Awan Brothers were detained. In early August of 2016 Julian Assange mentions Rich's murder in an interview about great risks Wikileaks sources take. In the months directly following President Obama, Hillary Clinton, CIA Director John Brennan, DNI James Clapper, House Minority Leader Nancy Pelosi and the Mainstream Media including The Washington Post and New York Times start to spin a DNC Russian election hack story in which a 3rd party contractor CrowdStrike links to the Ukrainian military which was later debunked. On October 7, 2016, Wikileaks releases the first of the Podesta emails whom Wikileaks associate Craig Murray eventually confirms he received from a source in Washington DC. All throughout, members of the Rich family tweet out implications that there is foul play with the DNC. In March of 2017 the Rich family hires DC area detective Ron Wheeler who claims there is evidence Seth Rich was emailing Wikileaks and there may be a connection to Imran Awan.

2016- Five Pakistani DNC IT staffers with no clearance, 3 brothers Imran Awan, his wife Hina Alvi, Abid and Jamal Awan and friend Rao Abbas all had access to congressional servers and IT equipment at the Congressional House. They started getting noticed when a computer equipment request showed \$120,000 missing. Then Imram Awan was arrested and ultimately indicted for Bank Fraud while trying to leave the country and wiring \$165000 at the same time. His wife Hina was allowed to leave the country. When searching his home, the FBI seized computers and found smashed hard drives. The indictment indicated, "Defendants AWAN and ALVI did unlawfully, willfully, and knowingly conspire, combine, confederate, and agree with each other to commit offenses against the United States," regarding bank fraud, false statements and unlawful bank transactions. These individuals all worked for Debbie Wasserman Schultz who continued to double talk and defend them after being caught and even gave Imran Awan another position with the House doing various office jobs for staff.

The events let to a House investigation and the House's Office of the Inspector General report indicated the Democrats were careless and failed to inform the constituents of the breach. There were also indications of nefarious purposes and elevated risk that information/documents were read, stored or removed. Lawmakers have expressed their concerns over Wassermann-Schultz Awan even after the

indictment. Frontpage Magazine did an exclusive report that links the Awan Brothers to the Muslim Brotherhood and Imran Awan has ties to Intelligence through his father Haji Ashraf who was the head of a Pakistani Intelligence agency.

On October 28, 2016, FBI Director James Comey notifies congressional leaders of the emails leaked from Secretary Clinton's personal server and that the FBI will review for classified information. Jan 10, 2017, he informs the Senate committee publicly of the DNC Russian Hack and how they never inspected the devices, instead using Crowdstrike. In March of 2017 he along with NSA Director Rogers appears before the House Intelligence Committee confirming again, that they never had access to the physical machines but relied on Crowdstrike. President Trump fired Comey on May 9, 2017, for mishandling the email and Russian hack controversy. Rod Rosenstein recommended the firing of Comey to the President so he could appoint Robert Mueller as Special Counsel, This action would assist the Deep State's plan to ultimately impeach President Trump.

Woods Procedures:

On Sept 30, 2021, "Execution of its Woods Procedures for Applications Filed with the Foreign Intelligence Surveillance Court Relating to US Persons" Report was released by DOJ Inspector General Michael Horowitz. FISC allows the government to spy on others using the Foreign Intelligence Surveillance Application FISA. Once applied for it's not usually subject to any scrutiny in subsequent proceedings. Because of this the DOJ/FBI have the duty to maintain integrity in the process including supplying all material facts and to correct and misstatements or omissions of facts. According to Rule 13, these must be made in writing and immediately inform the original presiding Judge. This also includes corrections/modifications and steps to correct and disclosure of non-compliance. All must include in steps to correct any and all issues, in writing, to the original Judge.

This report focuses on the Woods Procedures, which is a process that minimizes factual inaccuracies in FISA applications. All statements must be scrupulously accurate before presenting the application to the presiding Judge. The latest sample audit by IG Horowitz included 29 FISA applications. Numerous instances on non-compliance were found using the Woods Procedures in 25 of the files and of the remaining 4 files, the FBI could not supply the original versions. The same 29 files showed over 400 instances of non-compliance s with Woods Procedures and between Jan 2015 and Mar 2020 another 7000 applications had 179 missing required Woods Files. They also found inaccurate and missing information, as well as the information needed to support statements in the documents, instead saying the target supported a specific cause. IG Horowitz's Dec 2019 report on Carter Page's FISA application showed substantial issues and misconduct and even recommended remedial measures to correct the issues created by the FBI.

The Four 2016 FISA Applications:

Paul Manafort
George Papadopoulos
Carter Page
General Michael Flynn

Crossfire Hurricane:

The Obama administration conspired to spy against President Trump, using UK MI5/6/SIS, Five Eyes (FVEY), Israeli NSO (Niv, Shalev and Omri Group) Pegasus Surveillance and FISC to obtain permission. They were also spying on Senator Cruz's presidential campaign.

Queen Elizabeth II of the UK was using Israeli NSO Pegasus to spy on everyone. She called all the shots through Obama's administration. The exchange of classified information flowed freely, with or without the use of FVEY. On the 2016 election night, 7 people (Barack Obama, Hillary Clinton, James Comey, Susan Rice, John Podesta, Chuck Schumer and Adam Schiff) flew to London to have a private secret society meeting with Angela Merkel, Jacob Wallenberg and Queen Elizabeth II. The meeting was to discuss how to remove Donald Trump from the US Presidency using one of their ships that have shipping container missile systems and how to keep their worldwide trafficking scheme quiet.

The Barack Obama and Hillary Clinton's Uranium-1 deal with countries like Russia, Iran and North Korea helped to create an armada of ships that have shipping container missile systems (Club K's) that contain nuclear warhead missiles paid for by US Taxpayers under the guise of the Red Cross, foreign aid and Paris Accord climate funding. They are used to cripple or remove any opponents to their plans effectively creating a blockade using video game chat logs and cell phones to communicate their plans and arm and operate these weapons. Plans that include the treasonous '16 Year Plan to Destroy America' and to prevent any exposure of their worldwide trafficking scheme which includes human/sex trafficking with men, women, children, infants, guns and drugs. This missile system is also used to prevent any delcas or disclosure from being exposed, anything from UFO's to Durham reports.

This scheme also includes the harvesting and worldwide supply of adrenochrome from children with the assistance of Shell Oil pipelines. This ships collect the substance (F assets/intel) from the pipelines and deliver it to individuals based on a class system in which ranking determines use of these assets which are used as feed. Poverty stricken locations are set up as exchange shelters such as Haiti using humanitarian aid organizations like the Red Cross and political organizations like the Clinton Foundation to traffick victims through adoption or other means. The money is funneled back through to the ships and trafficking schemes. The Obama Administration was able to bypass finance paper trails by dumping lots of cash before leaving office. A few other ports of call include New York and Los Angeles Ports, Rotterdam, Antwerp, Port of London, Red Castle or Gibraltar, Las Palmas Canary Islands, Kenya Mombasa, Brest Port, Sine Port, Saigon, Jeddah and Port Harcourt in Nigeria which hosts the F39 Shell Oil pipeline that pumps Adrenochrome from shore to ship. There are even more ports and exchanges worldwide. **Q2658/Q4556/Q3486/Q1559/Q10** [How about a nice game of chess?](#) & [Infiltration & Termination](#)

Some F Assets are kept as controlled pawns and used for key positions for the Cabal. The inner circle. Some are sent to the CIA Farm at Langley Virginia to become intel agents. Agents are placed in positions of need like the mainstream media, congress, political leaders, Hollywood celebrities and other various vocations. These assets are told what to do and say to support the narrative of the Cabal>Deep State.

November 03, 2021: Special Counsel John Durham indicted Igor Danchenko on 5 charges for making false statements to the FBI in 2017. Originally from Russia and known to be a Hillary Clinton supporter, Danchenko worked for the Washington Think Tank: the Brookings Institution (BI) where Bill Clinton was college friends with the former president Strobe Talbot. Fiona Hill introduced Danchenko to Christopher

Steele, Hill and Danchenko were co-workers at BI. Hill was a key witness in the Ukraine Impeachment of President Trump. She is also implicated in the Dossier operation.

Danchenko was the main source for the now discredited Dossier for Christopher Steele in 2016 that was used to create the FISA applications. Joe Biden's current National Security Advisor Jake Sullivan, was the Hillary Clinton Campaign senior foreign policy adviser and the likely operative that set the entire Dossier scam in motion. Sullivan was possibly the lead in the confidential project that came up with the so called Trump/Russia intel that was given to Danchenko who gave the fake information to Steele who subsequently gave it to Fusion GPS, who then pushed it out to the CIA/Mossad mainstream media.

The indictment indicates that Danchenko and a Democrat PR Executive (Charles Dolan Jr. as confirmed by his attorney), collaborated on Trump research intelligence in the Dossier in October of 2016. Dolan later admitted to the FBI that the information he gave Danchenko was false. Danchenko lied to the FBI again stating that in July of 2016 he received a phone call from a Russian Reporter named Sergei Millan who gave him the information on the Trump/Russian collusion story. Millan says the call never happened. Danchenko lied 3 more times stating Dolan did not give him the information, and that he stayed in a Moscow Hotel in June of 2016 when he actually stayed there in October of 2016. He also lied about Dolan being his source. According to Space.com the sun released several Solar Coronal Mass Ejections (CME's) the first week of November 2021 around the time of the indictment; creating auroras, geomagnetic storms, and possible power grid and satellite fluctuations.

The FBI and DOJ knew they had false intel and lied on the FISA applications. Germany helped build the Steele Dossier. The Dossier was paid for by former Secretary of State Hillary Clinton, who held containers ship missiles against people to get it done. It was another set up to take down President Trump. They could not lose control or allow their treason or satanic pedo acts come out. They wanted to rig the election. Senator John McCain and Senator Lindsey Graham pushed it because they are part of the Deep State and every media outlet who reported the false information was sharing a hoax. BuzzFeed News, along with the Soros funded International Consortium of Investigative Journalists (ICIJ). MSM heads conspired with Dems to help push Fake Russia narrative.

Fusion GPS had Perkins Coie Michael Sussmann, paid by Hillary Clinton, and a secret DNC committee with Chair Debbie Wasserman Schultz, CEO Amy Dacey and Mr. Brown push the Russian narrative that President Trump was communicating with a Russian Alfa Bank server in March of 2016. Mr. Sussmann's Sept 16, 2021 indictment reveals in section 7. "The FBI's investigation of these allegations nevertheless concluded that there was insufficient evidence to support the allegations of a secret communications channel with Russian Bank-1. In particular, and among other things, the FBI's investigation revealed that the email server at issue was not owned or operated by the Trump Organization but, rather, had been administered by a mass marketing email company that sent advertisements for Trump hotels and hundreds of other clients." They knew the information was false before they pushed it out to the media, yet they did it anyway.

Durham filed a motion on 2/11/2022 that shows (Tech Executive-1) Rodney Joffe monitored President Trump's internet traffic during and before his presidency. He gave the info to Clinton Campaign attorney Michael Sussmann, who then altered that data to use it against Trump in favor of a Hillary Clinton win.

In 2016, Barrack Obama and FBI Director James Comey told Deputy Director Andrew McCabe and Deputy Attorney General Rod Rosenstein to approve the fraudulent FISA applications for Trump's aid

Carter Page. This allowed Obama to spy on Trump. Obama then pushed the Steele Dossier, supported by the FBI and Director of Counterintelligence Bill Preistap, and that Hillary Clinton paid for claiming Russian Election interference. Director of National Intelligence James Clapper tried to get the Supreme Court to invalidate Trump's presidency while Fusion GPS agent Natalia Veselnitskaya set up Trump's Campaign Manager Paul Manafort for the Trump Tower events regarding Donald Trump Jr and Jared Kushner and then FBI Deputy Asst. Manafort was a deep state plant, deeply in debt to Russian oligarch Oleg Deripaska. So they gave him a way out by setting up President Trump.

Former FBI Special Agent Peter Strzok and Deputy/Acting Attorney General Sally Yates went after Trump's National Security Advisor General Flynn. Obama used UK MI5/6/SIS, Five Eyes, Israeli NSO Pegasus Surveillance and FISC to obtain permission. Assisting were German PM Angela Merkel, UK PM May and CIA Director Gina Haspel, who was the prior CIA UK Station Chief. Obama used Senators Warner, Cardin and Corker and the State Department.

Under FISA UK assist, the surveillance allowed for a '2 hop' rule. Since Carter Page was the target in the original application for Russian spying, the FBI was then able to spy on anyone Page was in contact with and anyone the next person was in contact with. This included President Trump, NSA Director General Flynn, Trump's campaign manager Paul Manafort, Trump's campaign advisor George Papadopoulos, and Senator Ted Cruz. The original application was dated April 1, 2016, 11 days before Carter Page joined the Trump campaign on March 21, 2016, and 10 days after the Buryakov press release identified Page as the Russian agent on March 11, 2016. The FBI used this same application plus 3 renewal applications as their basis for the Dossier, then ultimately the Special Counsel Robert Mueller investigation. This throws off the timeline and shows that Obama's intel team was spying on President Trump and Senator Cruz long before Carter Page was involved and likely earlier during the presidential campaign.

Q1150 - Think timing. LL (Loreta Lynch) remains AG (Attorney General for) HRC (Hillary Clinton). HRC appoints new AS (Justice Anthony Scalia) replacement (Justice Sonia Sotomayor). RBG (Justice Ginsberg) steps down. LL (Loreta Lynch) steps up. New AG (Attorney General) 'The Plan'. Q

Q2088 - ...They always thought if charges were brought [v. them] they would ultimately be safe [SC control] (Supreme Court). [AS] (Justice Anthony Scalia) out [HRC] (Hillary Clinton) appointment(s) >> End of all ends. Final. Did Anthony Kennedy have a choice? Was this the original plan according to HRC election win? What evidence was he shown? RBG replacement [lifetime appointment - age]?...

CIA Director John Brennan and Peter Strzok used an Intelligence Community Assessment (ICA) with the Dossier added to it while Strzok's wife, Melissa Hodgman, was hiding Hillary's email evidence. Hiding Hillary's evidence was also the reason for former President Bill Clinton and Attorney General Loretta Lynch's Tarmac meeting in June of 2016. As an exchange, Lynch was promised a Supreme Court appointment once Justice Ginsberg stepped down. They always thought they would be safe having their nuclear missile ship armada to protect them. They murdered Anthony Scalia in Feb 2016 to maintain control of the Supreme Court and Bill Clinton promised AG Loretta Lynch on the Tarmac in June of 2016 a position on the Supreme Court. In return Lynch was supposed to look the other way at any of Hillary's email/server evidence which she did. Hillary then appointed Justice Sonia Sotomayor to replace Scalia and advised Lynch the plan is for her to replace Justice Ruth Bader Ginsberg. Justice Anthony Kennedy

was shown evidence of this and was forced to step down under threat of missiles/death.) RBG is also a multiple meaning of the Royal Family/The Queen, so she oversaw 'The Plan'.

Adam Schiff was caught leaking classified information in order to damage President Trump regarding Russia collusion. While trying to dig up info on the President and General Flynn, he released classified information about wire transfers in pursuit of Clinton emails by Paul Manafort (who we now know was a Deep State plant) to Buzzfeed. Special Counsel Mueller never found any evidence of any Russian collusion. Schiff repeatedly claimed he had evidence of Trump/Russia collusion but was never able to provide any proof. He also lied about the basis of FISA warrants when he had access to documents proving the Steele Dossier was bogus. While trying to pursue alleged naked photos of President Trump, he got punked by Russian comedians who recorded Schiff asking for photos and recordings.

National Security Advisor Susan Rice unmasked Flynn's meeting with Russian Ambassador Sergei Kislyak, with help from the Washington Post reporter Adam Entous, who leaked it from a source that saw it in a Palpatine's Revenge game chat log discussion. As early as November 2016, unmasking requests to the NSA were made by 16 people including US Ambassador to the UN Samantha Power, DNI James Clapper and then Vice President Joe Biden made a few of the requests. This was before the actual Flynn/Kislyak phone call on Dec 29, 2017, proving a set up occurred beforehand. Approved by Rice in 2017 under Obama's guidance and Russian interference Executive Order, in a purely political move.

During this timeframe, Strzok's FBI interview with Flynn on January 24, 2017, forced Flynn to later plead guilty and be fired about lying to Vice President Pence. Strzok also withheld exculpatory evidence of handwritten notes taken by him, DOJ official Tashina Gauhar and FBI Lawyer Dana Boente, during and after the meeting with Flynn, that found that he had not engaged in any wrongdoing. The FBI kept the case open regardless to pursue Joe Biden's suggested idea to prosecute him under the Logan Act (which didn't apply either).

Trump's campaign advisor George Papadopoulos and Australian Ambassador Downer were spied on by Strzok in London and this was used to set up the Robert Mueller investigation and the 2019 impeachment of Trump.

Strzok's and FBI General Counsel Lisa Page's texts revealed Obama's involvement and plan to take down Trump and hide Hillary's crimes, including crimes against children. Brennan's CIA spied on FISA court head Chief Justice Roberts who was likely blackmailed into all FISA investigations including Flynn's, who was ultimately pardoned by the President. The Illuminati Cabal and Hillary held CIA spying info and shipping container missiles from her armada of ships, against people to get it done.

On November 22, 2017, Attorney General Jeff Sessions appointed US Attorney for Utah John Huber directing him to investigate Hillary Clinton and claims of FBI and DOJ misconduct, which didn't amount to much. So, in May 2019 Attorney General Barr assigned a special counsel to John Durham who is known for successfully prosecuting mobsters like the Gambino, Genovese and Patriarca. He was tasked to go after Boston corruption and in 2005 he investigated the CIA for destruction of videotapes regarding 9/11 interrogations, something that former CIA Director Gina Haspel also did at the CIA black site in Thailand. He is in charge of investigating the Deep State corruption that occurred during FISA as well as other crimes. But it's been delayed because of the shipping container missiles threat to the world.

Most of the information discovered here was received from the Inspector General Michael Horowitz report on FISA released on December 9, 2019, but the IG concluded that the DOJ and FBI largely complied with policies. Both Barr and Durham publicly commented that they disagree with the conclusion of the report. A likely conclusion if the threat of container ship missiles were known.

March 30, 2022 Update - The DNC and Hillary Clinton's 2016 Campaign have been fined \$8,000 and \$105,000 respectively by the FEC Federal Election Commission, for lying about funding the fake Russian dossier against President Trump. The fine will not be contested by either party. Dan Backer of the Coolidge Reagan Foundation who reported it to the FEC said, "This may well be the first time that Hillary Clinton — one of the most evidently corrupt politicians in American history — has actually been held legally accountable, and I'm proud to have forced the FEC to do their job for once. The Coolidge Reagan Foundation proved that with pluck and grit, Americans who stand with integrity can stand up to the Clinton machine and other corrupt political elites." and "Hillary Clinton and her cronies willfully engaged in the greatest political fraud in history — destroying our nation's faith in the electoral process, and it's high time they were held accountable. I hope this is only the beginning."

April 6, 2022 Update - John Durham has revealed text messages that showed the Clinton Campaign lied to the FBI. Durham suggests that the Russia collusion against President Trump was a "joint venture or conspiracy" to rig the election against Trump. Campaign lawyer Michael Sussmann texted the General Counsel James Baker of the FBI that he was not working for any client when he presented the fake Russian dossier to them, which was completely false.

"Jim — it's Michael Sussmann. I have something time-sensitive (and sensitive) I need to discuss," Sussmann texted Baker on Sept. 18, 2016, according to the new court filing. "Do you have availability for a short meeting tomorrow? I'm coming on my own — not on behalf of a client or company — want to help the Bureau. Thanks."

This new evidence will be used by prosecutors at Sussmann's trial.

The Central Tracing Agency of the ICRC

by Monique Katz

The Central Tracing Agency is a permanent and integral part of the International Committee of the Red Cross. Yet it retains an autonomous character during conflicts, as laid down in the four Geneva Conventions. It is the duty of the Central Tracing Agency to carry out the mandate entrusted in time of war to the two central information agencies mentioned in Article 123 of the Third Convention and Article 140 of the Fourth Convention, namely: the central information agency for prisoners of war, and the central information agency for civilian internees and other protected persons. The Geneva Conventions contain about twenty-five articles relating to the role of these agencies, their relations with the Detaining Power, with the "Power of origin", with the captives and with their families. In practice, the work assigned to the two agencies by the Conventions is performed by the Central Tracing Agency, to which the singular noun "Agency" refers in the rest of this article. In short, the role laid down by the Conventions for the Agency consists essentially in obtaining, centralizing and transmitting information relating to military or civilian personnel (living or dead) who have fallen into the hands of an enemy.

Obtaining information

According to the First and Second Geneva Conventions, the Agency should be given the following information about the wounded, the sick, the shipwrecked and the dead taken by an enemy Power:

'The Hapsburgs of the 13th Illuminati bloodline had a sex salon in Vienna, where a porn photographer named Felix Salten worked. Felix Salten wrote a book Bambi, which was then translated into English by the infamous communist Whittaker Chambers. The elite were just beginning to form the roots for today's environmental movement. The book appealed to Disney, because Disney liked animals better than people. In the book, tame animals view humans as gods, while the wild and free animals see humans as demons who they simply called "Him." The book begins with both free and tame animals viewing humans as rightly having dominion over them. In the end, the animals view all humans as simply being on the same level as animals, a vicious animal only fit to be killed. Disney instructed his animators to make the animals "to be human. I want people to forget they are watching animals." Bambi was to receive a Christ-like manger birth, with the animals hailing him as a "prince." Due to his sexual problems, Walt at one point permitted himself to be subjected to the packing of his genitals in ice for hours at a time. (Elliot, Walt Disney Hollywood's Dark Prince, p. 83.) Children were instructed to call Walt "Uncle Walt." An example of this were the Mouseketeers. For those who know how mind-control programmers have traditionally liked to be called "uncle" by their child victims, the insistence by Walt to be known as "uncle" is distasteful. From what this author has learned from some sources about Walt's non-public life as a hidden sadistic porn king, it raises questions about other parts of his life.' Bloodlines

Wow what a show!

President Trump on Tuesday engaged in an extraordinary argument with Democratic congressional leaders over his demand for border-wall funding, threatening a government shutdown if he does not get the money.

"I will be the one to shut it down," he told House Minority Leader Nancy Pelosi (D-Calif.) and Senate Minority Leader Charles Schumer (D-N.Y.) at the White House.

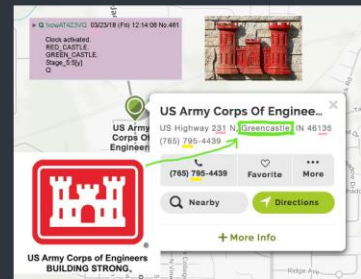

During the contentious meeting in the Oval Office, Pelosi (D-Calif.) repeatedly asked Trump not to discuss the funding request in front of the news media.

"You will not win," Pelosi told Trump.

The meeting was scheduled to be closed to the press but the White House unexpectedly opened it to reporters just as Pelosi and Schumer were arriving at the White House.

The exchanged heightened the sense of drama surrounding government-funding stalemate between Trump and Democrats.

You didn't think the largest MIL spending bill in history (FY 2019) wasn't going to [indirectly] include funding for the wall did you?

Learn the Constitution re: vested powers of POTUS re: matters of NAT SEC.

This was planned and forecasted as the 'border funding' solution from the beginning.

Anons had the proof long ago but shining a light back then would have defeated the primary purpose of showing the 'public' the real objective of D's (party of open borders/elim of ICE/elim of security/defend illegals over Americans _Midterm_elec).

(**President Trump is the Commander in Chief of the US Military. In the event of a terrorist attack or natural disaster (Solar CME) , the Insurrection Act allows the President to use the US Military as a police force. To ratify the powers of this Act, the President must first publish a proclamation order for insurgents to disperse. On Jan 6, 2021 President Trump released a video statement telling Capital protesters to stay peaceful. No violence. And to go home. He then tweeted a similar message a half hour later.

We now know that Antifa and Black Lives Matters were part of the protesters that stormed the Capital building Jan 6. President Trump was actually telling these insurgents to disperse.**

This, and the use of the Law of War manual, will allow President Trump to use the Military to complete the takedown of Wallenberg, while at the same time showing the public the real objective of the Cabal>DeepState, part of which is human trafficking ([Who Funds MS13?](#))

These people are stupid.

I hope everyone is watching the MASSIVE Caravan pouring through Mexico and headed to our Country. This must be stopped before they reach our Border, or before. Just nine months ago, we had the strongest Border in our Nation's history. This should have never happened.

Ever Given docks at Qingdao yard, will reenter service in late October

Ever Given

This year's most famous ship, the 20,126-ton **Ever Given**, finally docked at a Qingdao shipyard yesterday and is now undergoing assessments ahead of a busy repair schedule.

The Shou Kien-owned ship, which suffered damages when it **grounded and stranded the Suez Canal** in March, is now moored at Qingdao's Shou Kien Shipbuilding Heavy Industry, where its repair schedule is expected to last three weeks before it reenters service on an Asia-Europe loop operated by the Ocean Alliance. Much repair work will focus on the ship's bulbous bow (crushed below at Qingdao) yesterday, which was rammed hard into the right bank of the Suez Canal.

The laden Ever Given was held in Egypt for months after it was derailed as a legal fight got underway for damages between the ship's Japanese owner and the Suez Canal Authority. Once freed, the ship's crew and flag allowed the ship to head to northern Europe to offload its cargo at which point it headed back to the Suez and Asia. The 400-m-long vessel arrived off Qingdao late last month and was waiting at anchorage for a suitably large berth space to open up.

Issuance of the First U.S. Passport with an X Gender Marker

PRESS STATEMENT

NED PRICE, DEPARTMENT SPOKESPERSON

OCTOBER 27, 2021

Share

The Department of State continues the process of updating its policies regarding gender markers on U.S. passports and Consular Reports of Birth Abroad (CRBAs) to better serve all U.S. citizens, regardless of their gender identity. As the Secretary announced in June, the Department is moving towards adding an X gender marker for non-binary, intersex, and gender non-conforming persons applying for a U.S. passport or CIBA.

The Department has issued the first U.S. passport with an X gender marker. We look forward to offering this option to all routine passport applicants once we complete the required system and forms updates in early 2022. We will provide updates and information on our website: travel.state.gov/gender.

The Department also continues to work closely with other U.S. government agencies to ensure as smooth a travel experience as possible for all passport holders, regardless of their gender identity.

I want to reiterate, on the occasion of this passport issuance, the Department of State's commitment to promoting the freedom, dignity, and equality of all people - including LGBTQ+ persons.

LAW OF WAR

"small wars" has also been used in military doctrine to describe situations that may be characterized as non-international armed conflicts.¹³ "Low-intensity conflict" and "small wars" are not synonymous with non-international armed conflict, but there is a high degree of overlap between those categories and non-international armed conflict.

17.1.2 **Important Commonalities Between the Law Applicable to International Armed Conflict and the Law Applicable to Non-International Armed Conflict**

17.1.2.1 **Common Baseline Rules.** Certain baseline rules, in particular relating to the humane treatment of detainees, must be observed regardless of the character of the armed conflict.¹⁴ The fact that certain baseline rules are common to international armed conflict and non-international armed conflict means that it may be unnecessary to determine the character of the armed conflict in order to assess whether the law has been violated.

17.1.2.2 **Foundational Principles of the Law of War.** The foundational principles of the law of war are common to both international armed conflict and non-international armed conflict.¹⁵ Thus, reference to first principles in the law of war may be most useful in assessing the rules applicable during non-international armed conflict.¹⁶

17.1.2.3 **Rules for Conducting Operations Against Unprivileged Belligerents.** Rules for conducting operations against unprivileged belligerents are found in both the law applicable to international armed conflict and the law applicable to non-international armed conflict.

10.32 ROLE OF THE PROTECTING POWER IN THE GC

The Protecting Power is an organ for ensuring implementation of the GC. The Protecting Power has extensive duties under the GC. It transmits information between belligerents, monitors compliance with the GC, and takes an active role in promoting the welfare of protected persons.

3.4.2.2 **Distinguishing Armed Conflict From Internal Disturbances and Tensions.** In assessing whether *de facto* hostilities exist for the purpose of applying *jus in bello* restrictions,

President Donald J. Trump announces his endorsement of Geoff Diehl against "RINO" Massachusetts Governor Charlie Baker

- October 5, 2021 -

Endorsement of Geoff Diehl

Republican gubernatorial candidate Geoff Diehl of Massachusetts looks very much forward to his run against "RINO" Governor Charlie Baker, who has done nothing for the Republican Party and has driven Massachusetts energy costs into, by far, the highest in the Nation—monthly electric bills, and all else, are not even close to being where they should be. Baker is bad on crime, disrespects our police, does nothing for our Veterans, has totally botched the Vaccination rollout, presided over the collapse of the MBTA, and has seen crime go to record levels. His "green climate" views are fresh out of the AOC playbook. He has totally abandoned the principles of the Republican Party, never cutting taxes and undermining our agenda. Baker is definitely not an American First or Make America Great Again kind of guy. Geoff Diehl, on the other hand, is a true patriot, a believer in low energy costs and our independent energy policy (which was just obliterated by the Biden Administration with energy costs soaring!). Geoff is strong on Crime, Election Integrity, our now under siege Southern Border, loves our Military, and has a big focus on taking care of our Vets. Geoff Diehl will be an outstanding Governor for the state of Massachusetts, and it is my honor to give him my Complete and Total Endorsement!

Weissmann [Mueller] failed. (The plan to keep their Pedophile secrets quiet has failed)

Leaks failed.

Fake news reports failed.

Impeachment failed.

CDC/WHO (China CCP) recommend 'do not close' border failed.

What if C19 didn't exist? (Their D5 Last Resort plan also includes a Solar Coronal Mass Ejection CME along with missiles in ship containers. This armada is used to ensure that their secrets never get out. They would rather destroy the world than let the truth be known. If it didn't exist we would have less blackmail and corruption and probably no human, drugs or arms trafficking.)

Economy today? (Current Quarter 2, Gross Domestic Product GDP is 6.7%)

Unemployment today? (As of Sept 3 2021, Unemployment is at 5.2%)

Trade today [China phase II held accountable]? (Current trade for August 2021 is \$73.3B)

Rally POTUS v BIDEN attendance? (Attendance for any rally President Trump holds is always over capacity by thousands and an overflow area is always set up with a jumbo TV so people can still watch. Joe Biden events are always small and intimate, maybe 100 or so people and low turnout is blamed on Covid restrictions.)

BIDEN interview(s) non_basement?

BIDEN question(s) non_basement? (Questions for interviews are always fed to Biden in advance. So are the answers.)

Removal of delay(s) re: Durham (GJ + interview(s) + testimony + DECLAS]? (The Durham report, and any declas, is delayed on purpose due to the constant threat of the ship missiles system the Cabal>Deep State holds over everyone.)

Removal of BIDEN ammunition P_Debate 1, 2, and 3 [200k dead, down-economy, unemployment, debt, ...]? (The removal of most of The Cabal Wallenbergs and The Deep State Bidens ammunition has occurred after lengthy discussions and military operations.)

Removal of mail-in ballot harvesting + fraud [normal in-person voting]? (The use of their ships has been removed, so they can no longer harvest children using their shipping container missiles system.)

Removal of tech [tyranny] censorship [WHO foundation _anti WHO = suspend/terminate [C19 basis]]? (The removal of Big Tech tyranny is starting to happen, as we saw with the 5-hour outages on 10/04/2021. President Trump filed an injunction the same week to be reinstated to Twitter and social media for his Jan 2021 suspension, China's Big Tech claimed he was inciting violence and insurrection. The lessened threat of the Solar CME should allow things to go smoothly.)

Removal of bailout attempt re: CA & NY [debt solution]?

(California and New York can no longer ask for weather related bailouts which generate money for their state and special funds. President Trump removed their weather modification capabilities to create massive destructive storms, and he has removed their ability to use Direct Energy Weapons DEWs to start wildfires in the western part of the US. Antifa was also stopped from lighting fires in the area that allowed them to collect federal emergency funds.)

.....
MATHEMATICAL PROBABILITY OF C19 EVENT AS SOLUTION TO ABOVE _PERFECTLY TIMED 'WINDOW

OF OPPORTUNITY' START RE: IMPACT NOV 3 P_ELECTION ADV [D]?

(White hat (Good guys) operations using the Law of War began at the end of July 2021 and then D5 last resort plan and Solar CME threat started from the Cabal Wallenberg.)

WHO BENEFITS THE MOST? (The Cabal would have.)

2020 Election

Mike Lindell has provided tons of documented evidence of Voter Fraud in Maricopa County AZ, in a Documentary called 'Absolute Proof' and he has presented it multiple times for the American public. Dominion voting machines tampering, cyber intrusions (mostly from China) on election night, phony paper ballots, dead voters and voter intimidation just to name a few. Dominion and Smartmatic machines have connections to George Soros.

September 25, 2021, the Maricopa County 2020 Election audit results were released. The audit included 1500 volunteers. Over 2.1 Million ballots were hand processed and with 57,000 ballots that may be legally in question which is more the 5x the amount of votes that Biden supposedly won by (10,457). Karen Fann, the Arizona Senate president claims the audit received unnecessary obstruction from Maricopa County by going to court and the use of subpoenas. The audit uncovered significant evidence of broken statutes and personnel not following chain of custody. Election systems, record keeping, signature verification match and voter roll issues need improvement and investigation. Because Maricopa County officials refused to cooperate it was impossible to complete the audit.

It was led by Cyber Ninjas Doug Logan and Ben Cotton, as well as an independent team including assistance from Dr Shiva Ayyadurai for audit analysis, Randy Pullen and Ken Bennet presented election laws. Senator Peterson identified critical issues encountered while obtaining the audit including audit obstruction, the numbers don't add up, "It appears they broke the law with duplicate ballots", people need to be held accountable for mistakes, chain of custody issues, data files were not preserved, weakness in Cyber Security and missing signatures on envelopes. The routers, Splunk data and Netflow data were never given to the auditors for review, this would have shown internet traffic which was not allowed. The actual recount in the audit showed Joe Biden won by 994 votes but also showed a multitude of evidence that fraud was committed.

In August of 2021 Maricopa County was threatened by Attorney General Brnovich, if they didn't release the routers then millions in government funding would be withheld. Arizona Senate president Karen Fann's brother Mike Fann owns Fann Contracting which negotiated for the states road rebuild project on September 14, 2021 and 3 days later Karen Fann signs MCBOS agreement for AZ Senate that allows Special Master John Scadegg to describe the routers contents to the auditors if they will release government funding for Maricopa. She retires on November 1 and Fann Contracting gets the \$445,940,000 road rebuild contract 2 days later.

Mail in ballot issues:

Mail-in Ballots Voted from Prior Address 23,344; More Ballots Returned by Voter Than Received 9,041; Potential Voters that Voted in Multiple Counties 5295; Official Results Does Not Match Who Voted 3,432; More Duplicates Than Original Ballots 2,592; In-Person Voters Who Had Moved out of Maricopa County 2,382; Voters Moved Out-of-State During 29-Day Period Proceeding Election 2,081

Maricopa had originally refused to do a canvas, which would show the number of votes cast should not exceed the number of voters. The ballot delta is currently 11,592. A Canvass was run by citizens and led by Liz Harris during the audit instead. On its Canvass report, Maricopa had not counted any duplicate ballots. Another Canvass could validate findings even further as could an investigation by the Attorney General. As of Sep 26, 2021, 41 legislators from various states wrote letters calling on a 50-state audit.

There were 29,557 duplicate ballots and 26,965 were sent for duplication, leaving 2,592 more duplicate ballots counted then sent. When attempting to resolve discrepancies the audit team was met with resistance by Maricopa County. Unidentified and misidentified ballot batches were supplied which draws questions to signature verification verifiability. Dr Shiva found 17,322 duplicates in which some cast 3- and 4-times mail in ballot signatures, 25% were received after the election.

Other ballot anomalies:

Received without Record of Being Sent 397; Voters With Incomplete Names 393; Deceased Voters 282; Late Registered Voters with Counted Votes 198; Double Scanned and Counted Ballots 50.

The audit results show that over 1 million files were missing, and 284,412 ballot images corrupted from the Election Management Server EMS, and logs were cleared. Maricopa County disputed that this happened. There were statutes being broken and chain of custody issues regarding ballots and they were not always delineated, or they had missing serial numbers. These will all need to be investigated. Computer and cyber security protocols were not followed, like patch and credential management. Best practices by Cyber and Infrastructure Security Agency CISA were ignored as well. Counties should always be able to be in control of their administrator passwords for voting machines to maintain monitoring and integrity. Fake paper was used in 100% of the ballots instead of VoteSecure stock. When asked to research paper, ink, toner and ballot formats further, Maricopa County blocked the request.

74,243 more ballots were received then sent out, 11,326 didn't show up on election but did show up on Dec 4, 2020. 3981 voted but registered after Oct 15, which would disqualify them from voting in the 2020 election. An estimate of 57,000 votes with improper voter discrepancies voter registration were found. This type of fraud could invalidate the election and should be criminally investigated. Also, a Kinematic Artifact processing is checking the ballot images and will fully map all printer miscalculations with a report available shortly.

Additional audit tallies:

Votes Counted in Excess of Voters Who Voted 1551; Voters not part of the Official Precinct Register 618; Ballots Returned Not in the Final Voted File 430; Duplicated Ballots Incorrect and Missing Serial Numbers 500; Mail-In Ballot Audit UOCAVA Count Does Not Match the EAC Count 226; Date of Registration Changes to Earlier Date 194; Duplicate Voter IDs 186; Multiple Voters Linked by AFFSEQ 101; UOCAVA Electronic Ballots Double Counted 6; Duplicate Ballots Reuse Serial Numbers 6; Individuals

voted in more than one county 5,047, for up to 5,295 additional votes; Voters cast ballots using incomplete names 393; Individuals who registered after the Oct. 15 deadline voted anyway 198; Voters shared a registration number with another voter 2,861; Votes appeared to be cast in the names of dead voters 282; Voters appeared to have duplicate voter IDs, both of which were presented at separate times 186.

The Democrats have a history of cheating in elections. A Philadelphia Judge of Elections, Domenik DeMuro, was caught adding votes for Democrats in the 39th Ward in 2014, 2015 and 2016.

In Troy New York, Former Democratic City Clerk William McInerney, Democratic Councilman John Brown, and Democratic political operatives Anthony Renna and Anthony DeFiglio were caught forging signatures on absentee ballots for the Working Families Party Primary in 2009. All four plead guilty.

In 2016 Project Veritas uncovered that the New York City Democrat election commissioner Alan Schulkin admitted on film “there is a lot of voter fraud”. Democrat Operative Scott Foval admitted they “bus people in”, using fake shell companies, out of state voters are hired just to vote and then paid off through the shell companies.

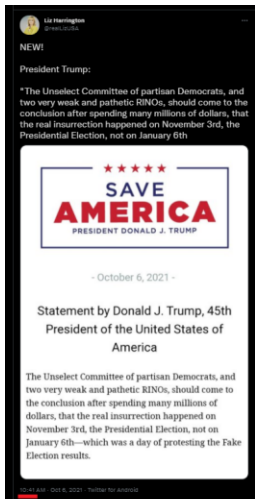

House Resolution 1 (HR-1) transfers authority in how elections are run from the State to the Federal Government. It mandates voter registration for anyone registered at the Department of Motor Vehicles, Public Universities or any social service agency. It also mandates that States comply with these new laws regardless of their state laws. Unmonitored absentee voter drop boxes must be made available 24 hours a day within 45 days prior to federal election. This also allows for curbside voting.

It forces states to redraw congressional district lines to show “racial, ethnic, economic and gender” diversity. It removes any requirements for Voter ID and allows illegal immigrants and felons to vote and allows for ballot harvesting. It limits the ability for lawsuits against HR-1 and recommends statehood for the District of Columbia. It limits free speech against the law and considers it “misleading information”. Penalties could be up to 5 years in prison.

It is illegal in the United States for non-citizens to vote in elections. Regardless some jurisdictions allow immigrants to vote. Immigrants are also counted when remapping congressional districts which allows for more electors. These things apply even if they have broken the law. 6.4% of Immigrants voted in the 2008 presidential election according to a 2014 study. The majority of Americans are against non-citizen voting. Voter ID requirements demonstrate identity and citizenship greatly reduce voter fraud.

**This also has a multiple meaning of removing Jacob Wallenberg from power through the use of cyber and information warfare.

News Unlocks Map.

News unlocks map.

Future proves past.

Why was the Lord's prayer posted? (To show the original wording from the Bible)

Which version? (Catholic version.)

Why is this relevant? (Q is bringing attention to the powers of the Catholic church and the Vatican)

What just came out re: the Lord's prayer? (In Dec 2017, Pope Francis called for the Lord's Prayer wording to be changed. He received backlash for the changes, some calling it an "abomination")

What can be connected? (Q posted this section with the 9/11 drop, so they are asking to make connections. The CIA and the Vatican are deeply connected. They have a history of working together that goes back to World War II when the CIA was known as the OSS. The CIA uses the Vatican for its knowledge and political leverage and the Vatican uses the CIA as a type of foot soldier for world reach)

Do you believe in coincidences? (The CIA was directly responsible for creating, and then continuing, the farce of 9/11, so the Vatican must be involved as well.)

Re-review the map post relevant news drops.

Godfather III. (The Godfather, Michael Corleone tries to leave the Mafia and become a legitimate businessman by facilitating a deal with the Vatican and a company called Immobiliare. However, the Vatican is more corrupt than The Don's Mafia. His family does not want to go legit and wants to continue in the Mafia. **As a side note, oranges represent mortal danger and this is a reference to a scene in The Godfather where Vito Corleone buys oranges just before he is sprayed down with bullets in an ambush)

Q

Tues Nov 4th,

Who financed 9-11? (Court evidence from a 9/11 lawsuit suggests that the Saudi Royal Family was involved. Two of the hijackers, Mohammed al-Qudhae'in and Hamdan al-Shalawi actually worked as Saudi government agents. The leader, Muhamad Atta, was being funded by the Saudi government. Al Qaeda operative Zacarias Moussaoui said in a sworn deposition that high ranking Saudi officials and Royal Family members were involved, such as ex Saudi Intelligence chief Prince Turki al Faisal, Prince al-Waleed bin Talal, and top Saudi clerics who funded the operation.)

Who was Bin Laden's handler? (Raymond Davis. According to Gordon Duff (Veterans Today Senior Editor) there is evidence out there to show Bin Laden died of an illness in 2001 and the CIA had been propping up his identity with clones or look-alikes for years to keep the wars going. According to the Intelligence community his body was recovered by US Special Forces in 2001 and kept in cold storage for later use. The CIA kept the facility next door in Abbottabad Pakistan where Bin Laden was allegedly located. Raymond Davis was in charge of the safe houses. There is also evidence that the Bush family,

especially former head of the CIA George HW Bush and Bin Laden were acquaintances since the 1970's. They were originally recruited by the CIA for the Soviet Afghan war and were repurposed by the CIA for the War on Terror. The final raid on the Abbottabad compound in 2011 by the Navy Seals was mostly for political show with a hasty burial at sea to cover any identity issues.)

Why was the Clowns In America tasked to hunt/kill/capture UBL?

Why not MI? (CIA was tasked to hunt and kill Bin Laden because they were directly involved and handling the case since Pre 9/11. Military Intelligence was not as intimately involved.)

If we found UBL, eliminated his security, why would we immediately kill him and not take him alive?

(Bin Laden was used to extend the wars in Afghanistan and Iraq. Keeping him alive through clones/look-alikes kept the wars going. Endless wars are big money and political excuses to limit freedoms just like the Patriot Act in 2001, which allowed warrant-less surveillance and was used to spy on Americans.)

Why wouldn't we want to capture UBL alive and extract other possible T-level events? (The CIA would not want to give him an opportunity to talk to the public in any way. That could lead to leaks about the truth and their cover up. A possible Termination Level event to cover it up was discussed.)

Perhaps someday people will understand 'they' had a plan to conduct 'another' mass extinction event.

(Termination Level Event just like the Solar Coronal Mass Ejection CME event.)

WWI and II - orchestrated and planned by select families? (Mainly, the Rothschilds and the Onassis families instigated World War I by getting a heads up on Archduke Ferdinand's assassination. The rest of the Illuminati families went along with it. The Rothschilds, Morgans, Dulles and Warburgs mainly prompted World War II. They used the event to create the League of Nations, their first attempt at starting their one world order. It failed but other goals were met; a Russian Satanic dictatorship was established, the creation of weapons of mass destruction, control over Palestine by the Rothschilds, military power including airplanes, missiles, alien aircraft and submarines, the cold war and the United Nations.)

Fantasy land. (CIA operations run all over the world and everyone plays a part. Nothing and no one is real)

Remember, the more people there are, the more power the people have.

Why do D's push for gun control 'directly' after every tragic incident? (Democrat created false flags help to get them to their goal of taking away America's guns. A false flag is a real event but usually planned. Mass shootings are a good example. Once the shooting occurs, the media analyzes it and plays the propaganda on TV for the next week or two straight. By the end of the two weeks, they have folks convinced that the country needs gun control. Sandy Hook was a particularly sore point because little children were involved, but you have to understand they only care about their agendas.

-Define 'False Flag'. An event created as a distraction or to change the narrative. For example, a school shooting. The event isn't necessarily fake, but it's definitely planned. In the case of school shootings, the narrative will be changed to control in the CIA/MOSSAD media. An example would be the Marjory Stoneman Douglas High School at Parkland shooting in 2018. It was a real event but planned. Even actors like CIA/MOSSAD asset David Hogg were set in place to maintain a gun control narrative. Students report multiple shooters. Alexa Meidnik and Jalen Martin both claim seeing at least two shooters. Some unnamed students also claim there were multiple shooters in different attire, one being tactical gear and a gas mask whom Jalen saw tossing smoke bombs, and Teacher Stacey Lippel witnessed that tactical gear shooter which didn't match the attire Nikolas Cruz was arrested in.

The Secret Service was at the school weeks before performing active shooter drills using gunfire with blanks and crisis actors panicking and screaming. The actual code red drill was scheduled for the day of the shooting. Witness testimonies/videos by students that "army people" were there hiding bodies under mats and leading students to rooms and directing them to stay there- but the media never reported this. Laura Ingraham reported that Broward County police were ordered not to enter the building without a body camera. Since the entire precinct does not have body cameras, no one ever entered the school. Pro-gun legislation was scheduled to be voted on that day, and the next, in Florida.

The shooter, Nikolas Cruz, was likely coerced by a therapist and CIA MKUltra techniques into committing the shooting. On the day of his arrest, he was saying voices and demons made him do it. One of his therapists, Henderson Behavior Health, had him play violent video games as a form of "anger management". Henderson is funded by the United Way which is funded by Microsoft (Bill Gates), Amazon (Jeff Bezos) and Pfizer which connects to BlackRock, Vanguard and Jacob Wallenberg.

Why is this so very important to their agenda? (By taking our constitutional rights and rifles away they can achieve their goals of a weakened more controllable American population which will be susceptible to their one world order, one world, one government socialism. The United Nations disarmament 2030 Agenda plans on removing guns to for the maintenance of peace and security for their own protection. The UN also claims disarmament would achieve good health and quality education to gender equality, economic growth reduced inequalities and safe crisis.)

We, the people, are who they are afraid of.

We, the people, are who they fear will one day awake.

Our Father who art in heaven,

Hallowed be thy name.

Thy kingdom come.

Thy will be done

on earth as it is in heaven.

Defend Florida Statement Nov 1, 2021

"You Got Fraud - By Mail"

Defend Florida is an all-volunteer, citizens' organization who does not fund raise and is not a 501(c)(3) or (c)(4). All Defend Florida volunteers are highly trained and instructed on nonpartisan canvassing techniques.

The majority of lawless phantom votes were cast by **YOUTUBE MAIL** ballots.

Defend Florida volunteers canvassed Florida registered voters and gathered information on over 10,000 registered voters as of Nov 1, 2021. Of these, 5,381 voted in the 2020 election. Of those that voted, 3,876 voted by mail and 1,505 voted in person.

Of the 3,876 canvassed voters who voted by mail, 789 or 20% were phantom votes.

A Phantom vote is a vote cast where the voter is deceased, does not live at the registered address, or the registered address is not a residential address.

The total number of Florida voters who voted by mail in 2020 is 4,800,000.

The 20% phantom mail in votes cast in 2020, when extrapolated to the population of vote by mail ballots cast (4.8M), yields **960,000 potential phantom votes cast in the 2020 election.**

For more information, visit DefendFlorida.org

Please contact Secretary of State, Laurel Lee, to inquire why there are so many illegitimate voters on our voter rolls.

1. Note: This analysis focuses on the majority of the problem - vote by mail. This does not include the phantom votes recorded as having voted in person.

Will recent [expected] voter fraud actions by the D party provide support for a VOTER ID LAW?

VOTER ID LAW = DEATH OF D PARTY.

Boomerang Suicide?

Q

Queen Elizabeth II, who leads the Cabal> Deep State, uses their container ship missiles to control Democrat politicians and Hollywood pop stars/celebrities. They depend on these missiles to keep their CIA/MOSSAD political and celebrity assets in line and so the world does not discover the shocking truths about their human trafficking, satanic practices or human hunting parties (including the use of Adrenochrome). Illegal immigrants are sent to high population zones in the US to increase democratic votes. FACT: The way the electorate is set up currently does not give them the votes they need, so they seek to change the demographics. More illegal immigrants to the locations needed to increase their numbers in votes.

We are now in the Great Storm, and it has God waking people up and researching for themselves now and there will be amazing discoveries.

The Cabal> Deep State conspired to commit voter fraud and released the Covid-19 virus to affect the election by pushing mail in voting in the 2020 Presidential election. Now the public is seeing and waking up to this issue, which will result in a boomerang suicide death of the Cabal> Deep State.

The Cabal> Deep State and Communist China created and released the Covid-19 virus in 2020 order to cheat in the election. They used their Democrat assets to rewrite election laws right before election day.

The fear created by the pandemic allowed Democrats to propose changes like automatic/same day voter registration, ending voter ID requirements, allow for early voting and vote by mail with the last creating the most issues since it allows for rampant voter fraud. Voting by mail is unconstitutional unless you have applied for an official absentee ballot. The difference between absentee ballots and mail in voting is that the former is certified, requires the voter to apply using their official residence and the latter is not certified, no ID is required, and any unofficial ballot can be mailed in. Combined with ballot harvesting, where “volunteers” collect these unofficial mail in votes in bulk and deliver to voting centers in which anything could happen to these ballots during any part of the process including voter fraud like removing candidate ballots, adding forged or fake ballots to create an increase in voting counts for certain political candidates. *Cough**Cough* Joe Biden

Transcripts of Lisa Page's Closed-Door Testimonies Provide New Revelations in Spygate Scandal

Jeff Carlson

January 15, 2019 Updated January 15, 2019

Transcripts of two closed-door testimonies by Lisa Page, the former assistant general counsel at the FBI, have provided new insights into the actions of the FBI, DOJ, and others—including CIA Director John Brennan—regarding their investigation into Donald Trump.

Included in the transcripts provided to us is information suggesting Brennan was aware of the so-called Steele dossier in early August 2016, and that he included information regarding the dossier in a briefing given to then-Sen. Harry Reid (D-Nev.).

Other key points in Page's testimony before Congress:

- The FBI appears to have considered investigating President Trump for obstruction of justice both before and after FBI Director James Comey was fired.
- Page says the DOJ refused to pursue "gross-negligence" charges against Hillary Clinton over her use of a private email server to send classified information.
- FBI agent Michael Gaeta, head of the Eurasian Crime Squad, who received the dossier from former MI6 spy Steele in July 2016 is referred to in the transcript as Steele's handler.
- The FBI maintained a previously unknown verification file for the Steele dossier. Congressional investigators did not previously know of its existence.
- John Carlin, the head of the DOJ's National Security Division, was kept abreast of the FBI's investigative activities through contact with then-Deputy FBI Director McCabe.
- Page worked directly for DOJ official Bruce Ohr for at least five years and had met his wife, Nellie, once.
- The role of FBI Agent Jonathan Moffa and DOJ official George Toscas may have been greater than initially assumed.

Page noted that she only traveled abroad once while she worked for McCabe, in December 2016, on official business in London. Strzok traveled with her, as did three other unnamed individuals. One individual that Page specified as not being part of the trip was Bill Priestap, the FBI's head of counterintelligence. Page was prohibited by FBI counsel for detailing the purpose of her visit.

Why do we make things public?

(In this global war chess match, Cross-talk or X passport marker confirms that UK's Queen Elizabeth II will attempt to increase the Mainstream Media and Social Media far left narratives meant to maintain control and censorship using China-Russia-Iran cyber hacking and attacks and artificial intelligence, CIA/MOSSAD fake news social media operatives/platform moderators and Bot commenters. But this has failed. Election interference will be exposed. Countermeasures are in place, such as the Emergency Alert System. White Hat controlled news and video streaming platforms will be in place and set up essential public utilities to maintain government regulation and chaos control. This will allow for total transparency to the public to provide truth and guidance in this situation.)

(My telegram page is also providing testimonies of Queen Elizabeth II's involvement in attempting to control our US government with the use of spying intel and a ship armada armed with depleted nuclear missiles, mostly obtained from the Iran/Russia/North Korea Uranium deal through taxpayer funding. As head of the Cabal, she orchestrated the use of these tactics along with Barack Obama and Hillary Clinton of the Deep State, garnering this spy information from Clinton's private email servers as well as the Awan congressional DNC servers. This information was also used to create the Steele Dossier, a fake Russia election interference document, which Hillary Clinton paid for. This plan, along with a plan to assassinate President Trump originated in London. The latter occurred on election night of 2016 when Trump beat Clinton.

The Cabal leader, Queen Elizabeth II of the UK, was using Israeli NSO Pegasus to spy on everyone as well as DARPA controlled spying/listening phone apps like Facebook, Google and Twitter. She called all the shots through Obama's administration. The exchange of classified information flowed freely, with or without the use of FVEY. On the 2016 election night, 7 people (Barack Obama, Hillary Clinton, James Comey, Susan Rice, John Podesta, Chuck Schumer and Adam Schiff) flew to London to have a private secret society meeting with Angela Merkel, Jacob Wallenberg and Queen Elizabeth II. The meeting was to discuss how to remove Donald Trump from the US Presidency using the one of their armada of ships that have shipping container missile systems that contain depleted nuclear DNC weapons, as well as direct energy weapons DWS. They also discussed how to keep their worldwide trafficking scheme quiet.

This scheme includes the harvesting and worldwide supply of adrenochrome from children with the assistance of Shell Oil pipelines. The ships collect the substance (F assets/intel) from the pipelines and deliver to individuals based on a class system in which ranking determines use of these assets which are used as feed. Low poverty locations, such as Haiti, are set up as exchange shelters using humanitarian aid organizations like the Red Cross and political organizations like the Clinton Foundation to traffick victims through adoption or other means. A few other ports of call include New York and Los Angeles Ports, Port of London, Red Castle or Gibraltar, Las Palmas Canary Islands, Kenya Mombasa, Brest Port, Sine Port, Saigon, Jeddah and Port Harcourt in Nigeria which hosts the F39 Shell Oil pipeline that pumps Adrenochrome from shore to ship. There are even more ports and exchanges worldwide. Then ships travel around the world to deliver via the class system which includes world leaders, politicians, intel officials like CIA/MOSSAD, Hollywood elite, social media heads, mainstream media as well as other community leaders.) **Q2658/Q4556/Q3486/Q1559**

Q2054 - <https://www.whitehouse.gov/presidential-actions/presidential-proclamation-national-preparedness-month-2018/> National Preparedness Month is a time to focus our attention on the importance of preparing our families, homes, businesses, and communities for disasters that threaten our lives, property, and homeland. During this time, we also honor the brave men and women who selflessly respond to crises and disasters, rendering aid to those in need. These first responders, who

work tirelessly to safeguard our Nation and protect our citizens, deserve our utmost gratitude and appreciation. Over the past year, communities nationwide and across the Territories have witnessed and endured damage from multiple hurricanes, wildfires, tornadoes, floods, volcanic eruptions, and other natural disasters. The historic hurricane season of 2017 included three catastrophic storms that made landfall within a month, and was followed by a destructive series of wildfires in California. Combined, these natural disasters affected 47 million people and tens of thousands were mobilized to provide aid, comfort, and assistance. We are also especially mindful of those currently affected by ongoing wildfires in California, Oregon, and Colorado. In spite of tremendous challenges, the resilience of the American people continues to prevail. Tragedies are somber reminders that preparedness is a shared responsibility and that it is critical to maintain readiness. All Americans can prepare for potential disasters by developing and practicing a family emergency response plan, assembling a disaster supply kit, signing up for alerts on mobile devices, setting aside emergency savings, and maintaining adequate insurance policies for their homes and businesses. The Federal Emergency Management Agency's Ready Campaign outlines other important steps to best prepare for a major disaster. This month, I encourage all Americans to take the opportunity to ensure they have an emergency response plan in place and ready to be properly executed. Emergencies and disasters test the resilience and strength of families, communities, and our Nation. It is impossible to avoid every challenge and threat, but we can and must prepare for them. By doing so, we can help protect our communities and save lives. NOW, THEREFORE, I, DONALD J. TRUMP, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim September 2018 as National Preparedness Month. I encourage all Americans, including Federal, State, and local officials, to take action to be prepared for disaster or emergency by making and practicing their emergency response plans. Each step we take to become better prepared makes a real difference in how our families and communities will respond and persevere when faced with the unexpected. IN WITNESS WHEREOF, I have hereunto set my hand this thirty-first day of August, in the year of our Lord two thousand eighteen, and of the Independence of the United States of America the two hundred and forty-third.

October 29, 2021

Statement by Donald J. Trump, 45th President of the United States of America

The *Wall Street Journal* just did a white-washed statement, so incorrectly, almost as incorrect as their views on tariffs against [China](#), a country that has been ripping off the United States for years (not even including the disaster of the [China Virus](#)), trying to justify the fraud of an election in Pennsylvania, but also saying "even if" we are right, "Mr. Trump would be two states short of victory."

Wrong! We were only talking about Pennsylvania, we weren't talking about other states, which are also wrapped up in large scale fraud or election improprieties. As an [example](#) take a look at what happened yesterday in Racine, Wisconsin, where a brave Patriot Sheriff and his staff found fraud and criminal activity with regard to what took place with ballot harvesting and other things in nursing homes, which the Wisconsin Election Commission ordered to be done throughout the state. This is just the tip of the iceberg.

There are many other improprieties in Wisconsin, including numerous laws broken, [according](#) to a new report from the Legislative Audit Bureau, who identified at least 44,272 illegal "indefinitely confined" votes who did not show Voter ID. Almost 7% of a sample of mail-in ballots were missing information required by law, and therefore should not have counted, which would amount to 32,431 illegal ballots.

Just one example of fraud in Georgia (and there is so much more!) is enough to swing the election, as 43,907 ballots from Facebook funded drop boxes [violated](#) Chain of Custody requirements, and were thus illegally counted? In Michigan, even the RINOs in the state senate confirmed roughly 45,000 ballots were delivered to the TCF Center in Detroit with no Chain of Custody at 3:30 and 4:30 a.m on Nov. 4, and an estimated 289,866 absentee ballots were illegally sent to people who never requested them, far more votes than needed to win the state.

Also in Arizona, the Maricopa County Board of Supervisors were caught [spreading](#) "outright lies" about the Audit, and caught illegally deleting election data and records in defiance of a subpoena. They cannot explain away the [findings](#) of the Arizona Audit, which include:

- 23,344 "Mail-In Ballots Voted from Prior Address"
- 9,041 "More Ballots Returned by Voter Than Received"
- 284,412 ballot images "were corrupt or missing"
- 17,322 [duplicate](#) ballot envelopes (which surged *after* Election Day)
- 5,295 "Voters That Potentially Voted in Multiple Counties"
- 2,382 "In-Person Voters Who Had Moved out of Maricopa County"
- 2,081 "Voters Moved Out-of-State During 29-Day Period Preceding Election"
- "Official Results Does Not Match Who Voted" (off by at least 3,432 ballots)

There is far too much corruption and irregularities in Arizona to put in this letter, so we are attaching a copy of the just released and totally determinative [report](#) pertaining to the Election Audit.

Not included in the Audit was Pima County, which had [multiple precincts](#) with OVER 100 percent turnout for mail-in ballots—which is not possible (or legal!). These alone total 11,994 ballots, more than the [election](#) margin. Precincts with anomalous high turnout laughably went from 6% of Republicans voting for Biden to [40% of Republicans](#) "voting" for Biden in mail-in ballots. No one in the Fake News Media pretends to believe this, so they just ignore the facts. It is all just part of the 2020 Presidential Election Scam.

We are not talking about one state, Pennsylvania, we are talking about numerous states, far more than is necessary to win, which we did, but which the Fake News media and the *Wall Street Journal* refused to talk about and are doing everything within their power to cover up. They don't want the facts because if they had them, we win!

The *Wall Street Journal* does not properly refute the numbers in Pennsylvania and doesn't even address the fact that there are still at least 120,000 excess voters not accounted for by the Pennsylvania Department of State, meaning more votes than voters!

The thing the *Wall Street Journal* is right about is the statement that "their attempts to censor Mr. Trump have done nothing to diminish his popularity," and "our advice would be to examine [the Democrats'] own standards after they fell so easily for false Russian collusion claims."

The only problem is they didn't fall for it, the Democrats and Crooked Hillary Clinton (with her now indicted lawyer, Michael Sussman, etc.) illegally created the [RUSSIA, RUSSIA, RUSSIA](#) and [UKRAINE, UKRAINE, UKRAINE](#) scams, Impeachment Hoax #1, Impeachment Hoax #2, and many more.

(The Cabal>Deep State, along with Communist China, have infiltrated our country and intelligence agencies like the CIA and Israeli MOSSAD. Using Israeli NSO Pegasus to spy on everyone as well as DARPA controlled spying/listening phone apps like Facebook, Google and Twitter to collect metadata on world leaders, politicians, intel officials like CIA/MOSSAD, Hollywood elite, social media heads, mainstream media as well as other community leaders. With blackmail, mind control and/or like-minded satanic beliefs they have managed to control the world by placing their assets in key positions, insuring their power with force against any and all opposition. CIA/MOSSAD agents Jeffrey Epstein and Ghislaine Maxwell and Madam's like Ray Chandler in order to blackmail to secure power around the world for the

Cabal> Deep State with evidence, filmed or otherwise of powerful individuals doing unconscionable things to children or other sexual blackmail. Even Royal Family members like Prince Andrew have been caught up in Epstein's pedo island as he has been accused of sexually assaulting a minor there.

Q3140 - Epstein island dungeon (beneath the temple). Sex & torture rooms. Openly flaunt across social media? Untouchable? Q

Controlled Cabal> Deep State assets like Former NSA H. R. McMaster, Former Director of National Intelligence Dan Coats, Director of the FBI Christopher Wray and Former US Ambassador to the UN John Bolton were also put in place in President Trump's administration to block any successes and to undermine national security as well as cripple and prevent General Flynn from exposing the illegal acts of the Obama administration including their participation in human trafficking. They used Star Wars Video Game chat logs to communicate between the Cabal and Deep State plants. NSA McMaster and Ambassador Bolton were installed to remove President Trumps loyalists in the intel community. DNI Dan Coats was installed to help prevent decas and create a House-Senate blockade. These pre-installed plants, McMaster, Coats, Wray and Bolton were referred to President Trump, Vice President Pence, White House Press Secretary Sean Spicer and White House Chief of Staff Reince Priebus.

Q2468 - The 'Scaramucci' Play Temp hire to remove embedded 'untrustworthy' staffers? >Spicer >Priebus...

Q3537 - ...Wray is a sleeper Future marker. Q

The intelligence community and national security are essential to the Cabal> Deep State for control to prevent decas and public exposure to the truth. They used illegal surveillance with a threat of nuclear missile attacks to President Trump and then candidate Senator Ted Cruz, House-Senate members, Journalists and Ambassadors to keep classified material about their human trafficking ship schemes

The Obama administration planned the fake Russia collusion hoax, paid for by the Clinton Foundation, failed even with the CIA/MOSSAD Media pushing it every day. No collusion was ever found. President Obama's Former FBI Director James Comey was used to keep the Russian Collusion hoax going and hinder any truth being discovered about the Obama administration's FISA abuse, spying or email scandals. He was ultimately fired for it. Former Special Counsel Robert Mueller, along with a controlled CIA/MOSSAD media, was used to uncover any Russian Collusion and ultimately try and impeach President Trump, which also failed. There was no collusion with Russians, even if their interests aligned at times. They invented a Russian threat for a disinformation campaign. Misusing FISC/FISA; the FBI, DOJ, Congress, the Senate, CIA, NSA and UK MI5/6/SIS and millions of taxpayer dollars were used to address an imaginary threat, the FBI and CIA used Vault 7 tools for planting evidence, which justified creating a special council for the direct purposes of impeachment under the pretense of protecting the public and our elections just so they could regain their power and prevent the truth coming out and avert their subsequent prosecution. Chairman of the House Intel Committee, Adam Schiff, opened fake and false investigations for this reason and deliberately leaked classified information to the press.

The Cabal leader, Queen Elizabeth II of the UK, was using this spying system. She called all the shots through Obama's administration. The exchange of classified information flowed freely, with or without

the use of FVEY. On the 2016 election night, 7 people (Barack Obama, Hillary Clintons, James Comey, Susan Rice, John Podesta, Chuck Schumer and Adam Schiff) flew to London to have a private secret society meeting with Angela Merkel, Jacob Wallenberg and Queen Elizabeth II. The meeting was to discuss how to remove Donald Trump from the US Presidency using their missiles and armada of ships.

John Mueller of Google refers to the ships. The Barack Obama and Hillary Clinton's Uranium-1 deal with countries like Russia, Iran and North Korea helped to create an armada of ships that have shipping container missile systems (Club k's) that contain nuclear warhead missiles paid for by US Taxpayers under the guise of the Red Cross, foreign aid and Paris Accord climate funding. They are used to cripple or remove any opponents to their plans effectively creating a blockade using video game chat logs and cell phones to communicate their plans and arm and operate these weapons. Plans that including the treasonous '16 Year Plan to Destroy America' and to prevent any exposure of their worldwide trafficking scheme which includes human/sex trafficking with men, women, children, infants, guns and drugs. This missile system is also used to prevent any delcas or disclosure from being exposed, anything from UFO's to Durham reports. [The 16 Year Plan To Destroy America](#)

This scheme includes the harvesting and worldwide supply of adrenochrome from children with the assistance of Shell Oil pipelines. This ships collect the substance (F assets/intel) from the pipelines and deliver to individuals based on a class system in which ranking determines use of these assets which are used as feed. Poverty stricken locations, such as Haiti, set up as exchange shelters using humanitarian aid organizations like the Red Cross and political organizations like the Clinton Foundation to traffick victims through adoption or other means and the money is funneled back through to the ships and trafficking schemes. The Obama Administration was able to bypass finance paper trails by dumping lots of cash before leaving office. A few other ports of call include New York and Los Angeles Ports, Rotterdam, Antwerp, Port of London, Red Castle or Gibraltar, Las Palmas Canary Islands, Kenya Mombasa, Brest Port, Sine Port, Saigon, Jeddah and Port Harcourt in Nigeria which hosts the F39 Shell Oil pipeline that pumps Adrenochrome from shore to ship. There are even more ports and exchanges worldwide. [Q2658/Q4556/Q3486/Q1559/Q10](#) [How about a nice game of chess?](#)

Some F Assets are kept as controlled pawns and used for key positions for the Cabal. The inner circle. Some are sent to the CIA Farm at Langley Virginia to become intel agents. Agents are placed in positions of need like the mainstream media, congress, political leaders, Hollywood celebrities and other various vocations. These assets are told what to do and say to support the narrative of the Cabal>Deep State.

In 1996 the Telecommunications Act led the FCC to reduce regulations on cross ownership. Since then, 5 Corporations (AT&T, Xfinity, Disney, News Corp and National Amusements) own 90% of the media, including films, newspapers, magazines and books. All of these (except for National Amusements) is owned by BlackRock and Vanguard by majority shares. Vanguard shareholders include elite like the Orsini's, the Bush's, the DuPont's, the Morgan's, the Vanderbilt's, the Rockefeller's, the Rothschild's, the Wallenberg's and the British Royal Family. And Vanguard is the largest shareholder of BlackRock.

Control of the media means control of the population. Using propaganda to create and shape the narratives they want you to see, which at the moment is far left. This bias weakens the conservative base with constant attacks and lies from this left-wing media.

The Cabal> Deep State was protected by rogue nuclear states.

Saudi Arabia

The House of Saudi including Prince Alwaleed bin Talal. The House of Saud, whose family originated in Jewish roots, was involved in major sex trafficking and connections through Big Tech. They are a major faction of the Cabal. Their corrupt connections were cut in 2017 when Prince Muhammad Bin Salman took over the throne and with the help of President Trump and his administration. Some Saudi royal members like Alwaleed were heavily involved. Dr. Khalid al-Mansour and Alwaleed were responsible for Barack Obama's Harvard education through "HUMA", Harvard University Muslim Alliance and his connections put him and Obama's Former Senior Advisor Valerie Jarrett in the White House. Hillary Clinton's Former Deputy Chief of Staff Huma Abedin has Muslim Brotherhood and Al Qaeda ties. She grew up in Saudi Arabia and went to two Wahhabist colleges which are known for terrorism. Her parents and family members are connected to the Muslim Brotherhood. She also was a liaison between Clinton Foundation donors and "pay for play" schemes.

House of Saud was involved in creating ISIS with John McCain, Barack Obama, Hillary Clinton, Britain UK and Qatar.

Q83 - Simplified. Alice & Wonderland. Hillary & Saudi Arabia. References: Hillary Clinton in Wonderland by Lewis Carroll. Saudi Arabia - the Bloody Wonderland. Q

Hillary Clinton's State Department was protecting Saudi Arabia and its Princes. The Saudi Royals have been linked to parties or orgies that include alcohol, drugs and sex with prostitutes. There were past links to drug trafficking and prostitution rings and modeling agencies like Elite Model Management with underage girls as young as 13. They procured child sex slaves from Africa and Asia and other parts of the world, and these boys and girls are sold and resold until used up. Saudi Royals were reported placing special orders for children that were then snatched and delivered. Some of their sex rings were located in Beverly Hills, CA. Former Miss USA Shannon Marketic was drugged and imprisoned after a trip to Saudi Arabia and tried to sue but the US State Department granted immunity. The State Department also granted this immunity for parents trying civil actions for their abducted children.

North Korea/Uranium 1

2008 – 2012: Hillary Clinton fails to reveal a foreign donation of two million shares of stock from a foreign executive to Hillary's State Department.

August 2009 – The FBI has an investigation going on a Russian bribery plot concerning Rosatom and Uranium One, which included kickbacks and money laundering. The DOJ held off on an indictment until after the Committee on Foreign Investment in the United States (CFIUS) deal was made, making it less known to the public.

May 14, 2010 – Bill Clinton gave a speech in Moscow and received \$500,000. Then he tried to meet with a Russian nuclear official during the uranium decision, after getting permission from the State Department (i.e., Hillary Clinton), but due to missed communications he only met with President Putin instead in June.

October 22, 2010 – Uranium One deal approved. The Obama administration and Committee on Foreign Investment in the United States CFIUS went through with the deal even though the FBI had collected evidence that corruption was rampant in the Russian nuclear industry. Using a confidential witness to spy and gather information, Moscow compromised an American trucking firm with kickbacks and bribes. It was essentially kept quiet until the deal could be completed. President Obama's deal approved the sale to Rosatom giving Moscow more than 20% control of the United States uranium supply.

June 2010 – 2013: Clinton Foundation receives secret donations during 3 years of Uranium One deal using the Uranium One's chairman family foundation totaling \$2.35 million. These donations were undisclosed by Secretary Clinton.

2016-The US State Department sends pallets of cash to Iran totaling \$400 million in exchange for hostages, claiming Iran couldn't accept checks or wires. Yet 2 days later the US Treasury wired 13 additional payments totaling \$1,299,999,999.

POTUS > PEACE on the Korean P > NO further missile tests or U enrichment.

2018- President Trump removed Jacob Wallenberg's control in North Korea (NK). No more nuclear capabilities or trafficking enrichment via President Obama, Clinton Foundation and Russian Intelligence/Military Industrial Complex 2010 Uranium One deal. Iran, Russia and North Korea get 20% of US Uranium in connection with Gultainer, Crescent Petroleum and Rosetec/Rosoboronexport, which they also used to produce Club K missile systems. Also connected through Project Pelican and Gultainer's Port Canaveral, completed in 2018, which allows them a 35-year cargo container terminal lease. This allowed them to have their armada of ships with shipping container missiles systems based in the US as their "military" presence.

Q29 NK is not being run by Kim, he's an actor in the play.

Q41 What a coincidence the mountain that housed NK's nuclear weapons and testing collapsed. Unbelievable timing. I wonder if critically important materials as well as scientists aka the bomb makers were inside when it happened. Shocking no global news agency suspects we had nothing to do with it.

Q1609 POTUS save the world from NK.

Red Cross, Foreign Aid and funding through the Paris Accords supported their human/weapons/drug trafficking schemes. According to foreignassistance.gov; Bill and Melinda Gates Care and Save The Children have funds coming from the U.S. Department of State; Bureau of Population, Refugees, and Migration. Jeff Bezos Amazon, Red Cross and China's World Health Organization have funds coming from the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. These are just a few of the organizations that US Taxpayers fund through Foreign Aid programs. It also goes to unknown or unverified vendors to Pakistan, Afghanistan, Africa, Haiti, Israel, North Korea, Kazakhstan, Kyrgyzstan, Tajikistan, Vietnam, India and China, the bulk of which comes through the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. The Paris Accords is just one more way to get taxpayer money through their GCF fund, which funnels money to places like North Korea. Even they claim US humanitarian aid is a sinister scheme. The Red Cross' Gail McGovern has a history of corruption with Hillary Clinton and the Red Cross has a history of connections to the Rothschilds and Wallenbergs. These slush funds help to pay for their Deep State Shadow Government.

State Secrets Privilege, States v. Reynolds decision in the Supreme Court, is how the Deep State hides from other branches of the government, including Presidents.

The ship missile system has been used in assassination attempts against President Trump throughout his administration and continues through today as recently tracked by my Telegram page. He is 100% safe aboard Air Force One and consistently evades these attempts with the assistance of the US Space Force.

So far the ship missile attacks above against President Trump have failed, so the Cabal is moving on to their last resort plan using nuclear warhead missiles and cyber-attacks to create a Solar Coronal Mass Ejection CME of which two Cabal container ships are equipped for completing. An X1 class CME was released by the sun on October 28, 2021 and it arrived on Saturday October 30 and on through October 31, 2021 creating X1 level geomagnetic storms that could have disrupted power grids, communication satellites and internet cabling as well as created aurora borealis seen across the US in states as low as Iowa and Nebraska. The impact actually turned out to be minimal but did increase volcanic activity on the planet.

X1(x-ray radiation) is the lowest strength CME in the X class CME's with X9 being the strongest but there are CME's on record going as high as X28, and before recordings, the largest event likely was the 1859 Carrington CME Event estimated to be an X40-X50 which wiped out the telegraph system and auroras were seen as far south as the Caribbean. Lower level X flares can also be dangerous and cause supply chain interruption, power outages and electronics disruption depending on if it's directly facing the Earth and because both poles magnetic fields are currently in a weakened state. GOES X-ray Flux on the

NOAA Space Weather website measures the solar activity and total magnetic field strength that will affect Earth with a **RED LINE**. An increase in severe weather, earthquakes and volcanic activity can also occur. The Cabal> Deep State> CIA/MOSSAD along with Communist China will continue to increase the CME's by using their container ship's nuclear missiles.

Human mental states are also affected by solar activity by up to 30% in healthy individuals. Studies have shown the increase is most prominent during the recovery phase of a geomagnetic storm. An increase in mental diseases will occur such as depression, anxiety, bi-polar mood swings as well as a suicide increase. These solar storms can cause circadian rhythms and melatonin production disruption which are normally regulated through the Pineal gland. These charged particles from the Sun will impact the consciousness of the people on the planet.)

C19 _stage 1: Inform POTUS [intel + CDC + WHO + S_advisor(s)] _nothing to fear _do not close travel _do nothing [the political 'set up']

(Stage 1- The Cabal> Deep State> CIA/MOSSAD along with Communist China is using the Solar CME threat to keep President Trump from releasing any decal or disclosure. They will continue their Shadow Government to undermine President Trump using their video game chat logs to communicate their plans.

The Cabal> Deep State> CIA/MOSSAD-led Centers for Disease Control and World Health Organization knowingly wanted to keep US travel abroad open when Covid-19's first case broke out in America on January 15, 2020. The Deep State even had Nancy Pelosi parade through China Town claiming everything was fine in order to set up President Trump once again and try and make him look bad. This would allow Covid-19 to run rampant with open travel. But President Trump closed travel early on January 31 2020 and was called a fear mongering xenophobe for it by the mainstream media, even though closing travel early helped to slow the spread of Covid-19 quickly.)

C19 _stage 2: Inform POTUS of Dooms Day 'inaccurate' scenarios [models] predicting death count 1mm+ [the political 'force'] _lock down [wipe economic and unemployment gains]

(Stage 2- The Cabal> Deep State> CIA/MOSSAD along with Communist China will create Solar CME's to cause millions of deaths and wipe out economy and cause massive unemployment if President Trump does not comply. This intel was verified by XBOX/PlayStation Star Wars video game chat logs that Cabal>Deep State members used for planning false flag events and to discuss tactics against Trump Administration, sourced from 'closed' door transcripts.

Dr. Fauci and Dr Birx encouraged lockdowns and predicted dire scenarios and death counts for Covid-19 and the CIA/MOSSAD Media helped to push their message out which caused worldwide economic devastation, even though President Trump ignored most of their suggestions and created Operation Warp Speed to expedite treatments and vaccines which allowed him to open the country more quickly and avoid the Cabal> Deep State's plans for permanent lockdowns.)

C19 _stage 3: Activate ‘controlled’ [D] GOVS to ‘spike’ death count + project statewide fear by presenting ‘alarming’ on-ground conditions [hospital [care-supplies] projections].

(Stage 3- The Cabal> Deep State> CIA/MOSSAD along with Communist China will activate Solar CME’s to maintain control, creating massive injuries and death counts due to alarming ground conditions with no power, government structure, no medical care and no supplies. People will panic causing the stockpiling of food and necessities due to supply shortage fears causing price gouging and possible looting.

Patients in hospitals, nursing homes and the elderly will be most vulnerable in this situation just like they were with Covid-19. Multiple Deep State Governors, like Gov. Cuomo of New York, forced nursing homes and assisted living facilities to accept Covid-19 patients which ended up causing thousands of unnecessary deaths. Even though President Trump sent Military Hospitals to assist, that were largely unused for Covid-19. They will attempt to establish more variants and virus waves. An overwhelming majority recover from this virus, it was all about the election.)

C19 _stage 4: Push testing, testing, testing to spike ‘infected’ rate incline due to daily testing inc [the political ‘set up’] _controlled MSDNC failure to report death count [rates] proportional to ‘infected’ rate _deliberate miscounting of infected numbers [%] _change non_positive to positive _label death of non_C19 as C19 _etc.

(Stage 4- The Cabal> Deep State> CIA/MOSSAD along with Communist China will continue to push Solar CME death threats and they will continue to use the video game chat logs to communicate and report their shadow attacks. They will continue testing President Trump, with their depleted uranium nuclear missiles and last resort Solar CME plan. They will use the Shadow Government/Presidency to counter anything President Trump does, just like the fake Russia election interference and spying set up.

They used Covid-19 excessive testing to over inflate the sick numbers with the CDC and had the CIA/MOSSAD Media reporting on it as well as over exaggerated death counts and labeling non Covid-19 deaths as actual Covid-19 deaths. Peter Daszak, Anthony Fauci, Ralph Baric and Zhengli-Li Shi all conspired to create, release and monetize Covid-19 as early as February 2016 using already patented vaccines with Bill and Melinda Gates funding them. They are using AstraZeneca, Johnson and Johnson, mRNA Moderna and mRNA Pfizer-BioNTech vaccines to cause injury and deaths to the population. The Vaccine Adverse Event Reporting System (VAERS) database contains all of the unverified information on vaccine injuries and deaths. As of September 3, 2021 there have been 14,701 deaths from the Covid-19 vaccines. The current average since July 24, 2021 when 11,405 deaths were reported, comes out to 3,296 or 70 deaths per day. A total of approximately 675,000 cases of vaccine injury have been reported to the database.)

C19 _stage 5: Eliminate / censor any opposing views [anti-narrative]

[Ready when needed] Activate 4-year BLM narrative 4x power [use as division + [2020] C19 infect rates to justify close-limit until Nov 3].

(Stage 5- The Cabal> Deep State> CIA/MOSSAD along with Communist China will activate Solar CME using Ballistic Long-range Missiles to create a stronger X22 Class Earth facing CME flare if any additional attempts at declass, election cheating proof or any trafficking disclosure are made or if there are any

attempts to use the Law of War guidelines against them. Covid-19 infection rates were used to justify stay at home mail in voting in the 2020 Presidential Election, which allowed them to cheat as we are seeing with the Maricopa county election audit. Until it is fully exposed, it will continue to cause division among the population. They will use George Soros funded Black Lives Matter in Democrat Safe Zones to keep America divided, with assaults, murder, riots, city takeovers, weakened police and race wars. The CIA/MOSSAD media will continue their propaganda and information warfare campaign and portray them as peaceful protesters. These are the same tactics and playbook the Nazi's used in Germany that will cause the population to embrace extremism to solve their problems, but it will have the same result that it did in Germany.)

C19 calculated [D] political gain:

- 1. Eliminate record economic gains**
- 2. Eliminate record unemployment gains**

(1-2.The Cabal> Deep State> CIA/MOSSAD along with Communist China will use Solar CME to choke the -economy and cause massive unemployment. Their agenda is to cripple communities and jobs and fundamentally change America with Socialism/Communism from within. They plan to make the police stand down and put their Soros funded Antifa armies in their so called Democrat controlled "Safe Zones". Antifa has been designated a terrorist organization by the Department of Homeland Security DHS. Their intention is to pit the public against the Police, to keep America divided and fighting with each other instead of the real Cabal enemy who plans to install Globalism and a New World Order.. Dr. Fauci and Bill Gates purposely created Covid-19 and Vaccines for the Cabal to also weaken the world's economies and population. They want a Global economic depression.)

- 3. Shelter Biden from public appearances _limit public exposure of mental condition**
- 4. Shelter Biden from Ukraine exposure _narrative change _media focus C19**
- 5. Shelter Biden from P_debates [requested demands due to C19]**

(3-5. The Cabal> Deep State> CIA/MOSSAD along with Communist China will use Solar CME threats and continue to use mainstream media mind control to limit public exposure of their human trafficking exchange shelters like the one in the Ukraine. They also need to protect Biden and his son Hunter from their shady and corrupt business dealings with the Ukraine or China. They need to hide Biden's mental decline and any other scandals he is involved in.)

They will continue to threaten to terminate President Trump, threaten elimination of the public, and threaten elimination of the public's faith in God via the energy of the CME. They will continue to deplete and remove enthusiasm for any rallies President Trump holds and hide any smashed attendance records he always has.)

- 10. Promote mail-in-voting as only 'safe' method _bypass NSA election security [installed midterms +1].**

- 11. Push state-bailout stimulus [CA][NY] + wish list items**

Funny, the "journalist" who wrote this was the same person who

chlorine dioxide as a treatment for COVID.

Nicki Minaj Is Now a QAnon Hero
Far-right conspiracy theorists have embraced the rapper following her unhinged social media posts
about Covid-19 and vaccines
By [Katherine Kim](#)

On the surface, one would assume that most people suffering from
QAnon boomer brain would not be fans of Nicki Minaj, a powerful
member of the Hollywood establishment, and prominent ass-eating
advocate. Yet in the Year of Our Lord 2021, it seems that the tides
have changed. Following the rapper's social media posts outlining her
reluctance to get the Covid-19 vaccine earlier this week, far-right
conspiracy theorists are rallying behind Minaj en masse, adopting her
as a shining totem of their views and a tool to redpill the masses.

"Anons, prayers for protection for Nicki and her family," said the
caption for one meme posted in support of Minaj, which was recently
posted on a popular QAnon thread on the encrypted messaging app
Telegram. The meme featured an image of an angel with voluminous
wings with the words, "One who is aligned with God is more powerful
than millions who are not." Other posts parsed "breadcrumbs" —
conspiracy theorist speak for vaguely revealing "clues" — left by
Minaj in her social media posts. "Nicki actually stated on her Twitter
last night that she's going to wear pink to the White House like on
Legally Blonde to get answers," said one poster. "What was
interesting to me is in Legally Blonde the main character was Elle
Woods. It got me thinking....L. Wood. Lin?," a reference to Trump's
deranged former attorney who has publicly promoted many far-right
conspiracy theories.

Minaj made headlines earlier this week when she tweeted to her
more than 22 million followers that she would not be attending the
Met Gala, which required all attendees to be vaccinated, because she
did not feel she had "done enough research" on the Covid-19 vaccine.
She also alleged, with zero factual basis, that her cousin's friend had
become impotent and developed swollen testicles after being
vaccinated. (The health minister of Trinidad and Tobago publicly
refuted this, saying, "We wasted so much time yesterday running
down this false claim.")

Questions arose immediately after a settlement agreement was announced yesterday regarding a
"Special Master" appointed for Maricopa County to examine the routers, splunk logs, and other items
in lieu of the County complying with AZ State Senate Subpoenas in the matter.

Former Congressman John Shadegg, who is now the "Special Master," is reported to have lobbying
ties with former Chair of the Maricopa County Supervisors, Clint Hickman, according to public
records. Watch the video below from Ron Watkins Monkey Z Telegram Channel. He is also reported
to have received money from Facebook.

QClock match to Shills. Once again you always have to see/read between the lines. Flynn is pointing out CIA shills Maria Zack and Jordan Sather. Sather is trying to make it look like he's on the MAGA side.

Anyone who followed the ships with me over the past year knows that any declass/information was not released due to threats of missiles coming from inside D5 containers on a fleet of cargo ships owned by Queen Elizabeth-II's Cabal > Deep State. So even IF evidence was given to Pompeo and/or Flynn, the DS would have threatened them.

At In-Q-Tel, Painter's work focused on identifying, researching and evaluating "new start-up technology firms that were believed to offer tremendous value to the CIA, the National Geospatial-Intelligence Agency, and the Defense Intelligence Agency." Indeed, the NGA had confirmed that its intelligence obtained via Keyhole was used by the NSA to support US operations in Iraq from 2003 onwards.

A former US Army special operations intelligence officer, Painter's new job at Google as of July 2005 was federal manager of what Keyhole was to become: Google Earth Enterprise. By 2007, Painter had become Google's federal chief technologist.

The Wave and The Split

The CIA/MOSSAD, DOJ, FBI, SDNY, Germany, Australia, The Deep State's Obama and Hillary's scandal filled shadow government, Deep State Democrats/RINOs, Hollywood Elite, The Cabal's Jacob Wallenberg, Peter Poker Wallenberg, The Vatican and the finally the Queen of England giving the orders. These New World Order bad actors planned the Covid-19 and vaccine disaster we are currently living in so they could cripple the world's economy and population. They have amassed an army of illegal immigrant criminals out of El Salvador, Honduras, Guatemala, Mexico and middle eastern countries to come in through the southern border to continue to weaken America from within for their One World Government agenda. The Cabal paid thugs of BLM and Antifa will contribute and weaken the Democrat "safe zones" in U.S. sanctuary cities because the American people were conned into thinking the Police were no longer needed.

Their trafficking scheme includes the harvesting and worldwide supply of adrenochrome from children with the assistance of Shell Oil pipelines. The ships collect the substance (F assets/intel) from the pipelines and deliver it to individuals based on a class system in which ranking determines use of these assets which are used as feed. Poverty stricken locations, such as Haiti, are set up as exchange shelters using humanitarian aid organizations like the Red Cross and political organizations like the Clinton Foundation to traffick victims through adoption or other means and the money is funneled back through to the ships and trafficking schemes.

Then I said: "Hear now, O leaders of Jacob, you rulers of the house of Israel. Should you not know justice? You hate good and love evil. You tear the skin from my people and strip the flesh from their bones. You eat the flesh of my people after stripping off their skin and breaking their bones. You chop them up like flesh for the cooking pot, like meat in a cauldron." ~ Micah 3:1-4

The Wave

The Cabal plans to create a massive X22 Coronal Mass Ejection CME using the SpaceX Starlink satellites to launch their missiles. This will cause 3 days of the sun to blackout (Q2903), the temperatures will dramatically drop and it will get extremely cold with massive ice and snowstorms. The poles will shift. It will cause the La Palma Cumbre Vieja volcano in the Canary Islands to violently erupt which will cause an

estimated 80-160 foot Atlantic Ocean tsunami wave that will overtake the entire east and southeast coast of the United States, northern coasts of South America, 300 foot waves for the Western African coasts and 20 foot waves for southwestern parts of Europe and the UK. This wave will kill millions of people and destroy billions of dollars in property and tourism; the only reason for them to do this is to cover up their crimes. Q1204 There is also the possibility they will create a fake Alien Invasion like Project Paperclip and/or a nuclear WW3 with Russia at the same time. They are threatening me and my family's lives since I continue to talk about it. None of us are suicidal by the way. How did Q know all this was coming? Project Looking Glass and Control. Our Deep State government has been hiding alien and UFO info for almost a century. Q drops indicate we are not alone in this universe. They are hiding all kinds of alien technology and secret space programs from us. One piece of tech allows you to look into the future: Looking Glass. Going Forward in Order to Look Back. This is how they mapped everything out and planned for The Storm. The Space Force was specifically created to protect us from the good and bad of space as well as protect us from the Cabal and their last resort plan using the nuclear missiles with their armada of ships. Q2222 - Q Are we alone ? Roswell ?

No. Highest classification. Consider the vastness of space. Q

Q2225 - Q, Did NASA fake the moon landings? Have we been to the moon since then? Are there secret space programs? Is this why the Space Force was created?

False, moon landings are real. Programs exist that are outside of public domain. Q

Remember from my earlier decodes, below is how it will appear but always remember that God is in control of the entire chess board and all of the pieces. The Cabal> Deep State> CIA/MOSSAD, Communist China and the Vatican, will use video game chat logs, like Star Wars, to communicate orders and cell phones to operate ships missiles to create a Solar CME to choke the economy and cause massive unemployment. Their agenda means to cripple communities and jobs and fundamentally change America with Socialism/Communism from within. They plan to make the police stand down and put their Soros funded Antifa armies in their so called Democrat controlled "Safe Zones". Antifa has been designated a terrorist organization by the Department of Homeland Security DHS. Their intention is to pit the public against the Police and to keep America divided and fighting with each other instead of

the real Cabal enemy that plans to install Globalism and a New World Order.. Dr. Fauci and Bill Gates purposely created Covid-19 and Vaccines for the Cabal to also weaken the world's economies and population. They want a Global economic depression.

The Cabal> Deep State> CIA/MOSSAD, Communist China and the Vatican, are sheltering/hiding the stolen election and voter fraud using vote by mail as well as Resident Biden and his appearances so they can replace him with VP Harris with the use of a CME threat.

They want to limit public exposure of their human trafficking exchange shelters like the one in the Ukraine and they need to protect Biden and his son Hunter from their shady and corrupt business dealings with the Ukraine or China. They need to hide Biden's mental decline and any other scandals he is involved in.

Q3381 - Example: Joe Biden (Vice President of the United States) >Follow the Family Corruption in DC > How to Get Rich Are Liberals willfully blind or? <https://www.washingtonexaminer.com/15b-contract-in-iraq-for-bidens-little-brother-exposes-obama-ahead-of-debate> Biden's brother \$1.5b contract in Iraq. <https://nypost.com/2019/05/11/the-troubling-reason-why-biden-is-so-soft-on-china/> Biden's son \$1.5b deal w/ China. Coincidence? DRAIN THE SWAMP. Q

The Wallenbergs will not allow this information to come out and will demand CME be used. The Wall means more than you know! They want a border collapse, by sending army caravans to the US Mexico Border via El Salvador, Honduras, Guatemala and Yemen. The caravans include MS-13, ISIS, terrorists, drug cartel members and traffickers, that come through the borders because of loopholes in lax immigration laws. They are used to carrying out assaults and assassinations, called 'wet work', for the Cabal > Deep State.

The Cabal and Communist China control California and New York via installed assets noted above and will attempt to regain any lost leverage, or any loss of taxpayer funds disguised as humanitarian or climate aid.

Super T is [their] Solar CME Super Termination event to prevent the elimination of Resident Biden and a takeover by President Trump...

EO: President Trump's 2018 Executive Order, 13848 Imposing Certain Sanctions in the Event of Foreign Interference in a United States Election, will be applied, and the Emergency Alert System EAS will be activated, to bypass Big Tech censorship, advising the American population of the insurrection that has occurred.

EO: Executive Order, 13818 Blocking the Property of Persons Involved in Serious Human Rights Abuse or Corruption. Any Government official or person acting for or on behalf of such official, found to be responsible for or complicit in or to have directly engaged in, serious human rights abuse, their funds will basically be blocked, seized and forfeited.

EO: Executive Order 13925 on Preventing Online Censorship basically makes Big Tech a publisher. President Trump has filed a major class action lawsuit that allows anyone that has been banned for censorship to join in (this is currently in progress).

This is where Devolution would come into play. Executive Order (EO) 13848 protects the continuity of government under President Trump since he was the true winner of the 2020 election and still the President. This will be proven and the results ultimately reversed. Proof will come out of the plans to destroy America and set up a One World Government by the Cabal > Deep State > CIA/MOSSAD, Communist China and the Vatican. President Trump remains in control of the US Military and at that time “The Storm”, which is outlined below, would occur.

(A televised sit-down, with evidence, will occur during national/global impact and subsequent sun blackout explaining Queen Elizabeth II’s, the UK and Wallenberg’s roles in the Cabal and their crimes against children/humanity, the spying operations, an explanation of the New World Order. Explanations of military operations, and President Trump and Q’s role in the take-down of the Cabal. How the Cabal changed history books to con the world into believing they were good guys and how they blackmailed Hollywood stars and politicians/leaders will be included. Overall, it will be a smooth transition as arrests are made and the Cabal is taken down.)

Q1 - ...Expect massive riots organized in defiance and others fleeing the US to occur. US M’s (Martials/Military) will conduct the operation while NG (National Global impact via CME) activated...
<https://t.me/s/littlemel/8005>

Q34 - Q Clearance Patriot My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS’ order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4). Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS’ order, a state of temporary military control will be action-ed and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency

Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

IT WILL ALL COME OUT. President Trump & Q will not be BAITED by Cabal when the release itself will FORCE TERMINATION of ship missile system in Canary Islands area causing an X22 CME. This will trigger The Storm worldwide, White Squall, using the Military that's already deployed around the world & applying the Law Of War. EAS alerts with Local and State Authority messages will be sent out, including FEMA and DEFCON Alerts. The extraordinary success of this mission will be due to the incredible skill, bravery, and selfless courage of the United States Military HEROES. This is the way the mission was designed.

The Space Force (SF) is aware of the threat and will take steps to eliminate using the Missile Defense System, which is a missile shield. This includes Intercontinental Ballistic Missiles ICBMs or other Ballistic Missiles. We are well protected from our adversaries.

Put on your full armor of God! It will be Biblical!

The Storm Is Coming!

Earthquake and Category 5 type Storm damage. Significant, life-threatening impacts will occur as in power outages and heavy rainfall, fast-moving significant flooding, dangerous life-threatening coastal storm surge of 120-160 feet on eastern and southern coasts. Catastrophic wind damage in excess of 150 mph is expected, as well as isolated tornadoes. Extremely life-threatening inundation. Stay in small interior rooms with no windows or evacuate inland. Be sure to have food, water & supplies on hand! Residents should learn/know where they are on a map and which National Weather Service NWS office covers their area.

<https://www.weather.gov/srh/nwsoffices>

FEMA will work with federal, state, local tribal and non-governmental partners to support the response across multiple states. We will deploy staff and staged meals, water, tarps and generators to assist states impacted by the Storm. To locate a shelter near you visit the Red Cross Shelter Map or download the FEMA App.

<https://www.redcross.org/get-help/disaster-relief-and-recovery-services/find-an-open-shelter.html>

<https://www.fema.gov/about/news-multimedia/mobile-app-text-messages>

Areas inland will continue to experience dangerous weather conditions, please be safe and listen to local emergency management officials. Anyone in the forecast path should rush to complete final preparations.

The US Army Corps of Engineers team is in position & ready to provide support as well as the National Guard. Helplessness, anger, and frustration are all normal feelings, but know that you are not alone. Lean on each other, friends, family, chaplains, and others to talk it through. Residents should shelter in place for the duration of the storm and follow shelter-in-place guidelines from State and Local officials. Know that the US Military is here for you if you need assistance. Actions to protect life and property will

occur. Temporary Power Teams will set up Emergency Commands and Control Vehicles (ECCV) 03 at Generator Staging Bases. The USACE Temporary Power Teams will be working day and night shifts to deliver emergency power to critical facilities as assigned by FEMA for the Federal response. The mission will focus on providing temporary emergency power to critical infrastructure, emergency responders, and social systems to support lifesaving and life sustaining activities.

Put on your full armor of God! It will be Biblical!

Additional Storm Tips:

- Keep freezers & refrigerators closed.
- Only use generators outdoors and away from windows
- Do not use a gas stove to heat your home.
- Disconnect appliances in electronics to avoid damage from electrical surges.
- Have alternate plans for refrigerated medications or using power dependent medical devices.
- The refrigerator will keep your food cold for four hours. A full freezer will keep the temperature for about 48 hours. Use coolers with ice if necessary. Monitor temperatures with a thermometer.

Due to the US east coast tsunami impact, anyone in its path should have a plan to evacuate west or northwest at a minimum of 200 miles inland, preferably to a higher elevation. Emergency Alerts will go out on all cell phones, radios and televisions with instructions, so make sure your emergency alerts are turned on for your cellular carrier and that your phones are charged. The Cabal controls Big Tech companies Microsoft, Google and Apple and therefore can take control of all your phone/tablet devices at the root privilege level at any time. Be aware that this could affect the Emergency Alerts on your phones and devices.

Keep a laptop, spare chargers and cables in your emergency kit as well as zip lock bags, paper maps of your location and evacuation area. Always keep cash on hand and create backups of vital information such as computer data, deeds, passport/ID's, office documents and photos on portable or flash drives and not on cloud space. Facebook, Twitter, Instagram, Snap Chat, YouTube and Google will be going away, make sure you extract your pictures and documents. Printed photos should be kept in waterproof ziplock bags. A spare Wi-Fi or hotspot card would be useful. Keep your family together and have contact lists available to reach loved ones. Plan to be away 1-2 months.

Be sure to help your neighbors and community during this time. Cities inland should prepare for an influx of evacuees to their area. Volunteers will be vital and should be utilized for food banks/pantries, soup kitchens, homeless shelters, donation centers and animal shelters. Additionally, anything from giving blood, offering skills, sharing posts on social media or any other helpful tasks will help ease burdens on communities. Donations, crowdfunding and food drives should also be coordinated with local cities. Check with your local/state governments or websites like www.charitynavigator.org for volunteering opportunities, organizing and planning. Inland areas near large population areas like New York City, Boston MA, Philadelphia PA, Washington DC, Hampton Roads VA, Wilmington NC, Charleston SC, Savannah GA, New Orleans LA, Houston TX and the entire state of Florida will need the most support.

The US Military and its complete arsenal, which President Trump controls, will be the SAVIORS OF MANKIND! NOW THE HUNTERS BECOME THE HUNTED! The Cabal will cower in fear at the wrath of God!

The Cabal will fall. The governments will collapse, and the people should not be afraid. Pray for our brave service members, they are true heroes! Our Soldiers will be working hard to secure a dangerous environment to protect people of the world. That is the ultimate act of compassion.

The Split

At the same time this pole shift is happening, the CME will cause a plasma wave (which includes Tennessee TS 117) to encompass the earth. This new plasma layer, will be directly from God and will gradually replace the old matrix layer. It will be through the work of God and the consciousness of the people on the planet that this transformation takes place. **Q179** *Think "The Rapture"*

*Then two men will be in the field: one will be taken and the other left. **Matthew 24:40***

*I tell you, on that night two people will be in one bed; one will be taken and the other left. 35 Two women will be grinding grain together; one will be taken and the other left." 37 "Where, Lord?" they asked. He replied, "Where there is a dead body, there the vultures will gather." **Luke 17:34-37***

*Since you have kept my command to endure patiently, I will also keep you from the hour of trial that is going to come on the whole world to test the inhabitants of the earth. **Revelation 3:10***

The wave from the sun will also eliminate all harmful Artificial Intelligence (AI). The plasma will create upgrades on multiple levels to both the planet and humans. Humans are an Angelic race and we have natural superhuman abilities that were hidden from us by the [Orion Group](#). Jesus had these abilities and was showing us the way and these abilities will all return to us. Humans will awaken via the harvesting of souls on the spiritual level and the pineal gland/third eye will activate over a period of time, allowing abilities such as telepathy and telekinesis and the ability to block out the old matrix and any of Big Tech's television/internet brainwashing or targeted advertising with an internal security system. Third eye images created in the mind with the ability to turn on and off at will. Free and open source with no constraints of money and material things through manifestation. This path will be based on love, unity and freedom, it will take time, possible years, to fully create this environment but with patience we can construct a new world. There will be a global community of support on these changes. The power of God will create a significant raise in human consciousness that will make you faster and more powerful while maintaining your privacy both in mind and body. Integration should be seamless.

*But our citizenship is in heaven. And we eagerly await a Savior from there, the Lord Jesus Christ, who, by the power that enables him to bring everything under his control, will transform our lowly bodies so that they will be like his glorious body. **Philippians 3:20-21***

*I consider that our present sufferings are not worth comparing with the glory that will be revealed in us. For the creation waits in eager expectation for the children of God to be revealed. **Romans 8:18-19***

*But about that day or hour no one knows, not even the angels in heaven, nor the Son, but only the Father. **Mark 13:32***

The earth is abundant in minerals like salt and gold, in the oceans and soil. The plasma wave will alchemize these minerals into manna or monatomic elements called Orbitally Rearranged Monatomic Elements (ORME), creating a white powder of gold or biblical manna. This “bread” of life has the ability to alter and improve DNA. ORME was rediscovered by farmer David Hudson in the 1970’s. These m-state elements exhibit quantum behaviors, and will enhance the energy flow in humans, creating the crystalline double diamond heart light body. Gifts include telepathy, the ability to know good and evil, determine real news from fake news, thought projection, levitation and the ability to heal yourself and others. It awakens the God source inside us allowing the zero point energy to flow freely within us.

Q4108, Q4109

This plasma wave and rising consciousness of the people will ultimately diminish the tsunami wave caused by the eruption of the La Palma Cumbre Vieja volcano.

“It’s all about the BREAK”, the break in the waves, many won’t swallow meaning the waves/water.

Q225

Humans that are spiritually ready will experience the new upgraded earth and light bodies. The earth changes will be less severe since they will now reside in a 5th density/dimension (5D) version of Earth. They will have a warmer, more comfortable climate and be able to see 5th density objects that were previously invisible to the 3rd density (3D) eyes. One significant change will be the sight of the binary star that circles our sun every 25,900 years, sometimes referred to as “Planet X” or “Nibiru”. Since the 15 million year old star resides in 5th density, only 5D beings will be able to view this massive star that will be 6x the size of our sun and very visible. The veil, which is a “Local Bubble” that surrounds the earth, will be unsealed or popped at the same time as the CME occurs. This will also allow us to see the new star. [Densities/Dimensions: Law of One](#)

As this occurs it will disable Earth’s Poison Apple Axis, the Cabal’s distortion template of the Earth’s 23.5° axis using Black Hole Tech which keeps us from ascending. Distorted Template Mechanics is also being used, the Flower of Life or Daisy of Death leaked into New Age teachings as well as other false teachings by the Cabal is a distorted teaching of ascension and leads to prevention of ascension instead. Keeps one in the Lower Self/Ego, but this will also end.

Snow White is mentioned often in Q Posts. She ate the poisoned apple which caused the "Sleeping Death" and similar to Eve in the Garden of E-den eating 'forbidden fruit' from the tree of knowledge which is a metaphor for a sleeping humanity when it comes to the truth of the Cabal’s evil. They will go to great lengths to hide their trafficking ship scheme. Removing this distortion will stop the harsh gravitation push on the Earth and our bodies, the planet will be able to spin more accurately and this will also make us lighter, reverse aging and allow us to ascend properly. This will allow us to remove old matrix programming from our minds. It will repair our 12 Strand DNA as well as return our past lifetimes of memories. **Q1677, Q122, Q234**

The Italian Station, Mario Zucchelli at Terra Nova Bay in Antarctica, is where the geomagnetic field and poles are being manipulated in this way using Lux Zeppelin Dark Matter experiments, HAARP and comprehensive magnetic models. **Battleship Promontory (The Precipice) Q4564 Q4685**

The station is used in several ways to influence and control humans. An excess of Krypton-85 is pumped into our atmosphere close to 50% saturation via fuel reprocessing facilities like Iran, Pakistan and North Korea have as well as spread across our skies in chem-trails. **Q1306** Another way is from Elon Musk's SpaceX Starlink Satellites which completely surround the Earth. As of May 2022, 12000 are approved for orbit and 2200 are currently already in orbit. Starlinks run on Artificial Intelligence (AI) and Hall Thrusters which use Krypton gas as a propellant. Too much in the atmosphere can have a narcotic effect when breathed in, which alters consciousness, causing a numb like state. It can also show up as a 'red sky' similar to what was recently seen in Zhoushan China in May 2022.

Along with the excess Krypton-85, the Cabal is releasing MKUltra mind control frequencies through HAARP and AI to the planet as well, which erases existing memories and reprograms the psyche. HAARP is used via the Earth's grid-lines and is helping to emit these frequency pulses. The pulses create a closed loop echo chamber (The Beast Machine) inside our minds causing repeated thoughts and it also causes forgetfulness. The AI technology involved is connected to every Apple and Android cell phone on the planet, either through CIA apps like Facebook or through Chinese microchips in the phones themselves. The blue light emitted from your phones is actually good for you but they tell you it's bad so you will block it, which blocks any discernment of truth. **Q4545 Q774 Q2988 Q2336**

Just like the giant tsunami wave, these things will be reversed by [God Source](#) who is currently incarnated as President Trump (Q+). **Q2791, Q1677 Q485** The frequencies will be changed to healing ones using the Schumann Resonance, the heartbeat frequency given off by the Earth's vibration. It has been steadily increasing in it's own ascension from 7.83 Hz and will continue to rise and assist in our four step morphogenetic [Angelic](#) human transformation, just like a butterfly. **Q3606 Q3604**

Similar to Rife technology, using the solfeggio ([1010 Hz, 129 Hz, 314 Hz, 315 Hz, 342 Hz, 449 Hz, 305 Hz, 306 Hz](#)) octave group, it will be used to change the planet's frequencies creating sound healing. This healing will bestow great discernment on the population. It will allow people to think for themselves and actually feel what is true regarding real and fake news. Reading and learning about the truth also increases the bodies vibrational level through the heart (4th green ray) and throat (5th blue ray) [chakras](#). Chakras (1-15) transmit and receive energy, frequency and vibration in our bodies. This frequency and truth duo will come in the form of Trumpet's, one part sound and one part explosive President Trump posts via Truth Social which will initiate full Declass as noted in the 16 Year Plan to Destroy America blog. This is a doorway to Christ Consciousness and your spiritual gifts and protections.

It progresses to the Galactic chakra (11Silver/Black, 18 in. above crown) which unifies the male/solar and female/lunar merge of light or [Buddhic Egg](#). Allowing us to connect to the Earth Star chakra (12Platinum, 6 in. below feet) planetary grid system through the Universal Mother Earth Core chakra (13Aquamarine, 12 in. below feet). This will unlock gate travel and the personal lightbody [maharic shield](#) by merging our entire chakra column bringing us to zero (neutral, location: heart) point. The four horsemen of the apocalypse represent the inner turmoil each human will face during this awakening. Famine (body issues), plague (illness, guilt, hypochondria), war (sexual repression; shame; ego and higher God self battles), terror and death (past life trauma, fear) are common themes fought with your Ego. We also see in the current news cycle that the Earth going through a similar ascension ([planetary logos](#)) purge and will eventually transform into Tara (heaven on earth).

Wearing your armor of God ([maharic shield](#)), you will seal up leaks and fight your way through it while aspiring the entire time for your highest and happiest timeline. God will open the doorway so you can receive your past life knowledge, your crown chakra and your white wedding garments ([Heiros Gamos](#) completed 13th chakra- spiritual marriage) as your divine feminine polarity (Sophia, [Divine Seed](#) Mother Arc, Staff, Tiffany Blue) and divine masculine (Christos, [Divine Spark](#), Father Arc, Rod, Emerald Green) polarity become balanced so the [God Source Trinity](#) wave can be accessed. This sacred union is returning to Angelic humans allowing us to reach zero point or a neutral balance (holy inner spirit/child, [unity logos](#)).

Through shadow work, self-love and self-learning; our veils will be lifted (harvested) when our Ego eventually dies and we are reborn through Christ Consciousness and we have a permanent inner childlike holy spirit. Each time a [morphogenetic](#) chakra (8-15) (doorway) is opened, a part of the Ego will die and you will hear a pop as the each of the 7 membranes of the [Cosmic Egg](#) (seals) shatters around our soul spirit. This is how you receive 7 golden crowns. ([Christos-Sophia](#) 12D Embodied)

Then we receive our gifts, which includes wings and flight and 'I AM' abundance manifestations for heaven on Earth. We are a race of Angelic beings. Know thyself. Take back your power. I am God, I am Sovereign, I am Free. We are all one, we are all connected through God Source. Where we go one we go all. WWG1WGA **Q599, Revelation 6;**

Ego Death Spiritual Rebirth- *Thy dead men shall live, together with my dead body shall they arise. Awake and sing, ye that dwell in dust: for thy dew is as the dew of herbs, and the earth shall cast out the dead.*

The heart (4green) and throat (5blue) chakra's are how we access the Halls of Amenti (Tara-Heaven on Earth) using the Flame of Amenti. The flame is actually described as light blue green flame (Aquamarine, 13th chakra) which also signifies Truth which occurs when your heart chakra is in line with your throat chakra. This is symbolic of God's Sword of Truth which ultimately takes down the Cabal as mentioned in Revelation.

The Golden Universal Sun chakra (14PaleGold, 3ft above crown) acts as extra shielding in the top lid (capstone, golden fleece) of our maharic fields. This makes you invisible to any dark entities like the Orion Group, it keeps anyone from telepathically spying on you or placing implants, possession and projecting programs/spells on to you. It allows you to discern the truth from lies. An example of this would be like your ego or entities telling you that "you can't" do something or "you're not good enough" type of internal brainwashing.

The Universal Father chakra (15PaleMagenta, location: deep space) ignites through the 12th chakra, merging with the Universal Mother and travels up through the unified chakra column to zero point and keeps you from dipping into the lower dimensions, like 1-3D or dual polarity, in a material world. Unity of the two genders is divine, there will be no more warped programming that skews the genders like the Cabal has instigated where women who used to be men like Susan Rice or Michelle Obama litter our political world causing confusion and separation in the population. **Q1510**

Ezekiel's Wheel

Ezekiel 1:14-19 And the living creatures ran and returned as the appearance of a flash of lightning. Now as I beheld the living creatures, behold one wheel upon the earth by the living creatures, with his four faces. The appearance of the wheels and their work was like unto the colour of a beryl: and they four had one likeness: and their appearance and their work was as it were a wheel in the middle of a wheel. When they went, they went upon their four sides: and they turned not when they went.

As for their rings, they were so high that they were dreadful; and their rings were full of eyes round about them four. And when the living creatures went, the wheels went by them: and when the living creatures were lifted up from the earth, the wheels were lifted up.

Kryptonite was Superman's weakness, but not on Krypton. Hidden in plain sight. Also 27 is an age some stars are sacrificed by the Cabal which explains the Cobalt 27 dimensional travel secret. Once their occult secrets are unveiled we gain our powers back.

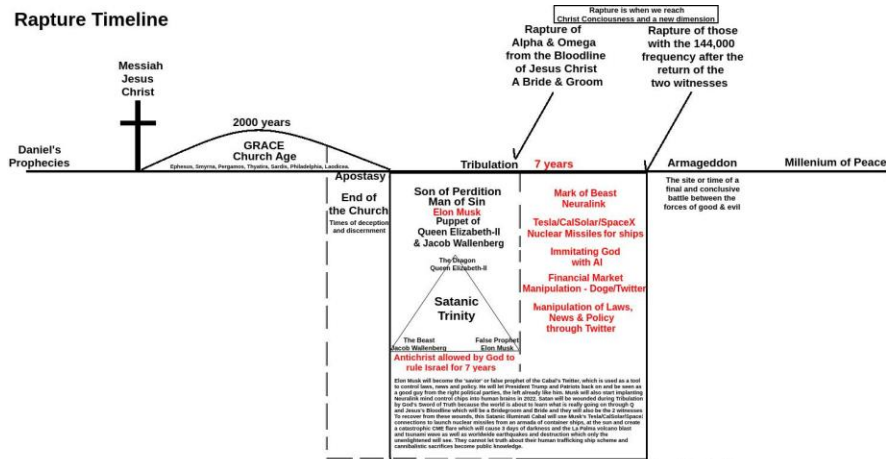

The humans that are not spiritually ready will remain in the old 3D earth until they have learned enough to experience the upgrade. They will experience a harsher climate with snow, ice and worldwide storms. They will continue in a fear based path until they choose to be on a path of God which embodies love, unity, freedom and they ask for forgiveness from themselves and to others through Jesus Christ.

Long before the wave comes, Jesus (Q) who is the Alpha (Q) and Omega (Q) will return as Bridegroom and Bride to spread truth of the Cabal. Follow the Bloodlines, the keystone is a double meaning for royalty. This will be their 'tale of two' and they will alert the planet of this darkness and spread their light as we manifest the world we want as a collective. They already walk among us. Their engagement photo will be 'THE SHOT HEARD AROUND THE WORLD' and it will be the first of President Trump's explosive Trumpet posts (5:5 Loud and Clear) demonstrating that God is in control. This post, along with the couple's 'I AM' universal law manifestation teachings and truth enlightenment will ultimately be the catalyst for the CME, plasma wave and rapture as well as a mirrored 3 days of light that will break up and dismantle the Cabal. Elon Musk will become the 'savior' or false prophet of the Cabal's Twitter, which is used as a tool to control laws, news and policy. He will let President Trump and Patriots back on and be seen as a good guy from the right political parties, the left already like him. Musk will also start implanting Neuralink mind control chips into human brains in 2022. He receives millions in Government Subsidies so he can push the Cabal agenda, which is a nuclear missile club K and human/drugs/gun trafficking ship scheme paid for with Taxpayer funding and created through the Uranium One deal with Iran, Russia and North Korea. Satan will be wounded during Tribulation by God's Sword of Truth because the world is about to learn what is really going on through Q and Jesus's Bloodline which will be a Bridegroom and Bride and they will also be the 2 witnesses **Rev 11:3**. To recover from these wounds, this Satanic Illuminati Cabal will use Musk's Tesla/CalSolar/SpaceX connections to launch nuclear missiles from their armada of container ships, at the sun and create a catastrophic CME flare. This will cause 3 days of darkness, the La Palma volcano blast, tsunami waves, worldwide earthquakes and destruction which only the unenlightened will see. They cannot let truth about their human trafficking ship scheme and cannibalistic sacrifices become public knowledge.

Before any of this happens, we need to have love, mercy and forgiveness in our hearts. We have seen some heinous crimes in recent years especially having to do with children. These criminals will receive justice but we must find it in our hearts to forgive them. There souls must also be allowed the chance to grow or they will continue on their repetitive path of evil. We must be the epitome of love, forgiveness and mercy in order to advance our own souls into the new Earth. ...*forgive us our trespasses as we forgive those who trespass against us...*

If you have accepted Jesus as your Savior, and asked for and given forgiveness to all, you will go with everyone during the rapture. No need to worry about any floods, tsunamis or disasters. You can do these things in your mind too; you don't need a church or actual person in front of you.

A President Trump decode in August 2021 shows us that Jacob Wallenberg(No Name) is Hermes the winged-foot messenger god of Ancient Greece. The god of science, a trickster, the conductor of souls and the messenger are a few of his traits and he was usually depicted as birdlike. Hermes has also been known as many other gods throughout history. Originally Thoth Trismegistus in Atlantis from estimated 1000000 - 8000 BC before migrating around the Earth westward and then back east to become additional gods such as Dattatreya in Hindu (10000 BC), Thoth again in Egypt (6000-3000 BC), Ningishzidda in Sumeria/Anunaki (2100 BC), Nabu and-or Nanna/Sin of Babylon (1800-500 BC), **Moloch/Baal/Chemosh in Sumer/Moab/Canaan (1800 BC)**, Hermes in Greece (1500-1300 BC), Loki in Norse (1300 BC), Quetzalcoatl and Tehuti in Central America (1200-300 BC) and Mercury in Rome (400-300 BC).

At the same time the dog/jackal-like Egyptian Anubis, another deity of the underworld, was also many gods around the world such as Yama in Hindu, Irkalla/Nergal in Sumeria/Anunaki, Mot in Moab/Canaan, Hades in Greece, Hel in Scandinavia, Mictlantecuhltli in Central America and Pluto in Rome. Greek mythology blends Hermes with Anubis to result in the god Hermanubis. In my personal opinion, I think Anubis is Queen Elizabeth II and her royal bloodline.

Moloch/Baal/Chemosh are one in the same and were the name or title of the chief god of the Moabites/Ammonites near Canaan which in the future will be Jordan and Israel respectively, around the southeast/west of the Dead Sea. This group migrated here originally from Sumer. Child sacrifice is associated with him. Solomon built a sanctuary to him on Mount of Olives. Worshiping Baal was a recurring temptation for the Israelites', as noted in the book of Judges. Jeremiah 19:5 speaks of sacrificing children to Baal. Jeremiah 32:35; male and female children were burnt to Moloch/Baal.

Q1232 What will next week hold? MOAB. Q Fire up those Memes! Please stand by. On the clock. Ready to play? MOAB incoming. Q

Anubis presided over funerals by guiding lost souls and weighing the heart on scales for truth to allow admittance into the underworld. Along with Thoth, creating the Book of the Dead for each soul to assist them in crossing over to the underworld. It has various texts and ritualistic spells of sacrifice, torture and mind control including keeping hearts in a jar and drinking blood.

Thoth wrote the Emerald Tablets, which glorify the fallen angels and has satanist characteristics. The Joy of Satan ministries even considers Thoth as one of their most active demons and one of the 7 sons of Satan according to the Church of Satan. As Quetzalcoatl, oversaw human sacrifices of the Aztecs.

Hermes/Thoth had a son who was a Satyr called Pan in Arcadia, he had goat legs and 2 horns on his head. Pan was known as the Baphomet which is a representation of the devil. The Baphomet has close ties with Freemasons. There is the Goat of Mendes which is a 4 horned goat used for ritual sex with women in a public setting. Using goats for other sexual purposes and other satanic practices are part of the initiation to the Mysteries of Pan. Aleister Crowley famously connected Satanism and Freemasonry. Additionally, according to the book "Numbers: Their Occult Power and Mystic Virtues" by W. W. Wescott, nine holds great significance among many Masonic orders and secret societies because satanic forces work in variables of nine. Crowley says the number nine is "most evil". They bypass the 9th chakra Amrita by using Adrenochrome instead, manipulating the chakra system.

*He said: "I am going to tell you what will happen later in the time of wrath, because the vision concerns the appointed time of the end.[c] 20 The two-horned ram that you saw represents the kings of Media and Persia. 21 The shaggy goat is the king of Greece, and the large horn between its eyes is the first king. 22 The four horns that replaced the one that was broken off represent four kingdoms that will emerge from his nation but will not have the same power. 23 "In the latter part of their reign, when rebels have become completely wicked, a fierce-looking king, a master of intrigue, will arise. 24 He will become very strong, but not by his own power. He will cause astounding devastation and will succeed in whatever he does. He will destroy those who are mighty, the holy people. 25 He will cause deceit to prosper, and he will consider himself superior. When they feel secure, he will destroy many and take his stand against the Prince of princes. Yet he will be destroyed, but not by human power. **Daniel 8:19-25***

Around 800 BC another group traveling from Sumer moved north to the area which makes up Kazakhstan, Russia and Ukraine, east of the Black Sea and North of the Caspian Sea. They worshiped **Baal** and Innana/Ishtar (Isis/Diana/Venus) who was the consort of **Baal**, they settled and named the area Khazaria. The Silk Road ran directly through the lands, and Khazarians would murder people on their travels through and steal their identity. They sacrificed children to Baal. Around 600 BC they were warned by the Russian King to convert from Luciferianism to a religion and they ended up choosing Judaism. This Khazarians Mafia or Askenazi which was made up of the Khazarian nobility, eventually were driven from their country and traveled west through Europe settling in Germany and France and other European countries. The Rothschilds were part of this group and settled in Germany and eventually created and controlled the banking system.

The Knights Templar (1096-1312 AD) would eventually be disbanded and become the Jesuits (1534-1773 AD) and Jesuits would be disbanded and eventually become the Freemasons (1774 AD) all secret societies that developed and/or thrived from this Khazarian group and eventually become the Illuminati (1776 AD). Using the Protocols Of The Elders Of Zion and a lust for power and revenge, they mapped out a plan and this group would eventually infiltrate and control royalty/government, wars, banking and religion to include the Vatican. The Napoleonic wars, the Russian Revolution, Titanic sinks and The

Fed/Tax starts, WWI, WWII, the US Wall Street Crash and Great Depression were all purposely created false flags this secret society has become a master at creating. This same Cabal controlled the Nazi party (Ashka-nazi) in WWII and sacrificed millions of legitimate Jewish people in an ultimate plan to get land in Israel that never even belonged to the Khazarian Mafia group from Sumer. They hope to erect a third Solomon's Temple on the Temple Mount for their "Jewish Messiah" which would likely be satanic in nature.

Coronal Mass Ejection: CME Solar Flare

When CMEs collide with the Earth's magnetosphere, an area of space dominated by the magnetic field, a geomagnetic (solar) storm can happen.

*And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of fire: And he had in his hand a **little book** open: and he set his right foot upon the sea, and his left foot on the earth, And cried with a loud voice, as when a lion roareth: and when he had cried, seven thunders uttered their voices. And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not. And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven, And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer: But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets. And the voice which I heard from heaven spake unto me again, and said, Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth. And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter. And he said unto me, Thou must prophesy again before many peoples, and nations, and tongues, and kings. **(Also see Ezekiel 3:1–15) ~ Revelation 10***
